

Management Committee

It has been 2 months since the clubs move to the new Central Oval complex and the Management Committee would like to thank all of the volunteers who have assisted over this exciting time including the various committees, including Football and Ladies, the tea roster gangs and of course the members, supporters and players . We admit that we are still finding our way and the club may still not be perfect but we are striving to ensure that we make the place your home and your continued patronage is importance to us.

Many thanks to the volunteers who supported the club at the Augusta markets recently with the club raising over \$700 at the BBQ. Many thanks to helpers for Market day on May 30 including George Welk for the ongoing use of the BBQ, Wendy Priestley, Jenny Grantham, Sue Magarey, Jayne Owens, Marcia Hartmann, Tyson Hartmann, Senga Reid, Andy Reynolds, Nick Bouilly, Michelle Smith, Terry Smith, Blake Smith and of course Simon "Snake" Owens who co-ordinated the day once again.

The patronage at the club during games has been great but with members watching the game from behind the glass, the footballers are missing the noise of barracking from the supporters!! We need the supporters to get out and barrack, blow your horns, get out to listen to coaches and encourage players during $\frac{1}{4}$, half and $\frac{3}{4}$ time break and cheer them off when they win. The players need your encouragement and support, especially when they are having a tough time of it, please get out there and support the team, have a beer at the canteen outside and of course get back to the club after the game. We can turn it around in the second half of the year with your support. **Get away from the Glass and get on the Grass!!**

The decision of Alinta Energy to close its Port Augusta and Leigh creek Operations will have a big effect on the club both with current players and officials numbering around 10-15 being affected in some way. It will also mean that there will be less apprenticeships available for our juniors coming through and there will be challenges ahead for the club in the years to come in the areas of sponsorship and membership as well. The move of Brock Laube to Port Lincoln due to work commitments is only the start of times ahead, only time will tell.

A new Friday night teas record of 146 meals for the new complex was set last week after a big night at the club, assisted by the players who came early for the State Country carnival. The "Twof team" was assisting on the night and whilst the 2 Twofs were sunning themselves in New York the other team members battled on to get the record, I reckon there's a message there!! The club managed to get through the night well with the efficient caterers on board at the club now. "Nathans Catering" and his team did a great job and the new menu seems to have been well accepted by the members. Nathan is always on the look out for other catering opportunities and he can be contacted on 0407603159 or headcatering@hotmail.com. Many thanks also to all those who picked up dishes from the tables and assisted the team in the kitchen on the night.

The Port Augusta Boxing club may have negotiated a move to the old South Augusta Clubrooms after they had to leave the town hall due to structural issues. The club has been in recess for over a month and were impressed with the facilities at the old club including the gym and area around the bar

which should be suitable until the club is sold. If they move they will share the facilities with the Table tennis club who play Monday nights still with over 30 members. Great to see the Boxing Club back in operation if it works out for them.

Football Report

Coach's Report: Firstly, well done to Daniel Glass on a pleasing first A grade game vs Lions and congratulations to Tom Hamilton and partner Kayla on the birth of their second son Lucas last week. Now onto footy.... The past 4 - 5 weeks have been a struggle for the A grade and have resulted in us losing games to West, Central, Sollies and Lions. We were simply woeful against West and similarly against the Lions and despite coming home strongly in a close loss to Central and blowing the game against Sollies (for the second time this year under a kick) we have not played in a manner we expect of ourselves. While certainly not an excuse for our form slump, we have had between 8 and a dozen of our likely "Best 25" out each week due to work and injury. A number of these players have been top tier and experienced players and our next group have struggled to adjust to the team's needs in games without them. Consequently the side has been shuffled around to try to find the best balance. From every negative try to find a positive they say and during this testing time we have been able to learn a lot about individual players (good and bad at times) and have discovered some excellent positional and match up options.

Brock Laube has continued to lead the way for the team this month, again winning the Player of the Month award. He is a warhorse for this Club and despite moving away for work shortly to Port Lincoln soon, has committed to completing the season with his mates, for his club. The consistency of Daniel Collins and Marcus Kerin has been important for us also and the continued growth of Billy Jo Martin and Dylan Barnett has been pleasing.

We have some hard work to do to set ourselves up again for a genuine tilt but please stay true to these lads as I feel the potential is there to do so.

I'm going out on a limb here but Henry Ford once said something like "Being together is a beginning, staying together is progress and working together is success". - This probably relates to Couttsy's kitchen group also! Reddo

The A Grade are currently in 6th position 1 game from 4th position after 3 wins out of 9 games. Best players for the year so far according to Sportingpulse are Brock Laube who has been mentioned in the top 5 players 7 times this year and others mentioned include Daniel Collins 4 times, Tom Carling, Simon George, Dylan Barnett and Marcus Kerin 3 times. Tom Hamilton has kicked 18 goals, our leading goal kicker in A Grade.

