Management Committee report

As everyone should have been aware a planning session was held at the club on April 4, it was facilitated by Greg Fisher from Clubs SA, only a handful of people (11) turned up to have an input into the day.

There was plenty of notice and we even had people ask prior what the planning session would be about, as the planning session came about as a result of the last AGM where it was made clear to the Committee that the Members expressed a desire to hold a review/planning into the club, it was surprising to see the lack of interest shown, however from the planning session notes were taken and ideas were thrown around from the members present, a brief outline of what was discussed is detailed below.

Over the next few months the Committee will get together to identify our Strategic Plan, Mission Statements and the like and identify the need for policies and procedures, as they are ratified the members will see them in the newsletter and or our Facebook page.

A S.W.O.T analysis was done on the Footy side and the Admin side, for those that don't know what SWOT stands for S = strengths, W=weakness's, O=opportunities, T=threats

Under the footy side

Strengths - Location, Success, well run Junior grades, family orientated, facilities and volunteer involvement

Weakness's - attitude of some players, need to share workloads, negative comments

Opportunities - the promotion of junior footy, diversify with other sports, increase the profile of South by attaching South to positive publicity

Threats - Employment for players within PA, loss of players, breaches of rules of Footy eg: salary cap breach

Under Admin side

Strengths - Volunteers, structured events, family involvement, friends within the club, no pokies

Weakness's - the need for JD's or Roles, the need for succession planning, burn out, direction, no pokies, tab or the like, identifying access

Opportunities - facilities , attract more people,

Threats - Lack of games at CO, other licensed venues

From the night a few things were highlighted as priorities

Prioritise Mission Statement, Strategic Plan, JD's , Succession Plan, work on some marketing,

General points

Well-structured and well governed clubs are successful clubs

Is what we do currently "the best for the club or is it best for you" do we have members that don't like change or resist change, or say things like "I'm" doing it this way because that's the way "I" do it, is what they do the best outcome for the club, What is a club ?, What type of club are we ?

Promotion of the club, what do we or can we do , can we tap into the tourist/motel or caravan park market? Presidents lunches??

Liaise with other groups about holding their end of year functions at the venue and South organise it

A few things to think about, the Committee has an open door, if you want to discuss anything please contact a Committee member .

Ps If anyone would like any merchandise please give Judith Barnett a call or email and Salad making is on Thursday night from 5pm at the club if anyone is available to help.

Regards Management Committee

Football Operations report

Two games into the season, one loss to West Augusta and a good win against arch rival Central Augusta and indications are that it will be a very competitive season in 2017 with all teams improving their lists. Ports will be difficult particularly on their home ground and this will be a danger game this weekend regardless of the fact that they were well beaten last week. Congratulations to 2017 co-captains Adam Grantham and Caleb Ritter who were appointed before the first game and new B Grade Coach Marcus Gill who has notched up 2 good wins against very good B Grade sides.

For an update on the team's performance and best players so far this season.

Trial 1 was a six quarter game against Jamestown/Peterborough was on 8 April.

Jamestown/Peterborough came from behind scoring 11-11 to 11-17 (6 point loss).

Trial 2 was against Kimba in Kimba on 22 April. A six quarter game saw the likely A Grade teams matched up for the first three quarters with the scores finishing South 13-9 to Kimba 8- 1. Many of our players continued to play and others took to the field for the first time. Kimba played their B Grade side. After three quarters this score finished at South 17-7 to Kimba 1-3. It was an excellent final hit out for our players.

Congratulations to several players who have made their A Grade debuts so far this year including Curtley Warren, Josh Ackland and Gary Warren and several players who have made their senior debuts this year.

Chris Heron will play his 200th club game in the next game he plays. Chris started playing senior football in 2002 after coming through the junior colts and he has played 175 A Grade games and 24 B Grade games. Chris played in the 2006 and 2012 A Grade premierships teams together with the 2015 B Grade Premierships. Chris is known as a fast half forward, wingman or on baller with an uncompromising attack on the ball and goal sneak and although playing in the B's at the moment due to work commitments he would not be far away from an A Grade spot after last week's game, featuring in the best players. Congratulations Chris on achieving this milestone and all the best on the day.

Other players to congratulate have been Caleb Ritter on this 50th club game in the first game and Rowan Frick will play his 50th on this next match. Adam Grantham is 2 games away from his 200th A Grade game for Souths.

