### **Management Committee Report**

The club has had some good functions in the last month including the Family Day, Ladies Night, Adelaide Reunion and the 21<sup>st</sup> for Tim Amos, a current A Grade player, congratulations Tim and well done to the Ladies committee on some great fundraisers for the club.

The Club is calling for expression of interest from anyone interested in purchasing the land and clubrooms so we have started the next stage of our relocation. See Gary if you are interested in putting in a price.

The South Augusta Family Fun Day was held on Sunday, 27 April 2014 at Chinnery Park. The day was a great success with about 30 kids attending from all age groups getting put through their paces by some of Souths Senior players. Thanks to DD, Ryan Struck, Mark Horner, Brett Pascoe, Ben Twof, Hahns Brush and Sammy Maule, the future Souths A' Graders were given some invaluable advice to help them with a big season ahead! A big thanks to Adam 'Pigeon' Grantham whose face was plastered on the handball target giving extra incentive to the kids to put it through the middle. The kids also enjoyed a bouncy castle which especially helped the parents of young Angus McInnis burn through the enormous amount of energy he has. Thankyou to all of the volunteers who staffed the canteen and ensured a successful event!

The Past Players and Officials reunion in Adelaide went well last Saturday with a crowd of around 20 including names such as Iain Elliott, Mark Zindorf, Peter Smith, Peter Groves, Mark Shirley, Robert Rozee and Connor Rozee, Andrew Abbott, Anthony Everett, Scott Feltus, Peter Trewartha, John Duggan, Michael Dignan ( Qld), Pat Hynes, Graham Coutts, Simon Heath, Alan Cram, Patria Gough, Shaun Phillis and Alan Campbell. Discussions revolved around past victories and glories (mostly football related) and although numbers could have been higher with several apologies for the day if there is enough interested we will attempt it on an ongoing basis. Robert Fry another South player who played in the 1960's was an official at the Port vs North game and called in and bought a Centenary book and many made it a big day by following up at the Port vs Hawks game that night. Special mention to Mick Dignan who made a great effort from Qld to attend and the Prospect Cricket Club for their hospitality.

**Friday 30<sup>th</sup> May:** Blues Bros teas, choice of 2 soups, Fish, Snitzel, Steak and excellent salads plus icecream and topping for \$15. Cooks on the night "Trewartha Party"

**Saturday 31<sup>st</sup> May:** South vs Lions at Chinnery followed by Players Auction, get your syndicate together and buy your favourite player with the potential to win over \$1,000. Auctioneer Graham Jones with assistance from Mick Kerin and Simon Owens.

### **A Grade Report- 4<sup>th</sup> Position**

While the A grade form has fluctuated over the past month, with losses to West (20 pts) and Central (by plenty) and a 1 point win against Port at Pirie, we are still in the "four" with a 3-2 win-loss record and look forward to the opportunities over the next month to regain form and consistency. We were beaten to the ball against West, didn't maximize opportunities in front of goals and really couldn't get our game going. Centrals got out of the blocks early and while we had some very good passages of play it was a dirty day for us. Losing Chris Heron and Ben Trewartha to serious injuries certainly didn't help our cause. Our first half against Port the following week was very encouraging, keeping them goalless for the first half. A lack of discipline as well as a poor defensive workrate allowed Port to get back into the game but we held on to win by 1 point. We play Lions in Port Augusta this weekend and hope to repeat our Round 2 result. We will need to be at our best as they are a very fit, hard running side and are coming off a big win against West Augusta and I ask our boys for the same finals-like approach to this game as last time we met. Congratulations to Jak Kerin, Brock Laube and Alan Margatich for representing the SGL in it's 10 goal win over Whyalla at Port Pirie last weekend. All players represented the League with distinction. Cameron Redden

### **B Grade Report- 2<sup>nd</sup> Position**

It's been a great start for the B grade this year winning 4 out of 5 games that we have played in, so far we have played 34 players and we are trying to give every player that has continuously trained a game and it seems to be working ok, they are playing good footy and are running out the games quite well and we need to be consistent for the rest of the year, players to watch out for that are playing exceptionally well are Adam Bentley who will push for A grade selection playing CHF in the seconds Adam DiPaolo who has trained all summer and rucks for most of the game and is playing great footy, Eugene Joxy Smith a player who can play any position and can run like the wind and has the skill to go with it, we also have a few colts from last year who are holding their spots and playing great footy in the seconds which are Riley Dunneman, Tom Bolitho and Neil Campbell, we hope to keep playing the way we are for the rest of the year and keep backing the A grade up and having players ready for Reddo when they are required. Cheers Bluey!

