

BULLDOG BULLETIN JULY 2010

BROUGHT TO YOU BY THE VICE PRESIDENTS CLUB

Sponsors report

Thanks for including us on your distribution of the Bulldog Bulletin, Jetset has been supporting South's under 18's for many many years and we will continue to do so, and now I would like to offer your club a chance to receive more benefits from Jetset.

I have put in place "membership rewards" so for every member that purchases a holiday from us we will allot gift vouchers to the value of \$10 per person for holidays up to the value of \$1500 and \$20 per person for holidays over this value, these will be collated on an annual basis 01JAN – 31DEC and presented to your club at the beginning of each season by way of Gift Vouchers.

These vouchers can be used at the discretion of your club, player rewards, raffles, however you want to make the most of this fantastic offer so get your fundraising committee on to it.

All your club members have to do is present their "valid" membership card to our consultants at the time of booking and we do the rest, to get the word out there we will also be back dating this offer to 01 January 2010 so if any of your members have purchased flights or holidays from us this year tell them to call into the office with their card and we will locate their reservations and start building towards your bonus for 2011.

Any questions please contact me, I see this as a great opportunity to put back into the clubs who's members choose to support us.

Locally owned since 1985 and proud to support our local community.

We are currently experiencing a high volume of bookings, so I do encourage you to call ahead for an appointment this will ensure a valuable member of our team is available to assist you at the appropriate time.

Past players Reunion Saturday 7th August: past players from the 1960/61 and 1962 years have been invited back to the club to celebrate the 3 B Grade premierships that won during that time. Rumour has it that Past President Jim Brandle will be travelling from WA to attend so get along and meet your old mates. Teas at the club start at 6pm.

Coming up Friday 13th August "Sydney Hot Shots" one for the girls. Get your group together for a girl's night out. Players are barred from being Table attendants as they have a game on the Sunday, so bad luck boys.

The South Augusta Football Club wish to invite you as a Vice President and sponsor to the Vice President function, Saturday 21ST August, Central Oval, at the match South vs Central. 1.30pm (roped off area near scoreboard), to help us celebrate a win for the A/ B/Under 18s grades, Free beers, refreshments and lunch provided, we would love to have you there, we would like to thank you for your contribution in 2010 and hope you are on board in 2011.

Management Committee Report : Great to see some great shows at the club over the last months with the Hi-voltage ACDC band on the 03/07/10 with over 150 attending, the first players review for 10 years discovering some great talent within our ranks and the recent South Augusta Red and White Ball also bringing a great well behaved crowd of over 150 .

The club was successful in obtaining a grant for a projector from the Commonwealth government recently. The projector was approved under the volunteer support grant and will be used for volunteer training but I'm sure it will come to good use projecting football games and DVD's of past premiership glories. Look out for it in the next 2 months.

The club is holding a Busy bee Sunday 8th August: If you can help out in a skilled or unskilled manner between 10am - 2pm we would love to have you along, see you there and help out the club.

The Gym extension at the club must be completed by the 30th September or we send the money back so if you can help out in any way please see Val Waterworth or Andrew Reynolds as soon as possible. Dr Andy Kilcross will commence his Drinkwise talks at the club this week with the Under 15s after the game on Friday night, with a message of alcohol awareness for the future, come along if you wish to have a listen, around 8pm at the club. The seniors talk will occur in mid August.

Football Committee Report : The A Grade are currently in top position by one game after a mixed last month with 2 losses, 1 draw and a great win against Central last week. It's always an enjoyable win against Centrals especially with them taking 4 of our players at the start of the year. The A's must keep up the form as both Lions and Wests are breathing down their necks. Long term injuries to backman Simon Brushnahan and Corey Finlay together with suspension to Scott Feltus will test our depth coming into the finals. The B's are not travelling all that well at the moment at bottom spot with 1 win however credit must go to the Coaches Mark Austin and Matthew McInnis and players such as Damien Bolitho, Webb, Little and Chris Grantham who have stuck at it all season. Let's get out their boys and put pressure on the senior team, there will be spots up for grabs. The under 18s are in equal second spot and should make the finals if their form continues, Morse and Hilder having some good recent form.

