

**BOUGHT TO YOU BY THE SOUTH AUGUSTA MANAGEMENT COMMITTEE
SOUTH AUGUSTA 100 YEARS IN 2012**

The first game for the A/B / Under 18s will be this Saturday the 30th April with the first clash against Lions in Port Augusta. Newly appointed South Augusta Football Club coach Ryan Struck is hoping to build on last year's success by bringing a host of young players to the fore. We narrowly missed out on the 2010 premiership, losing the Spencer Gulf Football League Grand Final to Central Augusta after finishing the season top of the table. Struck also starred last year, jointly taking out the league's top individual honour - the Madigan Medal. This year the player says he wants to hit the new season with the help of some exciting young talent. But he says the measure of a successful season will not be judged purely on whether the team win premiership title number 13. (Trans 2011)

Ryan Struck ready to go this week as both as player and coach.

What a great day that South organised with the trial matches at Quorn 2 weeks ago with teams from Orroroo, Lions, Central and South competing with South not losing a match. The bar was well supported by South patron's who were out on force to support the club in the trials. Many players were tried out with many competing for spots in the first game.

Many thanks to Kean Parrington who organised the day with great help from the other Football Committee stalwarts, Couttsy, Gazz Kernahan, Peter Huxtable, (BBQ Cooks) Spade Elliott, Deb Coutts and the girls from Souths . Well done to all involved.

A \$200 donation was given to the Quorn Sporting Club after a bucket for donations was taken around and proved South commitment to the Quorn connection now and in the future.

MEMORABILIA FOR HISTORY

The 3rd meeting of the 100 year anniversary has been held with the date set for the big day next year being 25/ 26th May 2012. Make sure you keep this date free for a great weekend starting with teas on Friday night if you arrive early. The committee has mainly been working on the book initially and ideas to make the year a big one for the club including a big show on the Saturday and Guernsey Auctions etc. If you have any football memorabilia that you could copy or give to the club please see Harry Waterworth , Secretary of the 100 year Committee Jarrod Waterworth or chair Robert Bowman or email back Shirls on this email.

Well done to the boys on a great win and the hard work by both

captains Geoff Benfell, Wes Yates and Tyler Tennant assisted by Chris Drew to ensure that 2 B grade teams worked effectively in 2011.

LADIES COMMITTEE

Well done to all the ladies involved in helping the ladies Committee at the Quorn trial match with most of the pastries sold out early, look out for announcements of shows in the near future.

COLTS REPORT

Announcements of colts coaches this year are Under 9s Keiron Keeler, Under 11's Lee Willcock, Under 13 Andrew Reynolds, Under 15s Michael Curley, some games start in the first week after the school holidays on the weekend of the 6th May with the Under 15s starting on Friday night, we wish them all the luck in 2011.

The U9s training has started and commenced on Thursday April 14th at Braddock Park. At this stage games will possibly commence Sunday May 8th. Kieran Keeler has agreed to coach, but will need some help. (His job requires him to be on call at any time) There have been several parents who have indicated they are willing to help out, so should not be a problem. Under 11's and Under 13's have also started so if your keen on a game get along to training.

Would you like to donate to the club juniors. The football club is a non profit organisation which has limited access to funds as it does not have poker machines. The club would like to encourage more youth into the game particularly those disadvantaged in the community. The club would provide them with structured coaching and mentor support to improve self esteem, fitness, social experiences and a possible pathway to higher level success. **How will the funds be used?** Funds will be used to pay for football boots, footballs, uniforms, coaching to support youth who wish to participate in Aussie Rules Football in Port Augusta. Any donors will be recognised as sponsors of the club if required..

You will also be able to obtain a receipt for your donation. Let the club know if you donate and would like a mention in the sponsors area.

Billy's Corner.

President Gary Kernahan may have some mediation sessions coming up after recent issues at the club. Club stalwart Kelly Grantham recently came into the club and noticed Past President Peter Huxtable sitting in "his" chair ". Without hesitation Kelly decided to move over to the other corner of the club, the "Bert Skinn corner", now vacant after several years, Franko and others followed him over and there was standoff for several hours between the normally friendly group. An incident report has been completed.

Ex Premiership coach and A Grade Fairest and Best Peter Rivers was a great ruckman for the Club but is lesser know for his kicking prowess, once mentioning that he kicked the ball out of bounds when the club needed a point to draw the game and a goal to win. Peter recently mentioned how he used to apply resin on his hands to get a better grip on the ball for marking, a regular occurrence in the late 70's by footballers at the time. Peter mentioned that one day he applied too much to his hands and when kicking for goal the ball stuck to his hands and he had an airy!!!. Peter also mentioned that he was the only player who refused to go into the Central oval toilet in the changerooms after Coach Reid ordered the players all in for a blast after a loss to the bottom side in 1980. Funny he wasn't at the club in 1981!! If you have any other funny stories about past footballers please let the 100 year committee know as we need it for the book.

You have to feel for the Kangaroo supporters after 2 visits to Perth in the first 5 rounds when Collingwood supporters get to stay at home. Heard that some Collingwood supporters think that the Nullaboor Plain is an "Indigenous woodworking tool."

Past player Greg McAtee and bookmaker was seen at Oakbank races recently stating that he had not a great day on Saturday but I'm sure he recovered by Monday night. Greg quickly mentioned that he didn't get a mention in the 100 games list at Souths, so we'll check that out, let the club know if any of the other records need to be changed.