The B Grade are currently in 4th position, 2 games ahead of the 5th placed team. Best players for the year so far have been Adam Bentley, who has been mentioned 5 times in the top 5 best players and Tim Amos, Marcus Gill, Liam Dodd, Brett Jones and Daniel Glass 3 times.

Players dropping back from A grade have accepted it and played well and A grade spots have been visible to the B grade players which motivates them to perform. Dex has only used one U18 player to date which is excellent. There is good spirit in the team and some of that is due to Captain Marcus Gill.

The Under 18s are in 5th spot on the ladder, 2 games from 4th and will need a big effort to make the finals. Best players for the year include Daniel Taylor, Darrien Buzzacott, Josh Forrest and Trent Ritter according to Sportingpulse. Lionel Brown has been a good pickup for past two games for the team. Five Under 18s have been selected for intercity (Trent Ritter/Harry Holland/Daryen Solomon/Challan Stuart/Darrien Buzzacott). Three have been selected in the NAFC Country U17

(Trent/Harry/Daryen). Three in NAFC U15 Country U15 (Will Waterworth/Marshall Stuart and Chandler).

Fresh on the heels of last week's MAC SA Country Football Championships, a new MAC Road Safety Round will be played across country SA this weekend. It aims to promote road safety within regional SA where last year 68% of all road deaths took place. The initiative is part of MAC's "Game Changer" program and will provide opportunities for clubs to talk about what action they can take to reduce road trauma. Messages focus on sticking to speed limits, wearing seatbelts, not drink or drug driving and the consequences of poor decision making. In 2014 28% of fatalities involved speeding, 26% involved non wearing of seatbelts, 22% involved illegal blood alcohol concentration and 24% tested positive for illicit drugs.

MAC will introduce a new medal to be presented to the player judged to be the "Game Changer" in each A Grade game. It will be awarded to the player whose impact based on the decisions they make most positively affects the match outcome.

Visit www.mac.sa.gov.au for road safety tips including the new "Country Driving" resource.

Visit www.youtube.com/user/MACSouthAustralia for MAC's "Country Roads Need Safer Drivers" videos

South Augusta will be hosting a MAC Seminar on Thursday 6th August this year with players expected to attend and Jake and Daniel Collins will ensure that we have at least 20 players from the club. The club will receive \$200 if we get 20 players there and these funds can go towards the player's end of season trip so please support the night.

Some news from last week's Country carnival: SAFC participants and helpers were Cameron Redden assistant coach, Dex Kennedy and Nick Bouilly boundary umps, Andrew Black goal umpire, Peter Walsh trainer, Harry Waterworth Team management and Anthony "Hey Hey" anno who made a comeback and filled in at the last moment as team runner for the winning team (Glory hunter) . Plus stack of volunteers over the 3 days, well done club.

Junior Colts Reports

SOUTH WHITE UNDER 13'S: South White is currently 3rd on the ladder with 5 wins and 5 losses. It has been a very interesting season with heaps of improvements from a number of young men. South White have been working extremely hard on the track with their tackling, long kicking and encouragement of others. There have been three outstanding players this season Karmahl Buzzacott, Patrick Kennedy and Robert Highfold who consistently find the ball and do the team norms. We have 5 games remaining before finals and hopefully we can continue to improve and over this period. A big thank you to the Waterworth family (Jak, Jube and Colin) and all the umpires and supporters who continue to support the progress of these young men. Cheers Kieron Keeler

SOUTH RED UNDER 13's: We have been inconsistent with our efforts this season, and are relying too much on the same players each week. The emphasis at training has been to improve aspects of our game that have let us down in previous. Consistently the message I am sending to the boys is simple....Put your head over the footy and get a hold of it, and workrate.

Both Souths sides looked to be the 2nd and 3rd placed teams, however 2 bad weeks of results has seen West Hawks & Bloods show that we aren't going to have it all our own way. We both need to be better, if we are to challenge the unbeaten West team on a consistent basis. Best players through the first 9 games have been; Shannon Stuart, Hamish Lord, Blake Cooper, Dylan Weimer, Ethan Gade, Michael Collins, Thanks Strucky

Young Bulldogs play with commitment and courage in the recent SAPSASA State Football Carnival in Adelaide.

A number of young South Augusta boys from our under 13 teams were selected to train in the squad for the Northern SAPSASA football team consisting of players from Port Augusta, Roxby Downs and Quorn.

Five were finally selected to attend the carnival at Barratt Reserve during the week of 25th - 29th May 2015 and travelled to Adelaide with their families to compete with teams from across the state. The Northern team had been elevated from Division Three last year to Division Two this year and the lads found the competition at this level to be both exciting and challenging.