### **Under 18s' Report- 2<sup>nd</sup> Position**

The 18s are travelling well at the moment although we are struggling to field a consistent team each week. This is due to some players being away and also we are

feeding players to the A Grade. Billy-Jo Martin is a regular in the A Grade, Dylan Barnett has played as has Caleb Ritter with Tom Hore waiting to get a run as well

Each week we are playing at least 3 players from the Under 15s so a big thank you to them as they have taken some pretty hard knocks and they keep putting their hand to play. So far we are sitting 2<sup>nd</sup> on the ladder and have played some very good footy so far.

Our best win would have been against Port as we were 6 goals down in the 3<sup>rd</sup> and came home with a rush to win by 2 points a truly great victory.

Caleb and Trent Ritter are both having a good season so far as is Harry Holland, Azriel Stuart, Todd Kaesler, Tom Hore, Jake Wilson and Daniel Glass.

We had 8 players play in the SGL under 18s on May 24 these included Caleb Ritter (Capt.), Todd Kaesler, Azriel Stuart, Daniel Glass, Tom Hore, Sabian Wilton, Billy-Jo Martin and Dylan Barnett all the boys played well. Ritts

### **U15's Report**

The U15's have had a difficult run of late, both Centrals and Westies have strong teams and some bigger bodies but none the less we have put in some very good efforts, with the lads adjusting to their first under lights night games. We had a first SGL game last weekend and the boys tried hard all day but were beaten by a strong Ports team. Leading the way so far this season have been co-captains Slade Petry and Paul Glass with good contributions coming from Stuart Dunneman, Marshall Stuart, Will Bolitho and Mitchell French. A big thankyou to Ricky Gill who has offered to time keep our SGL games even getting to Pirie a few weeks ago for a 9:15am start. Jake

### **Under 13's Report**

Training has commenced in April for the U/13s. There has been approx. 35 attend trainings.. Due to all clubs only nominating 1 team it has been agreed that each club will field 2 teams at 15 per side. This has reduced the strength of each team but all players will benefit by playing every game.. Jack Waterworth has stepped to the plate and taken on the second side being South White. Due to only 2 ovals being available to play games majority of games will be played on Friday nites before the U/15s.. This has pleased the netball mums and dads who can now watch all their children play sport.. Coaches are always looking for helpers so if you can umpire, run, assist at trainings or just be there for support please make yourself known to the junior coaches. Lee W

### **Under 11's report**

We have a squad of 28 players who are showing good signs of progress for the future, plus there are 10 first year players. We are currently working on skill levels, kicking, marking, tackling, and voice around the contest. There are still a number of players not willing to attack the ball which impacts on the team and senior players however with time they will improve. Senior players Harry Bolitho, Tom Clancy, Rex Waterworth, Ethan Reid, Robert Highfold and Kaleb Struck have had the

opportunity to play in the under 13's competition thanks to Lee and Jack and have applied themselves extremely well. Cheers **Kieron Keeler**

### Under 9s report

The Under 9's have played 2 games thus far this season. The first game vs West was a good start to the season. We had all the play, but were unable to convert all that play into goals. We narrowly went down in a great tussle. The most pleasing aspect of the game was the improvement of a handful of young men who were able to put their head over the ball and win themselves their own kick.

The second game vs Centrals Black was a quick lesson of being switched on to play Football, EVERY time you put a Football Guernsey on, you come to play Football, anything else is unacceptable. Centrals kicked 2 goals in the first 2 minutes of play. This Centrals side will be tough to compete with, which will ensure we work on a few things at training that will give us the best chance to compete with them. Ryan

### Ladies Committee Report:

Ladies committee has been very busy during the season so far. We have been meeting regularly to organize social functions at the club; with the latest function being a massive success.

Congratulations to the SAFC Playing Group for supporting our "Ladies Night", without the players' support and involvement this night would not have been possible. For all of the ladies and players in attendance, I think you will agree with me, that it was one of the best nights we have had in a long time! I still have a giggle to myself every time I think of some of the shenanigans that took place - one of the highlights was the impromptu performance of the fill in MC!!! We may not be able to get an MC in future if they hear what was involved so please keep this hush, hush!!!

