### **Management Committee report**

Nearly half way through the football season and a good win against last year's Premiers West has us in 3<sup>rd</sup> position with 5 wins and 3 losses and the win was especially sweet playing against a number of ex-Southies in the West team. The B's also had a close win against West and the Under 18s had a good win to top off a great day. Big games follow against arch rival Central Augusta and Port after the break with Seconds in second spot and Under 18s top of the Premiership ladder at the moment.

Please get along this Friday 6.30pm for a Special meeting to change the constitution. The meeting will look at minor changes that incorporate the wording of "non- profit organisation" into the document.

The club has a big month ahead off the field with the Players Karaoke this weekend, Darts Tournament on the 5<sup>th</sup> July, Port Augusta Cup DJ on the 6<sup>th</sup> July, 1994 Premiership reunion on the 12<sup>th</sup> July and the South Augusta Golf Open on the 20<sup>th</sup> July with sponsors and Vice presidents all invited to play and attend the function after the game.

**Picture of new complex progress so far**

Welcome to new South Augusta recruit Max McLachlan who had a good start against West Augusta. Max has been playing with the Port Adelaide Development squad and Under 18s and before that in Queensland and he will add to our depth required with the loss of Ben Trewartha and Tom Hamilton to long term injuries. Max's dad Colin McLachlan played in the early 1980's for the club and was a speedy wingman and on

baller. It's great to see his son playing for the club and we welcome back Colin, Mandy and family.

Condolences from the club to Bob and Peggy Nowak on the recent loss of their daughter Sonya and our thoughts are with them at this sad time. Sonya is survived by husband Michael and 2 children Heidi and Amelia.

After the first 8 games there have been some standouts as best players for each grade. Sporting pulse indicates that in the A Grade Mark Horner has been mentioned 7 times in the top 5 best players, Brock Laube and Simon Brusnahan 4 times and Jason Lukich, Jak Kerin and David Robinson 3 times. In the B Grade Adam Di Paulo has been in the top 5 players 7 times, Adam Bentley and Eugene Smith 4 times and Brett Jones and Tom Bolitho 3 times. In the Under 18s Caleb Ritter has had an excellent year being in the best players 6 times from the first 8 games, Todd Kaesler 5 times, A Stuart 5 times, Tom Hore, Daniel Glass and Dareyan Solomon 3 times. Sporting pulse which can be accessed on website link [http://www.foxsportspulse.com/comp\\_info.cgi?c=1-7308-0-289239-0&a=FIXTURE](http://www.foxsportspulse.com/comp_info.cgi?c=1-7308-0-289239-0&a=FIXTURE)

Congratulations to Riley Dunemann and Lucas Bendessi who both played their first A Grade game for the club in the recent win against Sollies.

**Riley and Lucas are pictured in the middle in the change rooms singing the club song after the win.**

The Canteen and BBQ Shed still need helpers, please contact Trish Noble if you can help whether it be cooking the BBQ or serving even if only for an hour

Many thanks to auctioneer Graeme Jones who managed to raise over \$2,500 from the players auction, 50% of which will go back to the club for football operations.

### **B Grade Report**

The B grade is travelling well sitting in 2<sup>nd</sup> position with 2 losses and 6 wins after round 8 we have played 38 different players through the seconds including 2 colts Harry Holland and Todd Kaesler who both played extremely well against sollys and the B graders who have been playing well over the last month are Brodie cox who has kicked 18 goals for the year Adam Bentley with 15 and Adam Di Paolo who is doing a great job winning the rucks for us, every week there is about 8 changes due to people working so we have a different team every week we play, which does make it difficult to have a settled side but we will work on that as we get closer to the end of the season but at the moment every player is having a game of footy and we still manage to win games. A special mention to Andrew Willis who came from Westys because he couldn't get a game he has now played in 4 games 2 of them against West in which we beat them and he hasn't played in a losing game, we have a great group of players in the Bs and we have to keep working hard on the training track to keep

the momentum going and win as many games as we can, we hope to finish the last half of the season as good as the first half and do the club proud. Cheers BLUEY!

