

SOUTH AUGUSTA FOOTBALL CLUB YEARBOOK 2012

SPENCER GULF LEAGUE "A" GRADE PREMIERS 2012

Presidents Report

I would like to begin by congratulating Peter Rivers and the A Grade team on providing us with an A Grade Premiership in our Centenary Season of 2012. Sadly the B Grade and Under 18's fell short on Grand Final day but they have played a huge part in a successful season for our club, to Choco and Bluey thanks for the important roles you played in 2012. It's also important to recognise the efforts of timekeepers, trainers, team managers etc for their roles during the season.

The Football committee and Management committee have put in a big year for early on including the centenary weekend and the finals campaign, thanks to all of you, the club can't function without those key people and their involvement. Peter Trewartha's effort and his trusted helpers provided the steady revenue stream through the BBQ shed, thanks to all those involved.

The club once again had the best club banners at the Grand Final by far and it was due to the hard work by many people especially Peter Trewartha, Craig Ritter, Adam Grantham and the Grantham family and the Collins family, many thanks to all those I have missed.

The Ladies committee also deserve praise for the many areas they have been involved in thanks girls for your support is magnificent. The Centenary Committee did a magnificent job, the weekend was fantastic and extremely successful. The legacy of that weekend will be memories to last lifetimes. To date it's been a very hard year financially but we are hopeful in finishing in the black. The next few months will be probably the most important period the club faces as we as a club will need to decide where our future lies. It's important everyone gets involved as members of SAFC and we make an informed and smart decision on the Central Oval proposal. We will have lots of information on this proposal in the near future, stay involved and interested as this is paramount that all members help us make the correct decision.

This year the club was awarded SGL Club of the year for its success on the field in the A Grade, B Grade and Under 18s and this is another great achievement for the club in 2012. Lastly a big thank you to the sponsors for the year for without them we wouldn't get the team on the park and we hope they may be there in 2013.
Gary Kernahan

A Grade Report

As the A Grade Coach in 2012 South Augusta Centenary Year there was a sense of hope and excitement and expectation for the club going into the 2012 Football season and we were a large group of A Grade, B Grade and Under 18s. We always regarded ourselves as one group of up to 90 players who had taken part in a hard and strenuous pre season. We started back in November 2011 and we trained for 2 months without touching a ball and it was really hard work. On Saturday 26th May 2012 we celebrated 100 years of South Augusta football existence. By 5 O'clock on that day all 3 grades were all undefeated on 5 wins a piece. What a great day for the club on such a special occasion. As the season continued and we reached the end of the minor round all grades were top or second on the ladder. We all progressed into the Grand Final the following week a terrific achievement. Sadly there can only be one winner on Grand Final day and we fell short in the under 18s and the B Grade with the A Grade winning the Grand Final and we had become the Premiers in our Centenary year. I would like to congratulate all trophy winners in all grades and thank the many people behind the scenes, the people who made the Grand Final banners and the Cheer Squad Girls who all looked great and were terrific throughout the day. A special thanks to Peter Walsh our Head trainer and all his crew that supported us throughout the season and Jarrod Waterworth as Assistant Coach. I would also like to thank the Football Committee for their support. Many thanks to Nick Heron and later in the year Andrew Magarey for being Team manager over the year.

Lastly I would like to thank the South Augusta Football Club for giving me the support by allowing me to coach a terrific bunch of guys in 2012. I do hope throughout the season we made our wonderful loyal supporters proud of us for what we managed to achieve in our Centenary year 2012.

Yours Sincerely

Peter Rivers

THE BANNER BRIGADE

SOUTH UNDER 15S REPORT

The Under 15s had a really good year as we made it to the grand final unfortunately we gave the West team a 41 point start although we didn't panic as we were confident that we could peg it back.

At 3 quarter time we were 54 points down and in true bulldog spirit we unleashed in the final term, sadly, we ran out of time but only went down by 20 points, which as a coach was very pleasing to see that as we as a team wouldn't give up!

Thanks must go to Lee Willcock for umpiring our games this year also to the parents who helped with goal umpiring and to the Barnett and Hillman families who shared the Guernsey washing duties

We had 5 boys who represented North Adelaide they were Dylan Barnett, Cassius Sturt ,Aziel Stuart, Sabian Wilton ,Lionel Brown. Lionel Brown won the Under 15s Murphy Medal and was runner up in the goal kicking.