For a group of lads who didn't want to take their shirts off in the beginning, it was funny to see how many extra waiters we had on the night! I think next year we will be able to get Johnston & Johnston on board as a major sponsor due to the amount of baby oil used!! Their product sales must have skyrocketed on that day!! But, what a dashing group of players we have at our club I must say and they really didn't mind being the centre of attention!

Players looked better than the real deal MANPOWER, 22 Players made themselves available for auction. Tom Hamilton and Brando Hurt went for over \$200..but the man of the night was a local Legend who bought in \$300 for stripping to his jocks and doing 10 pushups as requested. Each table had 2 players waiting on them except my table who bought 4 players..OLD COUGARS

I am sure a lot of the players were in their element strutting their thing... Apparently next year will be better when the real deals will be available ...Spindles and Ben Twof...and maybe Gilly ...

Future dates to put in your diary are *Saturday 28<sup>th</sup> June* - this has been scheduled as a Karaoke Night organized by the players. Come along and see if our playing group can sing as well as they can wait on tables!

South Augusta Football Club **RED & WHITE BALL** is scheduled for *Saturday August 16<sup>th</sup>* so put that date in your diary also. A band has been booked along with a

DJ to keep people of all ages happy with music selections. This will be the last **RED & WHITE BALL** in our current club rooms so let's celebrate the last one in style and prepare for the next phase of our clubs history - see you there!!

Ladies Committee Mothers Day Raffle results, 1st BLACKY, 2nd JENNY ,

All Silver and Gold sponsors are eligible for 2 Red and White Ball tickets this year so see Simon Owens if you would like to attend, we will contact you soon.

### **WHERE ARE THEY NOW?**

John Reid: Well life is a lot cruiser than years gone by but we are still busy with 5 grand kids and a " job" escorting overseas trips for Phil Hoffman Travel. This has enabled us to see a lot of the world we could never get to because of football and we really enjoy it. Justin now lives in Melbourne and we go over to see his two boys when we can . The girls Hayley and Kirsty live in Adelaide not far from us Hayley with a daughter and Kirsty with a son and daughter. We live at Glenelg and go to the Crows games When we can and I do a few odd things for them from time to time but generally I don't get too involved -- had my time. Still follow the Panthers and enjoy going to the local footy. We catch up with the Shillabeer's at Christmas when they are down and see Sully and Grovesy from time to time Cheers JR

## **BILLYS CORNER**

Big thankyou to Sue Twof and her team on the Ladies Committee. They organised a very successful Ladies Night raising lots of money for the various committee's at the club and having over 100 women in attendance! Most of the footballers provided good service to those on their table however, a few went missing during crucial parts of the evening and may require some training. Word is there are already a few lads hitting the gym in preparation for Ladies Night 2015.

Which Souths player was advised by a team mate that Finalgon cream would give a healthy glow pre player auction for the Ladies Night. Fair to say the healthy glow soon became apparent as it looked although the player fallen asleep down the beach on a sunny day.

Keep a look out for the South Augusta Golf Open on the 20<sup>th</sup> July as there are many players who have yet to grace the Red jacket and are keen to be recognised on this prestigious event , look out for Liam Bury who has been well trained on the challenging Quorn course and will be one to watch this year.

Southies at the higher level: Jared Rivers continues to perform well in the Geelong team and has settled in well in the backlines, Darren Shillabeer has kicked a few goals for the North Adelaide B's as well as doing a good job in the backlines when required. Caleb Edmead kicked a goal in the last weeks loss in the Central District A's and is holding his spot and in the juniors Cameron Ortlepp is playing for the Norwood Under 18s , Craig Shirley has a game for North Adelaide Under 18s last week and Connor Rozee has also played in the North Adelaide Under 14s recently.

The membership draw is up to over \$100 this week so get up the club between 7pm and 8pm after the game at the club. This will occur after every A grade match and to win the money you must be present for the draw. The draw will jackpot by \$50 each week it is not won. *If won the draw will begin at \$50.00 and progress from there.*

Condolences to the Collins family on the loss of their mother Barbara. Son's Paul and Michael both played for the club in the late 1960's and 1970s and together with other family members we offer our thoughts at this sad time.
