Management Committee report

The move to Central Oval is full steam ahead with negotiations with the Council still continuing regarding the lease and license at the new facility. We still haven't organise a date of moving but October or November may be around the mark. The club will still need volunteers in the future and the Friday night tea teams will still be required to keep the meals to a reasonable price. Volunteers will also still be required for football operations, club functions, weddings etc so we still want you on board to help the club out. The canteen situation is still to be worked out and history photos and memorabilia will certainly still have a place in the club. See me if you have any questions. Gazz

Don't forget some big events this month including the Players Auction this Saturday night, Sydney Hotshots will strut their stuff on the Friday 9th August and the Red and White ball on the 16th August, tickets at the club

There are several different committees around the club and it is important that members all know what role they play in the club structure as at times it does cause confusion. The committees are as follows:

Management Committee: The peak committee for the club it manages both the club operations both on and off the field, day to day operations, financial management, staff, football operations, club management. Members: Gary Kernahan, Peter Huxtable, Alicia Herriman, Denise Cullen, Andrew Reynolds, Graham Coutts , Anthony Everett, Kean Parrington, Brett Jones. Members Contact: Gary Kernahan.

Members Graham Coutts (Chair) Mark Shirley, Anthony Everett, Kean Parrington, Brett Jones, Lee Willcock, Mick Kerin, Simon Owens and coaches Cameron redden, Bluey Bolitho and Craig Ritter. Members contact Graham Coutts

Colts Committee: Manages the junior colts for the club from Under 9s to Under 15s grades. Members David Williams, Jake and Daniel Collins, Trish Noble, Lee Willcock, Kieron Keeler, Jason and Jarrod Waterworth, Ryan Struck,. Members Contact David Williams

Ladies Committee: Managing important fundraising activities for the club including Ladies Nights, Red and White ball and Presentation night. Members Sue Trewartha, Wendy Black, Caroline Telfer, Georgia and Donna Irvine, Leanne Maule, Rachel McIntosh,

Maureen Scharenburg and apologies to those I have missed. Members contact: Sue Trewartha.

Missing: Two History folders containing important history records and newspaper clippings from 1980-1985 and 1990 to 1995. If you have borrowed these folders from the office or know where they are please see Harry Waterworth or Mark Shirley at the club.

Congratulations to Matt Glamuzina and Robert Bowman who featured in the winners in the 3 monthly 100 club draw and many thanks to Peter Huxtable who organised the day. He would love to see more people at the 100 club draws as there are cheap drinks and lunch supplied, look out for the next draw.

Condolences to the Gigney family on the recent death of Maurice Gigney, who was the last surviving member of the 1942 A Grade Premiership side. Maurice, aged 91, lived in Adelaide and played for the club from 1942 to 1946 and was named 3rd best player in the final when they beat Central. Maurice made a great effort to attend the 100 year Centenary celebrations and made a memorable speech on the night talking about the 1942 game and how the club had progressed over the years. Maurice also worked in the Railways and was a well-respected member of the community.

Maurice Gigney at the 100 year celebrations

Congratulations to the Kym Maule syndicate who took out the player's auction recently, the Maule syndicate bought players Sam Maule, Marcus Kerin and Dareyan Solomon and were well deserved winners. Next auction this Saturday 2nd August, get your syndicate together

Football Committee report

Congratulations to Eugene Smith who played his first A Grade game for the club in the recent win against Lions. Eugene came through our juniors and deserved his spot after some good B Grade performances.

CODE OF CONDUCT-SOCIAL MEDIA

Players, members, supporters are advised that threatening behaviour to opposition players or clubs via Social Media will not be tolerated by the SAFC. If anybody associated with

the SAFC is found to be using Social Media ie Facebook, Texting to threaten or harm anybody from an opposing club especially after games they will be brought before the SAFC Code of Conduct Committee.. There have examples of this in recent weeks. Disagreements on the footy field are to be left on the field not put out on Social Media...

Congratulations to Sam Maule who represented the club in the Zone Championships recently at Kadina. Sam was selected to play for the Northern Zone and represented the club well and the team also performed well finishing 4th in the Carnival.

