Management Committee Report

The club recently purchased new Fire Equipment and Exit signs at great expense to ensure it complied with Health and Safety regulations and the Lions Club meetings held at the club recently raised some funds through catering, many thanks to Trevor and Joylene White and anyone else who helped feed the 60 delegates.

Each club has been given the responsibility of doing the footy write ups for the Transcontinental newspaper with president Hucky setting the standard in the last game with positive feedback. Look out for a more colourful and brutally honest assessment from Couttsy and Buck when they get the chance to show their skills and Garth will be out to beat them the week after.

The club conveys its condolences to West Augusta Champion Kevin Mcsporrans family after his death recently, Kevin was a champion and the South Augusta boys who played in the 1975 loss against West's will have everlasting memories of his sportsmanship.

Great to see the change around the club with the 6 wins in a row and the supporters have something to crow about with the increased crowds back at the club very encouraging

The new Rehabilitation shed area has been granted an extension from the Office of Recreation and Sport to finish now on the 30th September 2010. If you want to help out please see Val Waterworth as work may start soon. Drinkwise workshops for the players will happen in July 2010 presented by Dr Andy Kilcross.

Football Committee Report: Wins in the first 6 games has the A Grade in top spot which is a great result for the team for this year and has set the team up for a good chance for a finals opportunity. Supporters must also be enjoying the form of the Cheque Book champions at the moment as well located towards the bottom of the ladder. The B Grade have also really improved over the last few weeks winning a game against Ports and they have been close in the other games, new BMW player Matthew Skull has performed well and has been given an A Grade game where he played well. Choco's under 18s have also been in good form with 4 wins and 2 losses and they will be right up their if they continue. After 6 games Positions A Grade Top, Seconds 5th, Under 18s 3rd

The funds raised for the players auction was a record with over \$5,000 in the pool and prizes worth around \$2,500 going back to the lucky punters, the big money went on Jason Lukich, Adam and Mathew Grantham and Brock Laube to name a few, good luck to the winners who may collect up to 70% of the prize pool. Funds raised will go back into football operations, players functions, oval hire, new footballs and trainer equipment costs.

Congratulations to players who have played their first games for the A Grade side recently including Mathew Skull recruited from BMW. Congratulations to Corey Bawdin who played his 100th game for the club recently, Corey playing in the 2006 A Grade premiership side.

Well done to the boys who made the squad and played in the SGL win against Whyalla last weekend including Adam Grantham, Brock Laube, Jason Lukich, Matt Grantham, Ryan Struck, Daniel Dohnt, Todd Kernahan, Brodie Cox and Ricky Johnson. In the Under 18s players to represent Souths included Ben Trewartha, Daniel Royals, Jaylon Wingfield, Jack Menzies and Tim Amos.

Excellent work from volunteers Paul Elliott and Darren Baker from the Football Committee who have been assisting with the game day raffles for the last 2 games raising much needed funds for football operations costs and this fundraising has played no small part in the clubs success this year, lets continue to support these raffles during the year. Look out for the Players trip to Broken Hill this year, see Andrew Reynolds if your keen.

Disappointing to hear that Simon Brusnahan will need a knee reconstruction and will be out for at least 18 months, we wish him well in his recovery. On the good news side Daniel Collins, Team of the year representative in 2009 has scored a job in Whyalla and will be returning to play for the club this year. Daniel is of course the son of Troy Collins who played for the club in the early eighties and Grandson of well known stalwart Si Collins.

Colts corner: The under 15s are travelling well in both teams at the moment although it will be hard to beat the dominating West Augusta team in this grade as they haven't lost a game so far, teams are sitting 2nd and 3rd at the moment. Players to make the SGL squad and team from these teams including Marcus Kerin, Slade Laube, Layton Buzzacott- Paige, Darcy Noll, Sam Maule and Lachlan Forward. The boys to train and play for Port Augusta in the under 14s level included Jayden Tree, Craig Shirley, Caleb Ritter, Curtley Warren, Todd Kaesler, Kenny Dadleh, Billy Jo Martin, Daniel Elliott, Alastair Harley, Tom Hore, Liam Hayward, Daniel Glass and Joe Nistico. Well done to Caleb, Tom and Alastair who were selected in the North Adelaide squad. The under 13s have converted to one team due to lack of numbers and are travelling and the Under 11s are currently 2nd on the ladder. The mini league has been a success so far with good numbers in the first few games. Well done to the lads who played in the Primary School team for Upper North including Josh Hillman, Aziel Stuart, Jacob Ollson and Dylan Barnett and Josh Forrest and Under 15s Coach Michael Curley who has assisted Greg Haynes in the SGL Under 15s role, he may be taking over soon!

Look out for the Family Day on the 27th June, Parents vs Juniors games, free BBQ and drinks at lunch for Colts and Coaching Clinic starting at 11am..

Mini league match recently against Centrals

Ladies Committee Report: By now you would have noticed the lovely new club shirts being worn to games. It is important to have the best dressed players in the league - you look good, you play good ☺ that has obviously worked as we are sitting nicely at the top of the table. Well done boys!!

There are a few training singlets left so if you are interested please see Sue Trewartha. At a cost of \$35-00 they are a steal!! We will be placing another order very soon so we will have everyone looking just as good as our players! Our next project will be club jackets - they will sell for around \$75 - \$80 dollars. Please see the attached picture. The will have "BULLDOGS" printed on the sleeve rather than SAFC.

The next project we have on the agenda is the "PLAYERS REVUE" scheduled for Saturday 26th June - following the West game. It should be a great night so come along and see the musical talents and creative dance moves of our playing group. Not only can they cook, they can dance like Michael Jackson too!! I believe Saturday 26th June is also Vice Presidents Day at the footy so make it a full day and come up to the club after. Have tea, support the player awards and then stay on for some great entertainment.

We are also planning a "LADIES 50 CLUB". The plan is to look after the needs of the important people involved within the footy club - the WOMEN! The cost is \$50-00 and the Ladies committee will organise two social functions - a "Ladies" day at the footy (drinks & nibbles supplied) and an evening at the movies or something along those lines. So if you are interested please see Donna Irvine, Carah Laube, Wendy Black, Erin Heron, Sandy Glamuzina or Sue Trewartha - any of these trustworthy women will take your money ☺

Last but not least, check your wardrobe for an outfit, dust off you dancing shoes and make your appointment for the hairdresser. The SAFC ball is scheduled for Saturday 17th July. It should be a great night with music by the 'BC Boys' and DJ Macca. Entertainment for everyone!!