### **U15's Report**

The lads have shown substantial improvement over the past few weeks notching their first win last weekend against Solomontown in the SGL. The game was a tight tussle but with our leaders in Slade Petry, Connor Dwyer and Marshall Stuart stepping up when needed and Quorn lad Connor McMillan kicking the sealer the boys managed to get over the line. Congratulations to them and well deserved after a few hard weeks of extra running and skill work. Watch out in the future as the boys are looking to use this momentum for the next few rounds! Thanks again to all of the helpers in particular Rose French as our tireless Team Manager and Andy Reynolds our Runner. I'm being careful with my thankyou's as I found- you give a bloke a rap and he goes AWOL. In our previous game against Lions the game had gotten underway when 5 mins into the 1st Quarter, Ricky Gill ran over to the coaches box explaining that he had just seen the program to see a junior match was on- we'd just assumed he had taken up his position in the box. Lucky for us I think we scored a couple of early goals so all is forgiven! Jake

### **Under 13's Report**

During the last week in May SAFC had five kids that participated in the annual SAPSASA carnival in Adelaide they were Will Waterworth, Angus McInnis, Shannon Stewart, Ethan Reid and Callan Warren. The carnival went for a week and we played 9 games winning 7 of them and finishing 2<sup>nd</sup> in our division (div 3) which means the northern side we were a part of will play in the 2<sup>nd</sup> division next year.

All five players applied themselves admirably during the 9 games on the field, playing different roles in different positions every game.

Between and after the games the kids stuck together mostly at west beach caravan park or a wade at the beach and were a credit to the SAFC.

It must be said that Ryan Morris the coach for northern was at all times in control and very fair in giving every player the same game time in different roles.

**Ethan Reid, Will Waterworth, Callan Warren, Shannon Stewart Angus McInnis.**

### **Under 9s report**

In the past 3 weeks the boys have been able to get a good win on the board, coming back from a couple goals down to get a win over the Central Red team.

The other 2 weeks were both losses to West & Centrals Black, which is encouraging, as we had the all the play for 3 quarters, just couldn't score a goal.

At training the focus as always is putting your head over the football and get yourself a kick. Once our kids win the ball, they are instructed to move the ball on as quickly as possible, and to kick it away from the pack the ball just came out of. The quick kick and finding space has looked good the past 2 weeks. Ryan

### **Catering Report**

Trevor White thanks those who helped out at last week's Volleyball function at the club and those who have helped in the Friday night teas in the last month including Mauleys Mob, Crab Claws and Couttsies Clan. Teas are averaging 40-50 every Friday night.

Player groups that cook after games are all challenging for the Trevor White Catering Cup and Trevor indicates that there are a few groups that are right up there with a chance, best groups so far are Dohnts Deep fryers and Laube Loafs and the Football Committee team, Coutts Caramel Tarts. The standouts in the Football Committee were surprisingly not Buck or Couttsy but Trevor said that Kerin and Snake Owens made the difference with their move to the customer service area providing quality food and a friendly attitude at all times.

### **Table Tennis Report**

Eight games into the season and Port Augusta refrigeration Eagles are showing why they have won 5 out of the 7 premierships since the competition started and are currently in top position. Best players for this year include Cyrus Wong, Dave De Gruchy and Wes Yates who all have winning percentages over 80% and in Division 2 Justin Bentley is performing well. In the juniors Tayla Carter is showing great form as a new comer and Josh Scurrah is another new player to impress. 28 Seniors and 12 Juniors play every Monday night and new players are welcome. Look out for an Inter town match against Jamestown in late July or early August. The club has requested the use of 1 of the basketball courts in the new complex and this is being considered for next season in April 2015.

## WHERE ARE THEY NOW?

Alan Cramm played for the club from 1982 to 1987 and came to Port Augusta as a teacher in the years when the club had quite a few teachers playing for it. Alan was captain of the 1985 B Grade premiership team and was a great character around the club at the time. Below is a summary of what he is up to now.

I will say that my biggest thrill was captaining the 1985 B premiers after we needed to win 6 straight to make the finals and then won all of the finals.

Biggest disappointment was 1987 Grand Final when we played Westies the day the Grandstand roof blew off. (The A's won I think). We kicked against the wind after it changed for 3 quarters.

In 1988 I decided to return to Adelaide. Despite popular belief I did not go on to win the 1990's version of "Australia Can Dance" despite being an absolute moral. I have to thank Messrs Keith Kelly and Gary Kernahan for developing this outstanding ability of mine, Keith for the encouragement and Gary for the 'catsquealers' and "headbonker" when I used to get tired.

I played football for 2 more years before the 'hamster' forced my retirement. In 1988 I decided to help a mate, by playing in the first side he coached. Like the Aldinga Sharks, we were hammered every week and we even had our plight shared on the SAFM radio over the time. I'm glad my mate decided to leave at the end of the year (or someone else decided) as it gave me a chance to play another year with some success.

