GREAT START TO CONNOR'S CAREER

In the last month ex -South Augusta Junior Connor Rozee has played his first AFL game, kicked 2 goals in the second game and 5 goals in his third and best player for Port Power for an excellent start to his AFL career. He was also rewarded with Rising Star nomination that week.

Connor is well on the way of emulating other South Augusta Juniors who have played at the AFL level including Jared Rivers (150 games Melbourne and 44 Geelong Total 194 games) and Bryan Bienke (38 games Adelaide Crows and 107 games Port Adelaide SANFL).

Comments from articles in papers and website: "Connor Rozee's five-goal performance was electric and one of the best games from a first-year player the Gabba has seen for many years.

Not only was Rozee dangerous in the forward 50m, the number five draft pick was confident when drifting up the ground, finishing with 21 disposals and seven marks.

Port Adelaide assistant coach Brett Montgomery has been involved in AFL football as both a player and a coach for more than 20 years and he hasn't seen a teenage draftee more mentally prepared than Connor Rozee.

Rozee, the No.5 pick in last year's NAB AFL Draft, has received the round three nomination for the NAB AFL Rising Star award after a remarkably mature five-goal performance in a losing team against Brisbane at the Gabba.

The 2019 footy season starts very soon (U15 v West 6pm Wednesday 24 April followed by a bumper Thursday Anzac Day v West U18 at 12 noon, B Grade at 2pm and A Grade at 4pm). Memberships can be purchased and player registrations completed before the big day.

FROM THE PRES.

We welcome aboard a brand new sponsor in Enerline Construction. Thus for all your general construction and electrical services see club member and sponsor Mark Whitehead. Thanks Mark for providing this sponsorship. The first two SAFC Volunteer Appreciation Award winners Megan Collins and Jenny Grantham were announced recently. Both have contributed much to SAFC and we are extremely grateful for this. Thanks to Michelle and Phil Brown of PKB Electrical for sponsoring this initiative.

After a lengthy pre-season we are on the eve of the 2019 SGL season which kicks off next Wednesday and Thursday (Anzac Round 1). The Management and Football Committees have been working since October for this season so thanks to all members of this. Players have come and gone (see below). We wish our new players all the best for their time with us. Coaches have been replaced where needed and we wish them well.

For those of us unable to take to the field we can still be involved in many ways. Just ask and we will find some role for you. Buying a family/single/pensioner membership would be a good starting point. Please get your 2019 memberships in ASAP, attend Friday nights and get set to claim your member's jackpot this Friday night. We are aiming for 500+ members this year. Please help us achieve this target by renewing/joining membership for 2019 and getting others who were not with us last year to join. Prices are unchanged for the third year running. All senior players are asked to do this and all junior players should be part of a family membership.

Please remember that we are responsible for our own conduct and the conduct of our children whilst attending our club (and indeed the whole Central Oval complex). Council has advised us of an increase in damage to the complex over the past few weeks. If this continues they will be passing the costs onto the relevant organisations including SAFC if we are responsible. Please keep an eye out for unacceptable behaviour especially once the season begins. Please act if you observe this by intervening and/or advising a committee member immediately. Any costs that can be attributed to a SAFC person will be paid for by that person. Finally as mentioned a few newsletters back our balcony behaviour on Grand Final day was (unfairly and with no evidence) criticized. All patrons who venture out onto the balcony this season are asked to be vigilant and act on any poor behaviour if it does happen. Please report this to a committee member immediately also. Mick

Tom Hamilton has moved to Adelaide and will be leaving the club after several successful years in the Red and White. Tom has played in 3 A Grade Premierships and 59 A Grade games, many travelling through work to play. Tom was recruited by Cameron Redden in 2015 and has been a great player for the club, mainly playing in the forward lines with the occasional stint on the ball when required. An accurate kick for goal Tom in recent years has been concentrating on his fighting career as a sideline and was a daunting figure for any backman who took him on together with his appearances at Ladies Night. We wish him all the best for his future football career.

PORT AUGUSTA HALL OF FAME INDUCTEES

Congratulations to 3 South Augusta players who were recently inducted into the Port Augusta Hall of Fame for services to football in the region. SPONSORS UPDATE

It's great to see most sponsors "locked back in" for 2019.

What is even better is the fact that a number of new sponsors for colts and seniors have been recruited by what is now a real team effort.

- Kelvin McInnis, Frank Tuip and Ritts have signed up the Tassie Tavern for a major colts sponsorship deal,
- Max Cranes are also on deck for the colts thanks to Dean McInnis,
- M&G Hotel group thanks to the Football Fundraising Committee,
- APM Employment Services, Enerline Construction and Sundrop recruited by Mick Kerin,
- Adrian Gardiner Electrical as a new Gold Sponsor thanks to Couttsie,

Also great to see Tyron Press Plumbing back on board as a sponsor this year and as you can see we have a real sense of teamwork off the field across all grades.

