Management Committee report

Members of the South Augusta Football Club met last week to vote on whether the club would move into the Central Oval complex when completed in September 2014. The vote totals were 113 for and 17 against including absentee votes which means that the Port Augusta Council will be notified of our intentions and the club will move forward into the planning phase of relocation. The Steering Committee will meet with the Council next week to discuss the logistics of the move now that the club has decided.

This Sunday 27 April is the South Augusta Family Fun Day to be held at Chinnery Park commencing at 11am, There will be training drills for all the colts run by the senior players so bring your training gear. There will be a merchandise stall, sausage sizzle and jumping castle. This is a great opportunity to get to meet other club members and your Childs coach so please get along and support this club event. BBQ and refreshments are available on the day.

Many thanks to all those involved in the Market Day BBQ last week with a big thank you to Snake Owens who organised the day together with George Welk and Annette Morse with the BBQ and helpers , the Ladies committee including Sue Trewartha and Wendy Black and others such as Mick Kerin, Peter Trewartha, Phil Brown, Scott Sard, Jayne Owens, Mick Horner, Jason Waterworth, Nathaniel Steele, Mick Reilly and Katie Mack. Over \$1,200 was raised including donations from Scott Sard, Couttsy, Kean and Colin Waterworth so many thanks to all involved an a great fundraiser for the club.

Excellent night at the Guernsey presentation and launch of the season with over 110 meals sold on the night and well done to Trevor White the Colts group that catered for the big event. Big surprise to see Gerald Kittel, from the famous Kittel family there on the night and he presented a Guernsey to an up and coming player.

Coach's report

Hasn't time flown? Pre-season began 5 months ago for most players and it seems like only a couple of weeks ago (not 8!!) since they were involved in a tough, yet enjoyable, pre-season camp at the Bouilly's Pichi Richi Park. Since then we have had trial games against North Whyalla, BMW and Kimba and the season has now kicked off with good Round 1 wins in all 3 Senior Grades against Ports. I include the U/18's as a Senior team as the reality of it is we should always look to involve and teach these lads in preparation for B grade, A grade or beyond. Well done to Bill Jo Martin, Tom Hore, Dylan Barnett, Harry Holland, Caleb Ritter, Challan Stuart, Jake Ellis and Dareyan Solomon were among the U/18's who trained consistently and solidly with us over the Preseason and now look set for a big year at whatever level each attains. South have always developed it's young players well and that, along with finding improvement in the existing A/B grade is the way forward. A fact that highlights this is that the Club has lost 8 of it's 2012 A grade grand final team alone and one or two more who stepped up since (such as Wingfield and Craig Shirley).

In our Round 1 win the opportunities created by these departures were earnt by current colts and "graduates" Billy Jo Martin, Nathan Paige, Sam Maule and Slade Laube as well as players who played more Bs than As last season ; Jak Kerin (1st best player), David Robinson (2nd best player) and Tim Amos and finally three recruits in Bowde Kelly (4 goals), Tom Hamilton and Liam Bury (5 goals). While we have a number of other players who could play A grade at South this year I will only provide some background on these three for now:

Bowde is a tall versatile player from Hornridge Magpies in Roxby Downs and won their A grade Best and Fairest trophy in 2013. He has a strong set of hands, a raking left foot kick and can play anywhere forward or back and also in the ruck. He had an impressive debut and , at 19 years of age, he will learn plenty and adapt very well to SGL footy as the season rolls on. Please go out of your way to welcome Bowde and his family and if you have a couple of spare beds let us know so we can be as accommodating as possible towards them.

Tom Hamilton comes to us from Central Whyalla and prior to that Eastern Park in Adelaide. Having coached Tom last season in Whyalla, where he came runner up in the clubs Best and Fairest, top 5 in the medal and equal 3rd in the League goalkicking I am sure he will have a big impact in the SGL. (One of the Ports lads felt that impact last week!) Tom is a strongly built mid-sized player, with pace and decent leap. Tom is a very attacking player and loves a goal. His nickname is "Flex" (you can ask why), his partner is Kayla and they have a 3-4 year old son Ryley.