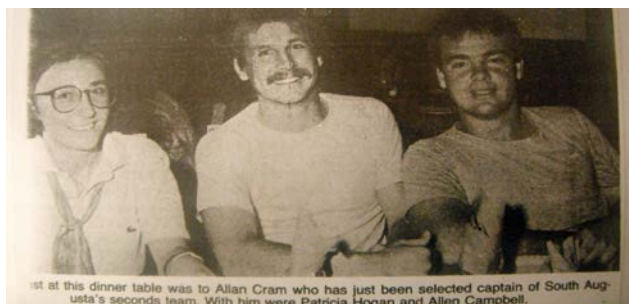

In 1989 I went back to my old footy club Morphettville Park who won the A Grade final that year, unfortunately without me. The dreaded hamster took me half way through the season, and even 3 legged dogs were speeding pass me by then.

After 7 wonderful years of teaching I tried my hand at sales and found success selling photocopiers and fax machines. This took me a few times to Port Augusta in the 90's. After 4 years of successful sales which included overseas trips as rewards I took on sales and branch management roles.

In 1994 I married Elaine and we now have 2 daughters, Ellie and Kate who are wonderful netball players and keen students at Mercedes College. In 1995 I found my way back into Education and I have had great joy for the last 19 years, helping to develop the Kumon Method of Education in South Australia. I have had the privilege of managing operations in South Australia, but also had 3 years as Branch Manager in Brisbane.

I am now in the process of developing a state of the art Kumon Education Centre at Oaklands Park in Adelaide. This will serve as a training centre for new and current instructors and will form the basis of future training for new Franchisees.

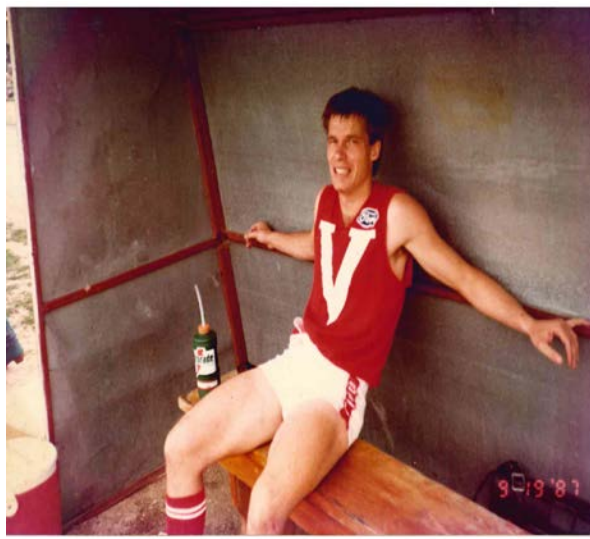

I look fondly at the great, fun times we had at Southy's and have thoroughly enjoyed the recent catch ups with the great people of the north.

## BILLYS CORNER

There were a few apologies for the South Augusta reunion in Adelaide recently with 3 ex players and officials being overseas which is good as it means they are going well. One of the best apologies was from an ex player, B Grade premiership player and A Grade premiership runner who was all set to join us after he coached his daughters Under 17 soccer team that afternoon. Unfortunately on the Thursday night he was not impressed with girls at training and their attitude and challenged the girls to a 100 m sprint only to twinge his hammy 20 m down the track. He couldn't join us at the Footy that night as he couldn't stand up for long period of time. I reckon he might have looked just like this picture of him taken at the 1987 Grand final. ( that day he injured his ankle)

David Allanson resting his hammy

Who is the long serving teacher who has finally landed his ideal job travelling the outback teaching children. Rumour has it he loves the outback so much he manages to stay out there longer by getting bogged in his 4WD on a regular basis. We hear that the dual A Grade premiership player is now **kering** more about the road conditions when he travels.

The membership draw is back to \$50 this week with a popular \$200 win to Peter Trewartha who also won big on the bingo machine on the same night. Peter good for a loan at the moment. Get up the club between 7pm and 8pm after the game at the club. This will occur after every A grade match and to win the money you must be present for the draw. The draw will jackpot by \$50 each week it is not won. If *won the draw will begin at \$50.00 and progress from there.*

Two 70 year old men, Charlie and Joe, have been friends all of their lives.

When it's clear that Joe is dying, Charlie visits him every day.