Colts corner :The Colts are back after the school holiday break with the 2 Under 15s teams sitting in 2nd and third spot, Under 13's around 3rd spot and Under 11's and Under 9s travelling well towards the end of the season.

The Family day went well with a good crowd of under 9s and Under 11's attending, many thanks to Michael Curley, Jason Di Paulo, Trish Noble and Andrew Reynolds and other parents who helped organised the day funded through the Drinkwise grant. Also many thanks to players who turned up for the Colts Coaches clinic after the players review which was a brave effort.

Well done to Robert Laube who coached the North Adelaide country under 15s side to a Premiership at AAMI stadium last Friday. South players in that team were Marcus Kerin, Clayton Milera, Slade Laube, Darcy Noll and Lachlan Forward. The Under 17s team also won the competition competing against other League country sides with Jack Menzies, Tim Amos and Gary Warren all playing in that team.

Letter to the Editor

Many thanks to south members who made generous donations towards my mighty marathon walk with the donations going towards the Cancer Council SA. Walking past the cemetery we yelled out to "Fully' but the buggler didn't answer probably too busy having a beer and trying to back a winner. The walk was in memory of Darryl, I think he would have been quite proud of our achievement. Back up team consisted of Dexter Kennedy, Mark Shirley, Ceri Nicholson, (who nursed Darryl) Lyn Martin, Wendy Finlay and Dianne Grantham (Fullys Followers) Final amount donated \$2,010, Thanks once again, Vicky.

Volunteers Report: Kym Austin who did a great job with the players photos above the bar and Kean and Coutssie must be commended on their work to organise the ACDC concert which was a great success.

Players Tea update; Rumour has it that Herons Hotheads still leads the Masterchef award closely followed by Kernas Cooks , see Whitey for details. \$100 voucher to be won.

ARTICLE ON SOUTH AUGUSTA COLT ON INTERNET

BY HIS own admission, Rostrevor College Year 10 student Gary Warren is a quiet Port Augusta boy who prefers to let his football do the talking.

And after just three First XVIII matches, the 16-year-old footballer's performances are speaking for themselves.

Warren, who models his game on Hawthorn's indigenous star Cyril Rioli, has kicked 13 goals, including a seven-goal haul on debut against St Peters on June 5.

``It was amazing, especially to kick seven goals at a high level like this,' he said.

``I got a lot of the ball and the bloke I was playing on said I was too quick for him.''

Rostrevor's scouts identified Warren during last year's SANFL under-15 state championships following a handful of standout performances for North Adelaide's junior country side.

In January, he joined the school's Indigenous Sporting Academy, which gives sports scholarships to indigenous students from all over Australia so they can complete Year 12.

He lives on campus with his good mates, fellow Aboriginal First XVIII players Keiffen Turner and Jordan Wilson and dozens of other students.

``I've grown up here - I'm not a little kid no more. I had to learn to wash dishes and clean my own room, pull all your clothes out for washing on Sundays.

``Studies are going good. It's still a little bit hard but I'm getting through them.''

Warren said leaving his large, tight-knit family was difficult.

But to help him cope with homesickness, his mum Marsha has come down to watch some of his North Adelaide under-16 games and his uncle Aaron made it to his First XVIII debut.

``I go up there (to Port Augusta, when I can). I go visit my aunties and play with my little brothers.

``I always get nervous when I go home because I can't wait to see my family.''

Warren said he hoped to make North Adelaide's under-18 side next year, push for state selection and make a name for himself at Rostrevor - on and off the field.

``I want to be a leader for my family.

``I want my younger brothers to do what I do - go to school and get a good education. I want to make Year 12 and finish it ... and I want to try and make AFL. My family would be so proud of me.''