SAFC COLTS TRAININGS FOR 2017

U15 Mondays and Wednesdays at 430pm (Braddock Park)

U13 Wednesdays at 415pm (Braddock Park)

U11 Thursdays at 430pm (Braddock Park)

U9 Thursday's at 430pm (Braddock Park)

The mixed U11/U13 trial game on Friday 21 April was a huge success. Twenty eight players played in front of an excellent crowd which was a great result in the middle of the school holidays. It was great to see ex U13 Tyson Hartmann play as he spent some of his holidays back in Port Augusta. Thanks to U13 coach Matt Millard who suggested the idea and to Patty and Ray Willis (U11 coaches) for their involvement. Thanks also to Nathan at Head Catering for cooking up hotdogs for the teams and to Scott Franklin for supplying drinks. A significant percentage of the 104 meals served this night were due to this great club initiative. Stay tuned for more.

WOMENS FOOTBALL

A disappointing six players turned up for the first females football match for 2017. Hopefully the turnout will be much greater for the other two planned games. They are Round 8 Sunday 25 June and Round 11 Sunday 23 July (both played during half time in the SGL A Grade matches set for those two days. All interested women and girls are invited. It does not matter what team you follow just turn up and play and spread the word please.

PA SPECIAL SCHOOL COACHING CLINIC

Port Augusta Special School have asked if we could hold a coaching clinic for their students as they missed out when the Crows were in town. Subsequently if you can get to Braddock Park from 330pm on Wednesday 17 May to support this initiative (wear your red and white) and give these students a great SAFC experience please do so.

During Round 2 last weekend (double header v Centrals) we invited all our volunteers (past and present) to the club as acknowledgement of their contributions to SAFC sometime in the past 104 years. It was a success and will become an annual event.

Volunteer Recognition Round (Source Transcontinental Newspaper)

REIGNING premiers South Augusta Football Club held its first-ever Volunteer Recognition Round in the second round of the 2017 Spencer Gulf League on May 5-6. With National Volunteer Week celebrating volunteers across Australia from May 8-14, South Augusta took the chance to recognise past and present volunteers throughout its 104-year history. Bulldogs' Football Operations Manager Michael Kerin said the event was a chance to give all of the helpers 'a little bit of a pat on the back'.

"The volunteers that are here at present time build on the legacy of the women and men that have gone before us so that we've got something to pass on to the next generation of volunteers," Mr Kerin said. "No club in country footy would exist without volunteers and we're 99.9 per cent volunteers, ranging from the president, down to the committees, coaches, parents, scorers, timekeepers and bar staff. "There's a little bit of downtime for some people during the summer time, but for some of the people it is a 12-month role here."

South Augusta is a pokies-free club, increasing the importance of fundraising. No club in country footy would exist without volunteers. - South Augusta Football Operations Manager Michael Kerin

Wendy Black, who has been involved with the club for 12 years, helped reinvent South's Ladies Committee 10 years ago, which organises fundraising events such as the annual Red and White Ball. Wendy said passion is the most important trait for a volunteer. "You make new friendships and you help support the club. You work as a team together," she said.

Ricky Gill first joined the Bulldogs about 40 years ago as a player, before becoming entrenched in the club when his sons began playing junior football. Ricky now spends about seven hours on weekends working as a timekeeper for the club, but would not have it any other way. "I do it because I love the atmosphere at the club and the friendships. It's an enjoyable job I think," he said.

90-year-old Bill Applebee, who has contributed to the Bulldogs for 72 years in roles such as player, trainer and committee member, said volunteering requires no trade, just time and love. South Augusta volunteers were rewarded with their ideal gift during Volunteer Recognition Round - victories in both the A and B grades against rivals Central Augusta.

AUGUSTA MARKET DAY BBQ

Saturday April 29 produced some perfect weather for the Augusta Markets BBQ. We've been doing this for about 5 years now as it is an opportunity to fundraise that is too good to let slip by. Thanks to the volunteers listed below who worked hard to supply everyone with the best steak sangas, bangas and bacon and egg sandwiches in town.

Much thanks must go to Ron Surman and staff from Port Augusta Meat Store. We requested to be directly outside of his shop as usual, which makes life easy. Having a BBQ outside a butcher Is like setting up a brewery next to a pub - makes sense. Ron always looks after us as one of our long term sponsors.

George Welk once again lent us the Undercover Markets BBQ which is a valued contribution and Kevin Hillard from the footy league sourced a second BBQ as backup that cut customer waiting time down to zero. We did not stop from 8.00 am until about 1.30 pm and had many satisfied customer customers. As usual we even had time this year to sell some "home deliveries" to other store holders. In a nutshell we sold about \$1500 worth of produce with a clear profit of well over \$700. That's a lot of steak sangas. We even had some soft drinks left over to donate to the colts. The next Market Day is in late November. Watch this space.

