GET BACK TO SOUTHS FOR THE 100 YEAR CELEBRATIONS ON
THE 25TH MAY-27TH MAY 2012

Management Committee.

Welcome to the start of the 2012 Football season and the boys started off well with a good win against last years Grand finalists Ports in Pirie after being down by 4 goals leading into the last quarter. A win by the B Grade and Under 18s by over 100 points meant that all 3 grades had a win in Pirie, a feat that has not been done for over 5 years or more. This was repeated last week against West Augusta with all 3 grades winning again and although Coach Rivers was not totally happy with the win against West's there are good signs for the year ahead. A Grade is in 2nd spot on the ladder and the seconds and thirds are both top at this early stage.

Its only 3 weeks to the big 100 year celebrations at the club and hopefully by now most of the supporters, members and players who wish to go have indicated whether they can make it to the big weekend and the reunion on Saturday 26 th May 2012.. If you have not sent back your RSVP please do so as soon as you can and please buy you ticket before the day as it will help us organise numbers and help at the door on the night.

The 100 year shirts are now available for sale behind the bar in either the red or white colours, get up the club and get your shirt to celebrate the big year, \$35 cost in a variety of sizes Phone 86424565 after 4pm. If your size is not currently available don't panic! More have been ordered if required. See Val if you are interested in purchasing a hoodie for the coming season. Val will order hoodies, bags & hats for anyone interested

Many thanks to the Glamuzina boys on the installation of the projector at the club , it was up and running last weekend and provided a great picture for the Crows clash against Sydney, buy them a beer for their troubles when you see them next.

Farewell to Lloyd and Lorraine Nelson who have sold their house and will be off to Adelaide to live soon. Lloyd, a retired school principal served on the management committee from the late 1980's to early nineties for several years and Lloyd and Lorraine have been great supporters for many years, Lloyd never holding back on his opinion of the umpires when required. Lorraine and Lloyd has been part of the Friday night cooking team for many years and lately Lloyd has worked hard on the editorial of the 100 year book and it's probably true to say he will never attempt that again!! The club wishes them all the best for the future.

Lloyd Nelson farewells

Well done to the ladies Committee on organising the Beer Pong tournament and a great night for the club with many visitors to the club, a crowd around 200 and many teams battling it out for the title. The Guernsey Presentation on the same night also went well. There may be other Beer Pong tournaments organised through the year so keep a look out. The first game against Ports was also a great night for the club so it's a great atmosphere around the place at the moment.

Football Committee

Finally the pre season training ended and the season has commenced, well done to all the lads that turned up at training on a consistent basis with the Blue team winning the team's event and the dinner at the club. Members of the Blue team included Slade Laube, Jack Menzies, Chris heron, Lee Schmidt, Todd Kernahan, Tom Bolitho, Craig Shirley, Keiron Brown, Christian Reid, Ian Brown and Adam Grantham, although an individual assessment of their attendance will be made before the dinner is awarded.

Sad to hear the passing of 1964 Premiership player Max Chynoweth who recently died after living in Port Broughton for several years. Recruited from West Adelaide Max as Captain Coach in 1962 and played for the club for 3-4 years. Max was named second best player in the 1964 final and according to fellow player Billy Baker was the difference after half time when shifted into the ruck, the Bulldogs winning by 2 points in a close encounter. Condolences to Max's family at this sad time.

Colts report

The Colts grades are all underway with the under 15s grade only having 3 teams this year. The SGL have agreed to have 3 games to be played on a Sunday during the year to ensure that these players get enough games for their development. Looking through the SGL match program it is envisaged that each club would be able to play an U15 game preceding their U18s on the Sundays.

This will give each club an extra two matches for the season. You would agree that players at this level should have as much match practice as possible for their football development as future SGL players. This also gives the players a daytime match at a different venue.

In the next few weeks photos of past Junior Colts premierships will be displayed at the club together with those who have won Colts League and Association medals, if you have other photos of Premierships or award winners that should be displayed please get them to Peter Trewartha or Mark Shirley before the 100 year show.

