Fitter Bulldogs take flag

23/9/81

Before one of the largest crowds ever at Central Oval (it could have been 5,000) South Augusta, on Saturday, stormed home to take the 1981 SGL grand final from Risdon.

South Augusta won it because it was the fitter side. Risdon surprised many with its approach to the game.

The Tigers refused to give an inch and in the first half it played South at its own game.

It used slick handball, it achieved their objective.

But before the flag was theirs, South had to come from a half time deficit of nine points.

In the first half Risdon did not allow South the chance to break into the open and with the wind a little tricky the Tigers

mined and that is just how they played adding 3.2 and at the same time they restricted Risdon to only 1.3.

With the breeze to come home with South Augusta held an advantage of two points at the last change heading 7.12 to 7.10.

The third term saw

centre half forward in Steve Cheney and although the Tiger forward finished with five goals Febbig contained him to three before he moved to full forward.

Doug Rozee was another strong defender along with Rodney Lamshed whilst Don Pasculli made his

Payne 2, D. King, R. Patterson, G. Potter.