Harry and I are currently busy organising the weekly player awards ready for Round 1. Many long term sponsors of these awards are with us again for 2019. These include Rowe Partners, The Pastoral Hotel, Andrew and Wendy Black, Billy Baker, Saltbush Surf and Leisure and Port Augusta Meat Store. Regards Snake

Snake's Equine Update

Viddora was recently invited to compete in the 2.8 million dollar Al Quoz Sprint at Meydan Racetrack in Dubai. The Sheikh paid all travel and accommodation expenses for Horse, Trainer, Jockey and Strapper which was a considerable saving for the ownership group. She ran an honourable 4th against the best sprinters in the world and earnt herself \$150, 000. As a result of this run she has been invited (no costs again) to run in Honk Kong on Sunday April 28. There is a small chance that she may continue on to Royal Ascot (London) for her final swansong. Fingers crossed

Jedastar is spelling ready for a late winter / early spring comeback in what is likely to be some 3yo Fillies Races in Metro Melbourne. She's got heaps of potential if you look at her first campaign earlier this year. Khanion Bay and Duchess Grace are also having a rest in the paddock but should return to pre training soon. Regards Snake

Picture of Snake at Dubia for the big race, he does look elated for just 4th place but they did collect \$150,000 in prize money between the syndicate!

INTRODUCTION TO PSYCH SKILLS

Another exciting opportunity with Mike Fenwick returning on Tuesday 4th June to deliver training "Introduction to Psych Skills"

This training is aimed at athletes between the ages of 14 - 18, parents and coaches - who wish to understand how the power of the mind can influence positive performance, developing correct habits to take sporting endeavours to higher levels.

Using Mind/Body Connection for Peak Performance!

Training will be held from 6:00pm - 9:00pm on the 4th June at Central Oval.

Registration of interest to me by 20th May 2019.

Please mark this one in your diary - an exciting opportunity for our region and athletes.

GROWING KIDS AS LEADERS

Another exciting opportunity with Mike Fenwick, the second of two sessions for the region, "Growing Kids As Leaders" on Wednesday 5th June 2019.

Many kids get captaincy thrust upon them. We put them in charge because they may be one of the better physically skilled kids, but we don't teach them one single leadership skill. Kids need confidence to lead, skills in leadership give kids a greater confidence to lead well. Good Leaders inspire and develop other leaders, there are differences between success and just going through the motions.

Growing Leaders: Succession Planning! This training is aimed at coaches, committees and people involved with junior sporting teams who want to identify and develop their young people into leaders, on and off the sporting arena.

Training will be held from 6:00pm - 9:00pm on the 5th June at Central Oval.

Registration of interest to me by 20th May 2019.

Please mark this one in your diary - an exciting opportunity for our region and athletes.

BILLY`S CORNER

Condolences to the Williams family on the passing of Syd recently, the club's oldest member and past player. Syd, originally from Quorn, played for the club in the late 1950s and was involved in the clubs committees after this time in retirement. A relation of the famous Fos Williams family, he was well respected at the club and his 4 sons have all been involved in the club in various ways, played many games or involved in coaching. Syd was 97 years of age and the club is thinking of his family and friends at this sad time.

Harry Waterworth and Grandkids took out the Racing Tips Award for the second year running and he definitely has a great system, although I don't think he will share this with others at the club. Third spot went to Central Augusta lad Mark Brown, his experience with bookmaker Dickie McSporran as an assistant helping his causes. A great day at the club, the Waterworth family also took out the raffle organised together with good collects in the individual racing competitions on the day. Many thanks to Harry Waterworth for the catering and Amanda and Nicole who served on the bar on the day. We will be aiming at 50 entries next year.

With ANZAC day coming up we have the chance to also think of the South Augusta players who have been involved with military service over the years. Several of these players are mentioned below:

Edward Smoker: Edward Smoker was born on the 20th March 1908 and played for South Augusta in 1930. Edward joined the Army as a private from 1944 to 1946 when he enrolled in New Guinea.

Frank Woodforde: Frank Woodforde was born on the 17/1/1919 and played South from the period 1941 to 1951. He served in the Armoured Regiment of the Army from August 1941 to March 1946 as a Private.

Eric Mortlock: Eric Mortlock played for South from 1939 to 1941 and then enrolled in the Airforce from 1942 to 1945 as a leading Aircraftman. He enlisted at Port Augusta.

Alec Merrill: Alec Merrill born on the 5/10/23 played for South in the period 1939 to 1947 and joined the Army from April 1944 to December 1946 as a Private.

Ken Higginson: Ken Higginson was born in 1927 and played for South Augusta over the period from 1944 to 1955. During this time he did not play football when he was an Able Seaman on the HMS Lonsdale and he was enlisted in the Navy from May 1945 to February 1947.

See the full list at <http://www.communitywebs.org/safc/main.php?pid=73>

If you know of names that have been missed please contact the club.

We wish the Club President a speedy recovery from his recent accident on a motorbike while at a remote sheep station. The photo taken from the club shows his determination to get to a meeting at the club 3 days after the incident. The current form of St Kilda has distracted from any inconvenience! We also send best wishes to Peter Huxtable and Jim Webb at Nerrilda, both past players or officials and the club.

In honour of the 25th year anniversary of the 1993/94 Back to Back Premiership wins the Football Fundraising Committee has organised 2 plaques on the picket fence at Memorial Oval Port Pirie. The 1994 win was at Memorial Oval and plaques are located at the Southern end pocket so have a look next time you are at the oval. Players from the 2 Premierships will contribute \$10 each towards the plaques and this will go towards future premiership plaques at the oval. If you wish to donate see Mark, Kean or Simon at the club. Don't forget the Players and Officials day on the Hill on the 22nd June, celebrating the 93/94, 1964 A Grade 55 years and 1979 B Grade 40 year celebrations.