A grade report- 2nd

While our playing group are well aware of the fact that we still have areas we aim to perfect, other than last week's effort our last month has turned our season around and shifted our focus from simply making the finals to consolidating the double chance as we are currently one game and percentage from top spot and two games clear of the next team. I feel that the playing group has begun to gel well over the course of the year and now they have enough belief in each other and our "blue collar" game plan to be able to get over the line in games where we may have fallen away previously. The lads have found a way to win in this period despite only playing a couple of "4 quarter" games. To be fair some surprise results from other sides have probably helped strengthen our position but we can only aim to control our results and leave theirs to them. We will keep working on our deficiencies and developing our strengths. Our senior players have stepped up during this time with the likes of Margitich, Lukich, Struck, Jake Collins and Tom Hamilton working themselves into strong, consistent form of late and Horner, Robinson, Brusnahan and Brock Laube continuing their great start to the year. No doubt the most influential players though have been from our young brigade, such as Marcus Kerin, Slade Laube, Dylan Barnett and Sam Maule who have all become key players in the team. The addition of Max McLachlan, only 20 himself, has also added depth to our midfield and those other younger players who have come up when we have been challenged with injury and work issues, have proven to be ready for this level of footy. There are a number of players still to return to the side and others really pushing for a spot from the B grade and Senior Colts so there is still plenty of upside to this group. The next five rounds will be a good gauge of where we are really at leading into the finals and will hopefully prove to any doubters that our form other than last week hasn't been a fluke or an aberration.

Cameron Redden

B Grade Report- 2nd spot

The B grade is currently sitting in 2nd position with 3 games clear of 3rd spot we have had a couple of tight games against centrals beating them by 3 points and west by 4 points but losing to the lions by 6 goal we have numerous players that work shift work and can only play every fortnight, each week brings a new challenge so we deal with it as each game comes and who is available or unavailable every player has had a number of games and there has been over 40 players come through the B grade we have even had a few colts play who have all played well for us as they are the future of this club. The B grade is there to back the A grade up each week and having players ready to slot straight into the A grade when required and over the last month the players who have been playing well are Adam Bentley Tyson black Eugene smith riley dunneman and we even had to put Dwayne Crombie in against the lions who had an exceptional game and will remain in the

side to add some height, we have 6 games to go until the finals so we need every player at training to give ourselves the best chance of going all the way. THANKS BLUEY!

Under 18 Report- 1st spot

The Under 18s have been playing some really good football over the last few weeks beating West and Central before the bye, we had a really bad game against Port and then bounced back against Lions in Pirie . We are currently 1 game clear on top of the ladder with both West and Port in second spot

Congratulations to the 3 lads representing our club in the North Adelaide U/17s - Championships coached by Choco Laube, they were Dylan Barnett, Aziel Stuart and Dareyan Soloman, the boys won the Championships and all played well

Unfortunately Aziel broke a bone in his wrist and will now be sidelined for the next 6 weeks he will be sorely missed, as he has been playing really well.

Connor Dwyer from the Under 15s broke his arm playing for the U/18s and will be out of sport for 9 months, Connor is also a talented basketball player for the club, and will be missed this season

Other U/15s to play for us include Rowan Irvine, Will Bolitho, Mitchell French, Kyle Maison, Marshall Stuart, Dallas Barnes, Paul Glass and, Slade Petry and Hamish Bouilly all these boys have played really well in this grade thanks fellas

We welcome the return of Daniel Elliot and Craig Shirley both will play for us for the remainder of the season which is great news.

Other lads playing well are Todd Kaesler, Dareyan Soloman, Tom Hore, Harry Holland, Daniel Glass, Josh Forrest and Trent Ritter

Caleb Ritter, Dylan Barnett and Billy-Jo Martin have all been given games in the A Grade and have all played well, keep up the good work

Caleb is leading the goal kicking in the under 18s at this stage of the season.

Special thanks must go to Damien Forrest who put his hand up to do the Runners job for me until Andrew Magarey is fit enough to resume

Feyne Kaesler is also doing a great job as my assistant and then as the Runner for the B Grade. Don't forget folks come out at 10-45 game days and give the 18s some support it will be greatly appreciated. Ritts

Summary of U17's Youth Championships held in Adelaide from July 14th - July 17th 2014

Representing South Augusta football Club were Dylan Barnett, Aziel Stuart & Dareyan Soloman. The team was coached by past Under 18 South coach Robert Laube.