The team had a few narrow losses early in the competition, but continued to regroup with enthusiasm and determination.

Under the guidance of their coach Ryan Morris the players maintained their composure, and playing with commitment and courage they managed to stay in touch finally getting a draw and going on to win enough of their games to remain in Division Two next year.

This game experience at a higher level and exposure to teams from across the state will hold them in good stead in their local footy and also at the SAPSASA level next year.

Congratulations and well done to the young bulldogs who were selected into this team; Blake Cooper, Hamish Lord, Shannon Stuart, Ethan Reid and Tom Clancy. These boys played with true bulldog spirit and hopefully you will be seeing these young bulldogs playing a lot more in the future.

Golf Day 2015

Thanks to all that supported and attended the SAFC golf day for 2015. We had 25 players on the day which was good given that there were a lot of 'Southies' that normally participate unavailable due to holidays. A big thank you to the Port Augusta Golf Club and in particular Richard Earle who helped organise the event and even ran the drinks cart round to those players in need of a thirst quenching beverage. Now to the important stuff, the Blackwoods nearest to the pin went to Adam Grantham with an honourable mention going to Jed Waterworth who just about knocked off Gundles shot and apparently depending on where you stood on the green was unlucky to miss out. The Terry Gardiner Meats longest drive went to Feyne Kaesler. The converted Red Jacket this year went to team Barnett/Kaesler which was a fitting result as these are the only team I trusted to not deduct a few shots for the duration of the round. Once again thankyou and let's see you out for the Golf day 2016. Jake C

PLAYER MEDICAL FORMS

All SAFC players should have been issued with a 2015 Medical Form that included questions regarding personal Ambulance Cover. Eighty nine forms have been returned to date leaving another fifty or so to come back. Thirty five of them **DO NOT** have ambulance cover. As explained on the form ambulance cover is \$76 for singles* and \$151 for families* (as at 21/1/15). A trip from Central Oval to the PA Hospital could cost a lot more than that. Thus SAFC encourages all players to be covered and **WILL CALL AN AMBULANCE IF CONSIDERED NECESSARY FOR PLAYER SAFETY, EVEN IF THAT PLAYER IS NOT COVERED. THE PLAYER WILL BE RESPONSIBLE FOR THE COST.**

*see www.saambulance.com.au for up to date costs and application details.

BILLYS CORNER

Great to see a few of the Southies at the higher level going well, Caleb Edmead, son of 1981/83 A Grade premiership player Derek kicked 4 goals last week and made the best players for Central District A grade in their win against Norwood. Cam Ortlepp recently was named in the best players in the A Grade side of St Ignatius Old Collegians in Div 3 Amateur League.

The South Augusta Seniors tour of the UK and Ireland has finally finished with the Maules, Twofs and Shiris all back on deck now with stories to tell. The team survived the tour with only 2 boarding passes, a London oyster travel card, sunglasses and 2 duty free booze bottles getting lost at some stage but they recovered well. Look out for the slide night, should be a show stopper. They brought back a stuffed Lepicorn from Ireland with the hope of a bit of luck with injuries in the second half of the year.

Congratulations to West Augusta on reaching its 100th year, a great achievement. Unfortunately they managed to sign up another of our Premiership Colts players recently and we also managed to cut 2 other signings off at the pass at the start of the year, adding to up to 10 players already poached by the current coach over the years, a club sponsor. Might be a good time to give some of their own colts an opportunity, don't you think.

Congratulations to Life member Tupp McKerlie who recently turned 90 years of age, Tupp being involved with the Ladies committee for several years and she was involved with cutting the cake at

the last function at the old club. Well done also to Committeeman and another Life member Peter Huxtable who won a year's subscription to the Transcontinental newspaper after completing a Trans survey. He will now be able to enjoy his "Marine Report "which he regularly writes for the paper, look out for bigger and better articles now!!

South Augusta was again well represented at the Annual Port Augusta Cup day with most players behaving well, Dave Williams managed to gain entry to a financial advisors tent, he had a great day but he should have taken some financial advice to stay away, only getting close on a return on 1 occasion over the 8 races!

The South Augusta Football club offers it condolences to the Walsh family on the tragic death of Crows Coach Phil Walsh. The death has affected all football clubs within the State and they will miss his great attitude towards the game, coaching strategies and encouragement for all players to reach their highest level. RIP Phil Walsh.

Michael Heron (2012 premierships player) has been competing in Europe since the end of May, he has been competing in the 800m events, with a couple of wins a second and a couple of top ten finishes, and has achieved a P.B of 1m: 51: 55 sec , currently travelling around Croatia then onto England for a week or so before heading home, is keen to come home and catch up with the lads and watch a bit of footy, maybe play now that he is registered.