Liam Bury and his sidelined brother Keenan have come to us from BMW. The Burys are from Quorn and have connections with South. I believe their Dad, Darren, played some footy at South, Darren's cousin definitely did and Kent , the late brother of Mum, Andrea , was a very good player at the Club. Both the boys are living and working in Port Augusta now so it made sense for them to come to South

Augusta. I was lucky enough to coach Liam at BMW where he progressed from Senior Colts to A grade straight away at BMW. The last couple of years it seems Liam struggled for A grade opportunities (another who played more Bs than As last year) yet made our Round 1 team, kicked 5 goals and helped out with a couple more. Liam shared the full forward post in the first game and has the ability to play onball, half forward and half back also. He leads well and has a well balanced kicking action, rarely missing from a set shot. His girlfriend is Sam Bouilly who is the daughter of past player Nic and Jodie Bouilly. Liam is only 20 and will be a good player at South for years to come.

In being able to add the players mentioned to a strong existing group we feel we have good depth in the Club and while numbers at training continue to be 40+ we are confident that the overall form and fitness of the playing group will continue to develop as the season progresses. We are aware that despite the Round 1 win we will face potentially bigger challenges in the weeks ahead and will place a high value on these early games in the hope of putting some daylight between ourselves and the opposition below us.

We hope to have your continued support (and patience when necessary) as we strive for success in 2014!

Cameron Redden and coaching staff.

READY TO GO: South Augusta coach Cameron Redden and vice-captain Brock Laube are excited for season 2014 to start.

WHERE ARE THEY NOW?

Maurie Vast coached South to a Grand Final against Sollies in 1984 after playing in the 1983 Premiership side. Maurie was an Engineer and his family moved to Port Augusta to work on the new power station being constructed at the time. Maurie was an excellent Centre Half back, his left foot kick setting up many plays in the forward line.

He is currently the chairman of the Port Adelaide District Cricket Club (a position he has held for the last two years.) and Port recently won the A grade cricket premiership for the first time since 1967-8. This photo was taken 1 April 2014 and was supplied by previous Trans football Editor David Kemp.

BILLYS CORNER

Past members and volunteers for the club, Julie and Grant Ortlepp's daughter Taylor has been selected in the U17 Australian team for basketball to play in China in the coming months. <http://www.basketball.net.au/team-named-u17-womens-tour-china/> this link actually features a picture of Taylor in part of it. Also keep a look out for Cameron Ortlepp , their son who played in the Norwood Under 18s last week and kicked 2 goals.

It's also great to see other sons of Southies doing well at the higher level , including Darren Shillabeer who named amongst the best players in the North Adelaide seconds last week, Caleb Edmead who made his league debut for Central Districts against the Crows second side and Jared rivers who played a part in the Geelong's big win against Hawthorn on Easter Monday. Connor Rozee has also been selected in the U/14 North Adelaide Development squad , well done lads.

Caleb Edmead

Commencing this football season between 7pm and 8pm at the club a members draw will commence, your membership number will be drawn and the prize for the first week is \$150.00. This will occur after every A grade match and to win the money **you must be present** for the draw. The draw will jackpot by \$50 each week it is not won. If *won the draw will begin at \$50.00 and progress from there.*

Southies from way back, Leanne Shinnick and Carol Shillabeer won the Country carnival Championship pairs for 2014 in Lawn Bowls recently. Norby Doering tells us that since 1986 21 players of South origin have won the Port Augusta Club Championship singles and where guessing he's amongst them!!

Which South Augusta A premiership player has been giving the coach a ride home from training and functions? Apparently he is quite concerned with his position in the team and this gives him the opportunity to state his case on a weekly basis...

If you haven't heard Iain " Prickles" Elliott and his family are now living in Adelaide. Iain and Kylies children Liam and Bree attend Scotch College and they have bought a home in Aberfoyle Park . Iain who played in the 1993 and 1994 A Grade premierships, captained the club and was a champion cricketer for the South Augusta Cricket club obtained a transfer through work in the last term. We wish the family the best of luck for the future and if possible might be able to catch up at the Adelaide reunion on the 24th May at Prospect Oval.