THE TEAM

The following people need a real Bulldog pat on the back for their help.

Pete Trewartha, Lorriane Frick, Sue and Andrew Magarey, Mark and Julie Shirley, Brett Johns, Matt Millard, Jak and Jed Waterworth, Craig Ritter and Phil Brown.

Simon (Snake) Owens did a great job organising the catering event.

Past players and Officials Adelaide Reunion

Saturday 5th August Plympton Football Club, 12 noon onwards

Get along and meet with South Augusta past players and officials in the Plympton clubrooms, bar and food available, stay for tea after the game, Plympton will be playing on the day, no cost to attend. All welcome including those in Port Augusta and Adelaide. Showdown match the next day in Adelaide.

The 5th of August is also Plympton Sponsors Day at the Football Club while the game is on and in the evening they have their Major Function for the year "The Reverse Raffle." Last year's inaugural Reverse Raffle was a huge success and a great night.

Basically it's \$100 per head and there is around 70 prizes including 2 big screen LCD TVs and a 1st prize of around \$4k cash. They spend the evening drawing numbers out and the last ticket holder gets the cash.

South Augusta supporters are all more than welcome to join in and our major sponsor All States Construction has agreed to put a few beers on the bar as he did last time.

BILLYS CORNER

Sad to hear of the death of Terry Duckford recently. Terry was a great player for Willsden and dominated the full forward position on several years for the B Grade kicking over 100 goals on several occasions. Terry is the brother of Rodney Duckford who played in the 1991 A Grade loss to Central Augusta in the Grand Final and he was also a great player. Condolences to Rodney and his family at this sad time.

Kym Maule have had some recent success with the bowls winning an important trophy and Peter Trewartha had to take his wheel barrow to the recent bowls presentation night after cleaning up in several areas , well done lads. Snake Owens is also claiming a few wins with his syndicate and Vidorra who in the last month who has won at Morphettville and only last week finishing second in a 1 million dollar race. Not sure how much money Snake gets out of this but the lads were pretty happy at Winners bar recently. Snake indicates that the trainer has said he will be in the Goodwood Handicap another group 1 on Saturday 20th May and fingers crossed she will be going to the Stradbroke Handicap in 10th June. Keep a look out in the racing news.

You guessed it Snake has the plate in his hand and on the far left is Adrian Batten who has played for South in 1992 and was a footy umpire in Port Augusta , now based in Mt Gambier .

James Boles was addressing the lads at halftime mark at the trial match at Kimba. "Well done lads" he said "and in particular well done Tom Hamilton for a great quarter". He looked seriously at the lads "why you think Tom is getting so much of the ball lads, he said. No answer. James then looked at Brett Jones. "BJ why do you think Tom is getting so much of the ball". BJ without hesitation said "Because I'm kicking it to him James" followed by much laughter amongst players and supporters who were listening!!

Great to see a few milestone birthdays around the club. Congratulations to Leanne Maule on her recent 50th in Bali with friends and family, South stalwart Gary Grantham on his 60th, old supporter and volunteer Don Gourd on his 90th, I bet he's glad to get some night's sleep after the clubs shift from his street 2 years ago and look out for Coutts 60th in the future, it won't be a quiet affair!!

Great to see the SGL honour those who served in the wards on ANZAC date .If you want to look up some of the players from south who served in the Army, air force and navy go to the website.

Click on <http://www.communitywebs.org/SAFC/main.php?pid=73>

If we have missed anyone please let the club know and we will update.

Great to see South Augusta junior Connor Rozee doing so well in Adelaide. After making the move to Adelaide he has featured in the best players for North Adelaide Under 18s this year and was selected in the Australian Under 17 team squad as part of the NAB AFL Academy.

The team returned to New Zealand shores to take on the senior NZ Hawks national side in a one off game at Westpac Stadium on Monday the 24th of April. Ex South Augusta player Darren Shillabeer recently kicked 7 goals in the Barossa league match for Barossa districts.

South's new trailer which has not been used as yet was given some signage recently and is ready for action. Obtained through a Volunteers Support grant of \$3,000 the trailer will be used to assist with transporting the trainer's gear, particularly to Port Pirie and many thanks to Yucka Barnett who arranged the job on the signage, the company "Signs One" and Megan Collins at "Crossroads Concepts"

Many thanks to those who contributed to the Club newsletter including Nick Heron, Michael Kerin, Judith Barnett, Simon Owens, Jake Collins
