Harry Kernahan

Harry Kernahan recently passed away in Adelaide aged 74, has been described as the man behind the most successful era in Glenelg's history. Kernahan played 176 games with Glenelg as a stout-hearted ruckman from 1959-65 and again from 1969-71. He was captain in 1964 and 1965 and played 10 games for South Australia, including the match at the MCG in 1963 when the Croweaters scored their first win in Victoria since 1926. After his playing career had ended, Kernahan served as Glenelg's general manager from 1973-87. The Bays won three of their four premierships in this era, in 1973, 1985 and 1986. Harry played Colts for South Augusta and played A Grade for the club aged 16 years before heading off to Adelaide for a successful career. Condolences from the club to Gary, Carmen, Todd and Billie, Stephen, David and families

Catering report

The Friday night teas have lost some groups but managed to regain a few helpers to reform some groups. If you can help out on the Friday night teas please let Trevor White know. It's only 2 hours every 8 weeks involved in either cooking, serving or cleaning, you get to cook steaks for Billy Baker and Val, learn skills that will get you a job at the Hilton one day and work in a team environment with such people as Hucky, Gazz, Kelly and Couttsie when required, what more can you ask for. Ring Whitey on 86425092, he's waiting by the phone now!!

Mrs Joyce Phillips

Joyce Phillips, South Augusta Life member passed away recently in Adelaide. Joyce served as the Clubs Guernsey cleaner from 1985-2009, a total of 25 years service in that role being part of several A Grade premierships in 1993, 1994, 2000 and 2006. Joyce washed Guernseys for the club for over 450 games and was an integral part of the club's success during that time. The club offers its condolences to Joe and family after the loss of a great Southie.

Cricket summary

The A Grade is sitting about third at the moment with last week loss in the rain affected game against Wests disappointing as they had a good chance to win that game when storm clouds opened. A recent highlight was a great win against Quorn chasing 220 with David Robinson, Wes Yates and Scott Collinson performing well. The next weeks lost to Willsden brought them back to earth and they need to string a few wins together to be a force in the finals. Good luck to Under 17s opening bowler Sam Maule who has left to attend College in Adelaide this year, Sam will hopefully be back for a few games and the finals in March.

In the A's Todd Kernahan is leading the run making and Jarrod Waterworth taking the most wickets so far. South White are in second spot in the B's with South Red knocking on the door of the finals in 5th spot and they must keep on winning. In the B's Travis McNamee and Matthew McInnis are performing with the bat in both teams and in the bowling Travis McNamee and Boots Harrison lead the wicket taking in both teams.

The Under 17s remain in top spot with Craig Shirley leading the batting and Marcus Kerin the bowling stats and in the Under 14s are also top with Rowan Irvine the most runs and Stuart Dunneman the most wickets.

The A's finally discovered how to play 20/20 games and the recent win against Willsden was well deserved with the last game against West this Sunday 8.30am, get along to see them progress further

- Souths received thanks for its sponsorship of the fundraising for James Chapman, with the club donating the \$1,000 trailer for the raffle and especially Harry Waterworth who has been helping with the distribution and selling of the tickets.
- Spade Elliott is organising a \$10 raffle to be drawn in May 2012 with prizes up to \$2500, if you can help out with selling a book with 5 tickets please see him as he has 20 books still to give out.
- Spade is also looking for donations of goods for a garage sale to be held in either March or April, if you have some quality gear that you wish to donate please give him a call on 0448 008 826.
- The club also plans to fundraise by collecting cans and bottles for recycling , so if you would like to get involved please see Kean Parrington or give him a call on 0419 034 630.

- Congratulations to Michael and Carah Curley on the birth of a baby boy Hunter Ace Curley who was born on the 19th January 2012 and Matthew McInnis and partner Tina on the birth of baby girl Myah. The club sends its best wishes to both families. We'll pay good money for pictures of these lads changing nappies!!

FLASHBACKS 1912 100 YEARS AGO.

1912- Position 3rd, Captain Coach : I Johnston

1912 was the first year in the clubs history and South Augusta played his first game ever against Central Augusta on the 24th May 1912 and lost that match 3.11 to 3.9.

South played 8 games for the season and won 3 of these games with the 3 teams in the competition being South, Central Augusta and North. South's colours were blue and white.

South lost in the semi final to Norths 11.9 to 4.8 with the best players being a Spicer, McDonald and Howell and Central win the premiership that year 6.4 to North 3.11.

Players who represented Port Augusta that year were Ralph Cilento, John Fullerton, A Withers and A Spicer.

The Transcontinental paper commented that the innovation of Football had proved its worth and next season should see in consequence an improved standard of play in Port Augusta. The Secretary of the Association (TR Brennan) who was also a South player had worked very hard for the Association and it would be gratifying to him to see that all 3 clubs were established in the town.