More news on ex player Mark Zanker and his recent achievement on the Iron man circuit. Mark Zanker competed in the Melbourne Ironman recently . His blog details the event, go to <http://119hours.blogspot.com.au/>

Did you know that best player in the 1964 Premiership win for South Augusta , Jimmy Anderson, who currently lives in Darwin has a grandson playing in the AFL. Jed Anderson plays for Hawthorn and was unlucky to miss out in last year's premiership win. Secured in a trade with Greater Western Sydney at the end of 2012, Anderson made an immediate impact in his first year at the Hawks. After making his debut in round one, the teenager picked up a NAB AFL Rising Star nomination in round three, before a hamstring injury stalled his progress. He briefly forced his way back into the team late in the year, but lost his place before the preliminary final, finishing the season as a member of Box Hill's VFL premiership team. A hard-at-it, exciting midfielder with a big future. **Draft history:** 2012 NAB AFL Draft traded by GWS for Stephen Gilham, No. 27 (James Stewart) and No. 63 (not utilised). Another grandson Jo Anderson plays for North Adelaide.

WE REMEMBER THE 1964 PREMIERSHIP.

It's been 50 years since the 1964 A Grade premiership and we plan to honour the players who played in that team. Each month we will recognise 3 of the players from the 1964 Premiership side who will hold their reunion on the South Augusta Presentation night on the 11th October.

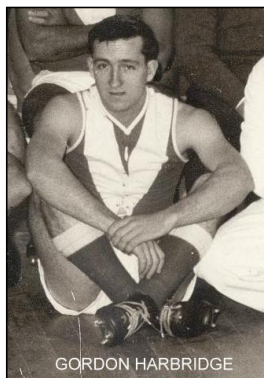

Listen to a replay of the match on youtube website link. Click on <https://www.youtube.com/watch?v=4uqGhG1RNKY&feature=youtu.be>

This month we start with the HALF BACK backlines with

1964 A Grade premiership side Half Backlines

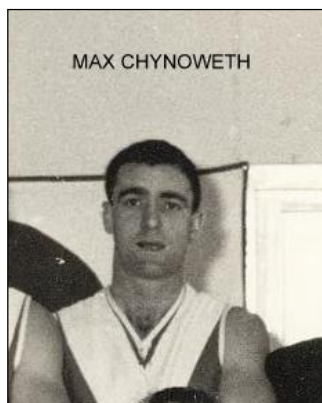

Gordon Harbridge: Half Back Flank

Gordon played senior football for the club between 1959 to 1971 and was a long term player for the club. Every dependable 'Bud' Harbridge as he was known contributed well on the day, turning away many Port attacks and providing support to wingman Billy Baker when required.

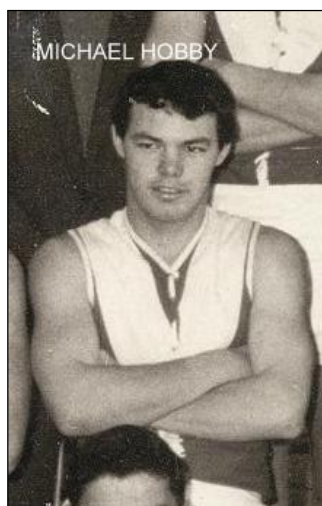

Max Chynoweth: Centre Half Back

Max was recruited from West Adelaide in 1962 as a playing coach and was a highly skilled and strong key position player. He was replaced as coach after 1 year but continued to play good football for the club for the next 2 years and was an important part of the 1964 success. He came out of retirement in 1967 with West Augusta football club but his career was cut short by a massive "shirt fronter" from South strongman Neil Brooks. Max was as colourful off the field as he was on it and he died in Pt Broughton over 5 years ago.

Mick Hobby: Half Back Flank

Word has it that Mick use to take out his own players at training he was so competitive. He was also an excellent pace bowler in Port Augusta but his fading eyesight may have played a part in him often causing injury to fellow team mates. Mick played Senior football for the club between 1960 and 1965 and was a close checking backman, giving nothing away.
