South Augusta Bulldogs

FROM THE *President*

Welcome everyone to 2025.

The start of the new year has seen our lads out on the track, with pre-season commencing the first week in January. Numbers have been very good so far and it is great to see some new faces, as well as some returning from previous stints at the club.

Its also very encouraging to see the number of young lads out there joining in and making themselves known. Keep up the good work!

Pre-season training is one of those things that not many look forward to, but if you put in the hard work now it makes the year ahead so much easier.

We are planning on advertising all of our junior coaching positions this year, from Auskick through to U/13's in the standard junior competition and U/11, U/14 and U/17 in the Girls competition.

As well as the above, we will also be advertising for an Auskick Co-ordinator and Junior Girls Co-ordinator. If you are interested in taking on, or helping out in any of those positions, please keep an eye out on social media platforms and in the local paper for further details.

Our first big social event for the 2025 season is set for Australia Day, with the first Kennel Cup being run.

Thanks must go to all those that have been involved in putting this event together, hopefully it's the start of many successful events throughout this year.

Please make the effort to get up and support the club and have some fun. It promises to be a great day out.

Mark Horner
President SAFC

FROM THE *Coach*

Hi all and welcome to season 2025.

Happy New year to you all, hope your holiday period was an enjoyable time with friends and family and look forward to seeing you all in 2025.

The senior players, plus some U15s, began preseason training on the 6th of January with an impressive 50 players either attending or advising that they were unable to make it due to work or still being on holidays.

It's an impressive number and one that I believe has kick started the atmosphere at training off in the right direction. Hats off to all the players who have attended so far in what has been 5 reasonably solid nights of running mixed with ball work.

There has been a positive attitude taken with all players as they help each other get better.

We have had some familiar faces return to training after a year or two away from the club and also a couple of younger guys who haven't played football since their junior days returning for a bit of a kick and some fitness.

There have also been a couple of new faces who I am sure will be introduced to the club in the coming months.

The footy committee have been meeting constantly trying to get the football side of the club back into a strong position. This includes retaining most of our players from previous seasons as well as trying to attract new players to the club which is proving difficult at this time, but not something we have given up on yet.

It may sound a bit cliché but I truly believe a lot of our improvement is going to come internally from those who apply themselves to a decent pre-season and go all out to improve for the year ahead.

Keep a look out for the Junior coaching advert for the grades U13 to Auskick and also the Girls football from U11s to U17s.

If your available to assist in some capacity on game day, many hands make light work. It's going to take a Red and White Army to get back to being successful and it can't be left to too few.

Take care

Adam

What can you do to help SAFC in season 2025?

Souths have an amazing, dedicated training staff that are at the oval all day preparing players before the game, tending to player injuries, and helping with rehab.

What they can't do and what they desperately need help with is finding willing people to walk/run water on game day. This is such a vital role and is necessary for player sustainability and to maintain good physical health.

No white clothing is required, we supply dedicated vests. You are not committed to do all games on the day as any time you can offer would be very much appreciated.

If you are willing to offer assistance then please contact Nicole McInnis on 0439 846 329.

If you are willing to give up your time on game day then you will earn yourself a free meal & drink at the club on the night.

SAFC welcomes all existing and new players to season 2025.

Auskick registrations open in February so keep an eye out for it on social media.

U9's through to U15's are open now along with girls U11's, U14's and hopefully the return of an U17's side.

Now is a great time to practice skills learned last season ready to learn new ones this season.

The junior football committee is also looking for a junior football league delegate whose role it is to attend meetings and relay any information to coaches and the club.

Also a shout out for coaches and helpers for all grades, as well as volunteers for upcoming events throughout the season.

Anyone wanting to get involved can contact Jake Collins or Mathew Grantham or any other enquiry to the club directly.

Registration is through like seniors with Play HQ

WHERE ARE THEY NOW?

Peter Groves (Grovesy) was part of the great revival of South Augusta in the early 1980's under coaches John Reid and Dennis Russell, playing in 2 A Grade Premierships.

Peter played mainly on the half back flank and was a fit and attacking player representing the SGL on several occasions.