1st game - North Adelaide v's Norwood @ Norwood

Nth Adelaide 9 - 10 = 64

Norwood 3 - 3 = 21

All played well considering they had only played one trial match at Port Broughton. Coach - Robert (Chocco) Laube very happy with the boys efforts.

2nd game - North Adelaide v's South Adelaide @ Prospect

Nth Adelaide 7 - 11 = 53

South Adelaide 5 - 3 = 33

A good quality game the score didn't necessarily reflect the way the game was played.

Sth Adel were good overhead but North Adel had the crumbers to get the ball & scored alot easier with some easy shots being missed as the score reflects.

3rd game - North Adelaide v's Central Districts

Nth Adelaide 13 - 10 = 88

Central Districts 4 - 6 = 30

This game was for the championship as both teams were undefeated. Nth Adelaide started off strongly by kicking 4 goal 5 points in the first quarter to Central Districts 1 goal. The rain started & North Adelaide continued the second quarter the way they had finished the first quarter. Central Districts had more scoring shots in the 2nd quarter but couldn't convert. North scored 3 straight goals to Central Districts 1 goal 5 points. The third quarter North Adelaide kept Central Districts scoreless with North continuing scoring 3 goal 4 point. The final quarter was much the same with North scoring 3 goals 1 point to Central Districts 2 goals 1 point. North were convincing winners by 58 points.

Winning North Adelaide Country team coached by Robert Laube

South Augusta players in the winning team Dareyan Solomon, Aziel Stuart and Dylan Barnett who obviously enjoyed the hit out.

U15's Report

North Adelaide country team played against North Adelaide metro U/14s on the 10th of July and South Augusta had 2 players represent them which were William Bolitho and Marshall Stuart both players played well and were in the best players with Marshall kicking 2 goals they were up against a side that played together in Adelaide for the last 6 weeks and the country team were beaten by 7 goals which was a great effort considering the country lads didn't know each other before the game. I'm sure they'll appreciate the experience as these opportunities don't come around very often.

Catering Report

Many thanks to those who assisted with catering for the Crows Supporter Group function held at the club for up to 60 supporters. Trevor White a keen Collingwood supporter had no trouble serving the Crows supporters a great meal on the night, did you Trev!

Souths Golf Day 2014

Souths Golf day promised to be the best yet with plenty of interest from keen golfers at the club and we certainly were not disappointed with the turn out on the day as we had over 40 players register. Playing the front 9 the 10 teams set off in all directions to ensure we had completed the round by 1pm so we could all get up the club for roast lunch and to see the Power play. Hole No.3 was the Blackwoods closest to the pin and after an early attempt from Ben Trewatha, Matt Glamuzina ended up taking out the title knocking his shot within 5ft of the hole. No7 was The Terry Gardiner Meats Long Drive competition won by Riley Dunemann (although it might be worthwhile getting out the record books as it was only about 30m short of the green) Runners up for the red jacket were 2013 winners, Kev Harris, Matt Glamuzina Jak, Jed and Jube Waterworth. Winners of the 2014 Red Jacket were Slade Laube, Sam Maule, Liam Bury and Riley Dunemann which was impressive considering most of the team was out until the early hours of Sunday morning, it was then no surprise they were the first to leave after the awards, no doubt to sleep. A very big thankyou to Phil Jaeger (Blackwoods) for the winners prizes, Colleen from the golf club, Trevor for organising the delicious lunch and Harry, Glemma, Gaz, Pete Twof and Mick Kerin for giving Trevor a hand in the kitchen. The day had an International flare when South African Conrad Czbulka made an appearance on the day at great expense. Jake

SOUTH AUGUSTA RELIVE MEMORIES OF 1994

South Augusta Football Club held its 1994 20 year Premiership Reunion recently with a good attendance of past players and a good win by the A Grade team over Ports in the main game that day. Past Players and officials travelled from as far as Brisbane and Sydney for the day and many stories were told of past glories and who won the game for the team on the day.

