Go to the club website on <http://www.communitywebs.org/safc/> for more information.

Welcome to the 2017 season launch this Friday night with its expectations for another great season for the club after the A Grade premiership in 2016. The teams will once again lose several players but also gain new players and experienced players returning from injury. There is much optimism about our chances to stay competitive again this year and many thanks to those who support the club through Sponsorship, Vice President Clubs and fundraising such as the football tips etc. The club wish all current players and officials the best of luck in 2017.

SEASON 2017 IS NEAR!

Sad to hear the news of another of the 1964 A Grade premiership side player recently passing away with Jimmy Anderson, the best player in the final joining Bob Nowak who died earlier in the year. Amongst the first Indigenous players to have played for the club, Jimmy was in his 70's and died in Darwin, his home city. Recruited for 1 year in 1964, the on-baller played a great game on the day and was named best player in the local paper stating "The outstanding display at centre by Jim Anderson completely justified South Augusta recall of him from Darwin 6 weeks ago. He played with rare judgement and great pace. His courage had no limit and his stamina was tremendous. He fought like a tiger for South Augusta from the start to their glorious finish." South won by 2 pints against Port in what is rated as our best premiership in the competition of 12 teams. Jimmy was also a legend in Darwin, having made the NT Hall of Fame, played for West Perth and several premierships for the Buffaloes. Jimmy's grandson's Jed and Jo Anderson have played AFL football for North Melbourne and Carlton and more recently granddaughter Jasmine was part of the victorious Adelaide Crows Ladies squad. More about Jimmy Anderson can be found on the following link;

<http://www.aflnt.com.au/index.php?id=230>

Scores and best players on the day and Jimmy Anderson surrounded by Mick Vanvacas and Ray Hanrahan after the game in 1964.

Jim Averis who was one of Souths oldest surviving players also recently died. Jim who was aged 92 played for the club from 1944-1947 and was described by Ray Miller in the South Centenary book as one of the best backman in that era. Jim was named in South's best players in the grand final lost to Central in 1944 and was also in the best in other finals losses in subsequent years. Jim worked in the Railways for many years players and was well respected within the Community. The club offers its condolences to the friends and families of Jimmy Anderson and Jim Averis at this sad time.

The Management Committee are keen to hear your thoughts about how the club is going and ask you to please complete the attached survey. MYSTERY PROGRESSIVE DINNER

A fantastic night was had by all and it was extremely well organised by the Workflow Co-ordinator Lee-Anne Maule and her team.

We sold 61 tickets for the 3 course Progressive Dinner, catered for by Head Catering and the Social Committee. Entrée was enjoyed downstairs and outside with finger foods served by Nathan's waitresses. The main course was a sit down meal in the downstairs Conference Room.

Then the entourage made its way upstairs to the Function Room which was set up like a church for the congregation to greet the gorgeous bride and attend a Mock Wedding.

Priest - Lee-Anne Maule

Bride - Spindles Grantham

Groom - Jessie Maule

Bridal Party - Nat Herbstreit, Georgia Irvine, Jack Menzies, Sam Maule

Father of the Bride - Jenny Grantham

MC - Marcus Gill/Spindles Grantham

Dessert was served in the club after the traditional cutting of the wedding cake, garter and bouquet throwing. The bar staff did an exceptional job right throughout the night.

The Social Committee would like to thank all those involved in making the night a great success and keep your calendar free for all the upcoming events we have planned throughout the year.

We have a variety of shows in the planning stage...DJ Nat, Theme Night, Player Review, Family Day, Ladies Night, as well as the traditional Red & White Ball and Presentation Night.

Behind the scenes there are a lot of people that are passionate & enthusiastic about promoting a social atmosphere at South Augusta, where new people and existing members can get along to these events, have fun and support our great club.

TABLE TENNIS IS BACK

South Augusta assisted with the reformation of the game in the town and the Port Augusta Table Tennis Competition will start again for the 2017 with Come and Try nights every Monday night 5.30pm at the Stirling North Progress Association Hall. South Augusta Bulldogs has a team in the competition and we would love to see a few more Southies involved.

At the recent AGM Karl Chamberlain was elected President, David Christie Vice President, Grant Keane Treasurer and Mark Shirley Secretary together with a new committee with Andy Couzner Junior Co-ordinator for 2017.

The Port Augusta Table Tennis Competition welcome new players and "Come and Try" nights will continue until the season starts after the school holidays.