The trophy winners for this year were:

Best and Fairest--Daniel Taylor
R/U best and fairest –Dylan Barnett
Best team man—Cassius Stuart
Most valuable –Lionel Brown
Most improved—Josh Hillman
Most consistent—Aziel Stuart
Best 1st year—Harry Holland
Coaches trophy—Sabian Wilton
Anthony "Franko" Farr Trophy—Trent Ritter

In closing I must thank the team for their commitment to myself(and to Caleb Ritter who was my assistant) throughout the season . I am hoping to get the coaches job again next year see you in 168 days for the first training session boys . PS: Discipline is still the most important part in football!
Regards Craig 'Ritts"Ritter

UNDER 13'S REPORT

At the start of the season we had a tough decision to make with player numbers around 28 to 30, we decided to go with two teams. This was to help with player development across the whole squad and although wins were few during the year the improvement in the teams was excellent. Starting the year with a few heavy loses the teams improved to the point of being within a couple of goals of the top sides at three quarter time in most games even when playing short and using U11 players to make up the numbers.
By having two sides we made a six team competition so all players on our list had the opotunity of 15 full games. The other option would have been one team in a five team competition with at least 6 on the bench which would have given our players only 9 full games for the year.
South Red finished fifth and South White finished sixth but both sides still had the opotunity to make finals with only a few weeks to go.

Trophy winners for the year were –

South Red

Best and fairest -	Eric Brererton
Runner up B&F -	Will Bolitho
Most valuable player -	Hamish Bouilly
Best Team Man -	Richie Koolmatrie
Coaches Trophy-	Kyle Maison
Best First Year Player-	Karl Finlay

South White

Best and fairest -	Lionel Stuart
Runner up B&F -	Marshall Stuart
Most valuable player -	Dallas Barnes
Best Team Man -	Connor Rozee
Coaches Trophy-	Rowan Irvine
Best Utility -	Paul Glass

Hamish Bouilly and Eric Brereton jointly won the Sam Klimpson-Stewart goal-kicking award.
Eric Brereton came fourth in the Corey medal.

We had some great games this year and because of the numbers we had some great efforts from the under 11 players that came up to help us out.

Dallas Barnes made the state SAPSASA team and spent a couple of weeks in Adelaide playing in the national competition.

We would like to thank Rob Rozee and Mick Horner for all their help at training and umpiring games, Simon Owens and Phil Brown for helping organize goal umpires, Simon Robinson for timekeeping, and Donna Irvine for washing the guernseys and getting players to the games and training.

Sadly the Rozee family is moving to Adelaide at the end of the year and will be a big loss to the club. I thank Rob for all his help over the years from coaching, umpiring and always being around to help with the junior football.

It was a enjoyable year, not so much with wins but to watch players in positions they may not have a chance at before and do something special, to improve under the pressure, that's a lot of fun.

Andrew Reynolds

UNDER 11'S REPORT

There were 28 junior footballers who suited up for South Augusta U/11s in 2012. The majority were first year U/11s from U/9s giving the coaching department a major challenge to transform young boys to a team orientated playing group. The players quickly adapted to a higher level of football displaying some outstanding abilities. More games were won than lost during the year with players learning the highs and lows of football.. Players were taught the importance of respect for the opposition and umpires. As coach i would like to thank the SAFC, the players and parents for the opportunity to coach this outstanding group of lads. They have displayed a willingness to learn and shown respect to all who have assisted them. A special thankyou to Team Manager/ress Tricia Noble for doing almost everthing including washing guernseys, first aid,,hot dog trailer,goal umpiring rosters, Colts Committee Member and being every kids mum when needed.

UNDER 9'S/ UNDER 7'S REPORT

The Mini League team started off slow with the Bloods getting on top in the first 3 weeks, however that was all the glory that they would be tasting for the rest of the year.

During the year we had around 20 kids pull on the mighty white V, ranging from ages 3 to 7. All of them running around on a cold early Sunday morning at ETSA Oval with their Mums, Dads, Sisters, Brothers, Aunts, Uncles, Grannies and friends (all rugged up) coming out to cheer them on.

One of the best signs during the year was when the U9s were short and Jack, John, Tyson W, Tyler, Ty, Tyson H, Blake and Tyson D all put up their hands and played. Also by my records all of these mentioned got an award in the games they played. This shows that we have some talent coming through the ranks.

There have been some big improvements in some of the kids and the big reason is that they are coming to training. Some highlights during the year was when John Weimer kicked 5 goals in two games, Beau Renshaw winning the rucks in the middle and trying to get his little brother Louis a kick for goal, there was Tyson Darley busting his way from the back lines, Jack Franklin who couldn't stop falling on the ball, Tyson Weimer fighting everyone - even his own team mates for the ball, Angus Kitchin running from one end of the field to other during the whole game and nearly touching the ball. There has been others but I would have to take up the whole page. I want to thank those Dads who have assisted me at training and at the game. A big thank you to Simon Clancy who took the team in my absence and Marnie for keeping time. Also to Kieron for his support during the year.

Let's hope South's see you out again next year to keep this proud family club strong for another 100 years.

Also the Mini League would like to congratulate the A Grade team for their fantastic win in Port Pirie.