Past coach Pat Hynes presented the players to the crowd after the game and spoke of the lead up to the game in which the team just made the finals but managed to win every game until the back to back victory against short odds favorite Port on their home ground at Pirie. South Augusta had previously beaten Port in 1993 at Port Augusta

Many thanks to Martin Flanagan who travelled from Brisbane, Captain Byron Mathews from Sydney, Scott Feltus and Iain Elliott from Adelaide together with in Pat Hynes who made the speeches, Daniel Dohnt and his cooking team, Trevor White for the catering and Scott Feltus who was guest DJ for the night.

WHERE ARE THEY NOW?

Fabian Davey played in both the A Grade 1993 and 1994 Premiership teams and played for the club for several years in the 1990s. Fabian was a product of the famous Mallee

Park team in Port Lincoln that has produced many great players for the AFL. He was a champion player at Port Lincoln before coming to Port Augusta and he played no small part in both premiership wins and in 1994 kicked over 15 goals in the finals series and was a key player to our success. Fabian is now living back in Port Lincoln and works as a greenkeeper at the Mallee Park Oval precinct together with being Head trainer for the Mallee Park club. He was an apology for the reunion due to club commitments and we still don't know how old he is, we were sure he was the high thirty's when he played in those premierships!

SPONSORS REPORT

Great to see one of our Major sponsor's Paul Hancock from Complete Personnel at the recent Golf day and although his selection of team members in Buck Anthony Everett and Brett Pascoe did not help his cause of winning the title he had a great day. Also thanks to Blackwoods and Terry Gardiners Meats that supported the day.

Other major sponsors for the club have been important for us this year CWC Safety Consultants have assisted with the Guernsey and donations of goods for raffles and support the 4 Hotels that support us, Commonwealth Hotel, Hannahville Hotel, Pastoral

Hotel and Flinders Hotel who all served great meals and refreshments and welcome players and members at all times. Coutts Auto repairs have been reliable supporters of the club together with Flinders Ranges Used Cars who can do a great deal for you. Peter Huxtable, Harry Waterworth and others organise South Augusta Long Range Tips, South Augusta Racing Tips and South Augusta Footy Tips and these bring funds into the club each year and Big Chief Hire should be supported if you have big jobs around the home or in an industrial setting.

Blackwood's Manager Phil Jaeger, also a player had an interesting hit at the golf day when he slipped while hitting the ball with his club spinning 10 metres behind him narrowly missing a greenkeeper tending his roses. Phil was recently married to Lucy, a teacher from Caritas College, congratulations Phil.

BILLYS CORNER

Did you know that after 11 games South A Grade had kicked 124 goals and 113 behinds (237 scores) for 857 points (equal 3rd on ladder 45 behind West and 40 behind Lions). We have won 22 quarters, lost 20 and drawn 2 and in reply the opposition have kicked 107 goals and 107 behinds (214 scores) for 749 points (defence is best on ladder indications).

Who was the club South Hall of Famer who decided to buy his 3 granddaughters pancakes one weekend and went on a rare visit to McDonalds' for the drive by order. By the end of the order instead of ordering 3 lots of pancakes (each order is 3 pancakes each) he had ordered 3 lots of pancakes by 3 by 3 = 27 pancakes at a total cost of \$40!! He may know what **water** is **worth** but he needs to know what pancakes are worth!

The Football committee should stick to organise footballers and not catering after the recent effort at player's tea that was organised after training. Couttsy who was in charge of the soup managed to burn it giving the pumpkin soup a smoky taste, not liked by many players and Kean who was in charge of the hotdogs realised that half of them were frozen as the players were coming off the oval, at least the hot dogs were hot! Trevor White will be conducting a masterclass for the committee in the future.

Don't forget the members draw after each match, poor old Stan Chapman's did the other night, even though he was back in town from Qld, he was visiting his sister when his name was called out for the \$150 prize, an expensive dinner. Get along after the game this week it could be up to \$250.

Stephen Shirley, who played 2 season of Under 18s under the guidance of Boof Peter Rivers in the late 1990's has recently been appointed as Membership manager at the AFL in Melbourne and will leave in mid August. Stephen son of past player Brian Shirley was working with Port Power in the marketing and Media area. Good luck Steve and look out for a few new strategies on how to increase our membership! (\$30 for a family and \$20 for single if you haven't renewed this year)