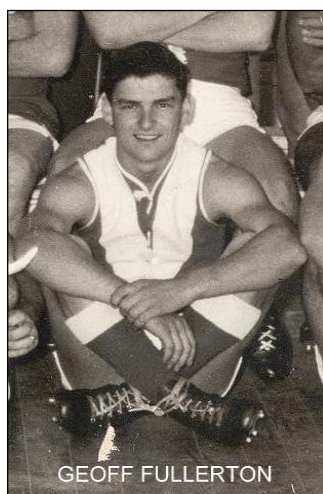

One day Charlie says, "Joe, we both loved football all our lives, and we played football on Saturdays together for so many years. Please do me one favour, when you get to Heaven, somehow you must let me know if there's football there." Joe looks up at Charlie from his death bed, "Charlie, you've been my best friend for many years. If it's at all possible, I'll do this favour for you." Shortly after that, Joe sadly passes on. At midnight a couple of

nights later, Charlie is awakened from a sound sleep by a blinding flash of white light and a voice calling out to him. "Charlie--Charlie." "Who is it? Asks Charlie sitting up suddenly. "Who is it?" "Charlie--it's me, Joe." "You're not Joe. Joe just died!" "I'm telling you, it's me, Joe," insists the voice." "Joe! Where are you?" "In heaven", replies Joe. "I have some really good news and a little bad news." "Tell me the good news first," says Charlie. "The good news," Joe says," is that there's football in heaven. Better yet, all of our old friends who died before us are here, too. Better than that, we're all young again. Better even, all the beer after the game is free. Better still, it's always spring time and it never rains or snows. Our wives are there too, and young and pretty as ever! And best of all, we can play football all we want, and we never get tired!!" That's fantastic," says Charlie. "It's beyond my wildest dreams! So what's the bad news?" "You're in the team for this Saturday".

### **FLASHBACKS 1964- 50 YEARS AGO**

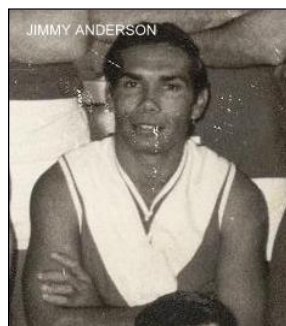

This continues the segment on the players of the 1964 premierships side and this month we concentrate on the centreline

**Geoff Fullerton- wing:** Life member Geoff Fullerton played 137 league games for South's from 1961 to 1972 and was a regular in Port Augusta representative sides. Upon his retirement due to injuries he acted as runner and selector and also PAFL selector. Geoff has also been involved in the Racing industry for many years and ran a successful butcher shop.

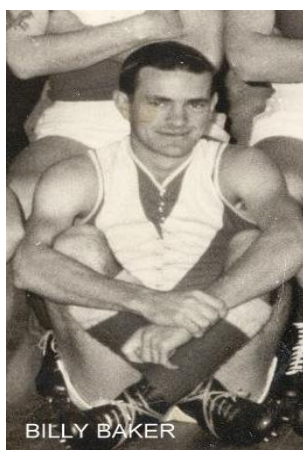

**Jimmy Anderson-Centre:** Jimmy Anderson played in the Centre and was amongst the best players in the Grand Final. He was recruited from Darwin for the year and they even flew him back from Darwin for the big game. He played in the Darwin league from 1954 - 1971 and was a legend in that league. The following is a profile of his NT football history. "A player who epitomised the courage and strength associated with his club's logo through the 1950's and 60's was Darwin Buffalo Jimmy Anderson. He played in nine grand finals for the Buffs, winning three premierships in 1962/63, 1963/64 and 1967/68. A tough on-baller, Anderson won the club Best and Fairest three times in 1957/58, 1961/62 and 1963/64, was twice runner up in the Nichols Medal in 1961/62 and 1963/64 and finished third in 1957/58.

Represented the NT five times from 1966 to 1969 and also played 2 seasons for WAFL Club West Perth. He coached the Buffaloes in 1960/61 and Wanderers in 1971/72. He was also a Buffaloes Life Member and NTFL Player Life Member. A true NTFL star of yesteryear and a worthy inductee into the AFLNT Hall of Fame."

**Billy Baker- wing:** The speedy wingman played over 150 games for the club between 1959 to 1972 and is a life member. Bill is also a life member of the Cricket club having captained a Premiership in 3 grades A, B and C Grade. Bill has also served on the Committee for many years and has been a sponsor of the club over a long period.