Child Protection: The SAFC is committed to the safety and wellbeing of all children and young people accessing our football club. We support the rights of the child and will act without hesitation to ensure a child safe environment is maintained at all times. We also support the rights and wellbeing of our staff and

President: HT Luke, Captain: Hube Zanker, Coach: J. Rodriguez, Fifth premiership for the club. Undefeated for the season, Best player in the grade final: Ted Curyer, Highest Association goal kicker is from South Augusta : Harry Nicholson 41

1942 Premiership Photo: Technology and newly wed Megan Collins have combined to enable the club to replicate the picture of members of the 1942 premiership. The club has not been able to find any record of a picture of that Premiership and by collecting photos and faces of players who played in that year Megan has been able to create an excellent picture of the players of that era. Thanks Megan for your great work and see the picture on the wall at the club.

Sponsors Report

Great to have Dallas Santa Plumbing on board this year as a sponsor and Subway have also agreed to come on board, many thanks to those who are giving weekly awards to the senior grades including Pastoral , Flinders Hotel , Hannahville Hotel and Commonwealth hotel together with Caltex, D and G Tyres, Billy Baker, the roundtable, the 2 Port Augusta Carwash businesses and at the end of the year Milhinch Jewellers who have donated watches for trophies once again. Please support the businesses that support the club. Lachie Barrett and his family have also come on board as a sponsor of the club this year and that's a great help to the club together with his mug in the local paper donating blood and promoting the cause, its still worth a fine Lachie unfortunately as you had your picture in the paper !! If you want to be a sponsor for the club in 2012 go to the website or contact Gary Kernahan at the club.

- No its not the Shiek from Stoneycreek its Billy Baker who took up the pose at a recent 8 ball game at the club, Norby in the background. Unfortunately it had no effect on his opponents as he still had a lost but it did stop Kernas from flicking his hair at an inappropriate shot.
- Well done to Paul Spade Elliott for organising the \$10 raffle that was recently drawn at the club raising \$2500 with the popular winners Pat Hynes, \$2000, Gary Kernahan \$300 and Lee Schmidt \$200. I reckon Patty owes Spade a carton but its great to hear that he has donated some of the money back to the club for football operations and the new flooring near the bar, thanks Patty.
- Spade is also looking for donations of goods for a garage sale to be held later in the year later in the year , if you have some quality gear that you wish to donate please give him a call on 0448 008 826.
- Trax FM are broadcasting one SGL game per week with the next game against Lions on the radio. Apparently Coach Boof Rivers was interviewed at the first game against Port before the game. Some-one from the roundtable commented that Boof had a great head for radio!!
- The website comments came in the other day from Dean Curyer son of mail Medallist Ron Curyer who mentioned that his dad may have won 2 Mail Medals in 1938 and 1939. Unfortunately the South's records have not been kept up to date and the website will be changed but it may be too late for the book. Ron was part of the 1938/39 premiership teams and by winning the 2 Mail medals he was the best player in the league during that period. Dean commented that he had a copy of John Gascoyne's book "The Mail medal" it shows Ron Curyer as winning the Mail Medal in 1938 & 1939. In John's book he did say Ron was a big man, that was not true, he was a rover & wingman and of slight build. The book also states he did go on to play for South Adelaide. Ron didn't settle in Adelaide though he did play a few league games . Dean also mentioned the story of his Dads playing days when his wife convinced her mother to come and watch Ron play as he was a good player, unfortunately that day Rons shorts were ripped off and her mother was disgusted at seeing Ron running around with no shorts. If there are other comments you would like to add to the clubs history on the website please send them through on the comments field, eg trophies won, missed milestones or general comments on the years, no lies please Frank. Go to the website on <http://www.communitywebs.org/safc/>
- The players have a fine system implemented this year to raise funds for the footy trip, look out if you get your picture in the Trans, bad luck Daniel Dohnt, its doesn't pay to be a socialite!! There is also a fine for players who don't have an allocated toy soldier in their pocket.