The sport will cater for all ages and sizes, veterans and juniors, experienced and beginners, men and women, boys and girls. All standards are welcome and Table Tennis bats and balls supplied if required. Players are requested to bring their sandshoes and coaching will be available with players graded according to ability.

President Karl Chamberlain is confident of another great season after 12 years since the competition began in 2006. "The move to Stirling North has been accepted by most players with an influx of juniors from the town in 2016. We are excited by the competition in the new location and players will have the opportunity to improve their ability through coaching held during the season. It's the cheapest sport in town and can be played by players ranging from 8 to 80. If you keen on a game get along to the club on a Monday night or come along anytime and you'll get a game".

Last year Crows won the Premiership under Captain Wes Yates and with Eagles, losing Club Champion Dave de Gruchy through a work transfer they face a challenging year to reform the team. The Committee thanked Dave for his contribution to the Association over his time at the club. Hawks Captain Bruce Molinex is confident that his team to continue its improvement in 2017 after just losing the Grand Final by a handful of games and he knows they have what it takes to get some early wins and take out the title.

The club plans Annual games against Whyalla and Jamestown and will also investigate possible trips to Wilmington and Morchard during the year.

Sponsor Update

If you would sponsor in 2017 and support a great club please go to the website on <http://www.communitywebs.org/SAFC/sponsorapplication.php> or complete the survey sent out by Simon Owens, Sponsorship Officer.

If you choose to sponsor South's in 2017, the Management Committee will strongly encourage our members to maintain their support for your business by advertising in the club website, monthly newsletter and Transcontinental Newspaper and the slide show on the big screen TV's at the clubrooms. Sponsors are regularly acknowledged on Friday Nights and Game Nights. It is expected that the club will have well over 350 members in 2017 and they will all be reminded to support you as a sponsor whenever possible. We expect many people in the club over the next 12 months and with the move to the Central Oval complex now complete we can assure sponsors exposure to many South's members but also many other visitors to our highly patronised clubrooms.

Greg also won the Association Best Fielding award and made the Port Augusta team of the year together with Craig Shirley, Nathan Nistico and Todd Kernahan. BILLYS CORNER

Well done once again to the Social committee as the Mystery Dinner was a great success and the Bridal Party was a sight to behold. A Grade premierships player Sam Maule was wearing his great grandfather's State School Boys blazer. He wore it when he was 16 and he is now 94!!

The Bridal Party

Sam Maule in Grandfathers Blazer

Club legends Peter Trewartha and Kym Maule have had some recent success with the bowls, winning the Port Augusta Bowling club mixed fours. The Champions in Kymbo, Twof, Wendy Wright and Nannette Gower were 50/1 outsiders and got up in a close contest 22-20. The rumour that Wendy and Nanette Gower carried the team has been disputed by the pair.

The least said the better about the Mauling Bulldogs team in the Twilight Tennis though. The team captained by B grade Premiership player Daniel Brusnahan, and comprising Brusnahan and Shirley family members did not lose a game for the whole year but lost by 3 games in a tight finish decided by the last doubles game in fading light. The worst thing about it was that the winning team includes Sponsorship officer Simon Snake Owens, we will hear about it and it will be a long year until it starts again on October!!

Club Champion Kevin Harris has been apparently thrown out of a few establishments in his time, even the Kennel club, but never this Kennel Club!! Kevin was recently kicked out of the greyhound meeting in Port Augusta when he was asked to leave the enclosure that collected the dogs after a race when he was told he was not accredited! That's a new one for Kev but we don't know why they have concerns, the dogs have been so slow they have been easy to catch.

Great to hear the news that the old Football club has been sold. For those who do not live in Port Augusta the club is now used as a Childrens play area, a lot like how a few of the players to use it in the old days!. See a Management Committee person for more details on the sale.

Great news to hear that another old Southy Alan "Owie" O'Connor who played for the club in the 1950's has been cleared of prostate cancer and is recovering well. It's a good reminder to all players and past players to get checked out on a regular basis, we need you to celebrate more premierships.

Congratulations to A Grade premiership player Mark Horner and Amanda Schupelius who were recently married and Jamie Trewartha who celebrated her 21st recently.

Many thanks to those who contributed to the Club newsletter including Jarrod Waterworth , Michael Kerin, Judith Barnett, Nick Heron and Jenny Grantham.

MANY THANKS TO THE SPONSORS, VICE PRESIDENTS AND MEMBERS WHO WILL SUPPORT US IN 2017.
