Eleven locals make team of year

Port Augusta supplies 11 players and the coach of this year's SGL "Team of the year."

The coach is South Augusta's mentor, John Reid whilst Willsden's John Noonan is captain with Pat Hynes of South Augusta vice captain. One interesting point is that seven players who represented the S.G.L. in the recent Inter League

match against Eyre Peninsula missed out on selection. These were Kym Nadebaum, Neil Smith, Chris Prior, G. Leske, B. McDonald, D. Harrison and J. Bell. Team representation is South Augusta 6, Risdon 4, Proprietary 3, Central

Augusta 3, Willsden 2, Solomontown 1, Port 1. The only team without a representative is West Augusta. All members will be presented with a team of the year medallion at their respective League dinners. Here is the team and placings:—

It looks like the charge of the Light Brigade as South Augusta rover, Chris Struck and Risdon's Peter Bond go for the ball. Others are Risdon's Peter Arnold, South Augusta's Robert Turner.

South Augusta captain, Pat Hynes hoisted on the shoulders of club president, Bruce Curtis holds aloft the coveted SGL cup and pennant after the Bulldogs had come from behind to take the 1981 premiership at Central oval on Sunday before a crowd estimated in excess of 4,000. It was a double to the Bulldogs whose Second side earlier defeated Penrith by one point.

South tipped to take thriller

One would have to be dyed in the wool Risdon supporter to suggest that South wouldn't start as favorites for Saturday grand final.

South has the score on the board. It has kicked six goals more than Risdon throughout the minor rounds although both teams defensive statistics are similar.

The Tigers came from behind last week in a performance that was outstanding as nothing was going right for it.

Certainly it will have to reduce the number of unforced errors it made because South will capitalise in these circumstances.

1981... THE YEAR
OF THE BULLDOGS

You can say what you like - but 1984 will go
own as the year of the tensions-induced
bustings.

And why shouldn't it?

After all we've seen the best teams throughout
the season and lost only two matches. In the
two months, and we shouldn't have lost them
either.

It will be the first year since 1964 -
and there was a good way we're going to let it

His supporters would all suggest that take Clark Clock away and the Bulldogs would fall apart.

Never was this referred to as an act of a rally as in South's case, but rather as a "take Clark and the Bulldogs captain, Pat Hynes, away, certainly not the Bulldogs."

Port Pike (with a "P") and Dick (with a "D") would never wouldn't again get the nod on Frapp.

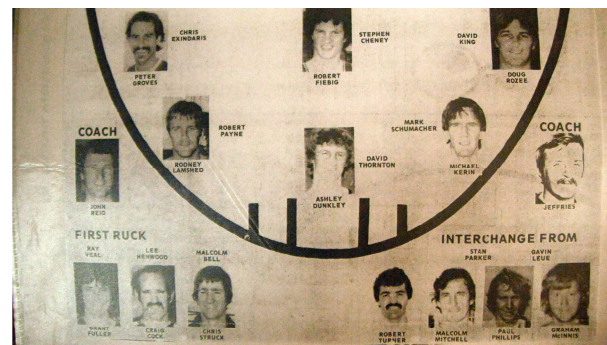

How true. The Bulldogs came from behind to win with a "D" and neither Clark nor Hynes were their stars.

Specker Out offensives were the Bulldogs' situation with one Port Pirie and one Port Adelaide.

Grassland is the name of a good game.

John Field has written winters and in the Bulldogs will be the ground on Saturday with words similar to the Bulldogs' former captain—never. Seaside as he is, he drew out for the Bulldogs' "D" and "P" line, go out there with your heads held high and your pants pulled down to your ankles.

Bulldogs win it!

South Augusta captain, Pat Hayes, insisted on the shoulders of club president Bruce Curtis, who was wearing a white shirt with a red tie. Hayes said that the crowd's reaction to the Bulls' loss was "a little different" from the 1981 premiership at Eden Park, but he said it was a double to the Bulls' supporters. Hayes said earlier, "I don't think it was a double to the Bulls' supporters by one point."