Peter was also a well-respected teacher and remembers his time in Port Augusta fondly as a teacher just out of university. Peter is now retired in Adelaide with wife Sylvia and spends his time golfing, fishing in his boat (more like an ocean liner) and travelling Australia in his caravan together with overseas travel to catch up with his son.

Peter is pictured flying the flag for South Augusta in 2025!

Ian Ruxton (Sausage in Flight) was also around the club at the same time as Peter Groves and was heavily involved with the club as a trainer and great volunteer on the social scene during those Premiership years.

Working for ex-players the Fiebig Brothers (Don and Robert) as a butcher, he was around in this very successful period of the club's history.

He was to later marry and now lives in Ballarat with 7 grandchildren to keep him busy.

He is still working from home and writes tenders and quotes for a large plumbing and civil operations company in the town. He occasionally gets over to his mate Robert Fiebig's territory in Streaky Bay for a spot of fishing.

If you are heading over to Melbourne by car make sure you call in and say good day. He would love to hear from you.

Ian pictured here with his other pastime.

Billy's Corner

IT'S A BOY!! Congratulations to Monica and 2011 Dyason Medallist, Nathan Kerin on the arrival of Noah Michael in Calgary, Alberta, Canada on 8/1/2025. That makes number four grandchild for Mick and Marie.

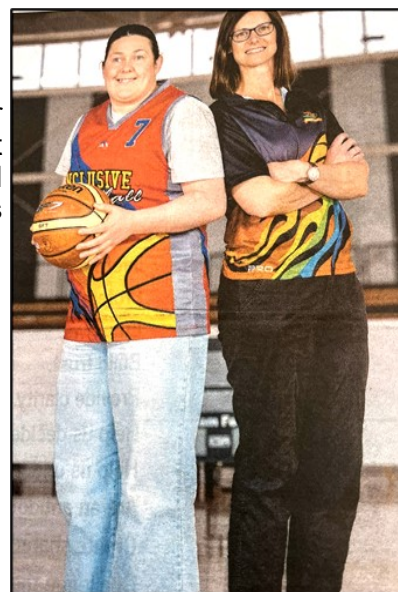

BEST WISHES

Past President Peter Huxtable is currently in Nerrilda and the club would like to pass on that we are thinking of you and send you our best wishes.

PORT AUGUSTA INCLUSIVE BASKETBALL

Great to see Billy Kernahan get a mention in the Saturday Advertiser recently and Port Augusta Inclusive Basketball highlighted as a great initiative for the town. Emily Holden has been there from the start and together with a band of volunteers has seen it grow to over 60 members in recent times.

Well done Billy and Emily and all the others involved.

ISAAC KEELER UPDATE

Pre-season training looks like it is going well for Isaac.

He has received some media attention about a possible debut for St Kilda in 2025. We wish him well.

MASTERS GAMES

Not long now before the Masters Games comes to Port Augusta for the first time from 3-6 April. South Augusta will be involved in some way and if you live in Port Augusta get involved with the sports either as a spectator or player. The club will need volunteers over this time and please make any visitors welcome to the town. More details will come by Facebook or email regarding volunteer roles.

AFL VANUATU UPDATE

As you may be aware we have had a number of Pacific Islanders play for us as they work at great sponsor Sundrop. We have kept in contact with AFL Vanuatu over the past two seasons.

The following is an extract from their Facebook page...

Vanuatu Brothers making waves in Australian Football League

"Two brothers from the island of Tanna are making waves in Australian football, impressing coaches and fans alike. Mark and Josh Niamak, both AFL Vanuatu players, have set a new milestone by playing for two prominent AFL clubs in Australia: Mooroopna Football Netball Club and the South Augusta Football Club.

Mark, playing for the Mooroopna Football Netball Club, has quickly made a name for himself due to his versatility and game sense. His debut season has been marked by standout performances, including scoring in every game he's played. Meanwhile,

Josh has been making his mark playing for the South Augusta Football Club in South Australia. He has the distinction of being their first-ever A Grade player from Vanuatu. After spending most of the season in the Reserve Grade team, Josh was promoted to A Grade on August 3rd, debuting in a match against Solomontown. He celebrated the occasion by kicking a goal in his debut, drawing applause from his club and fans. At 27 years old, Josh is proud of his achievements and looks forward to setting more milestones as he progresses in his career. His journey, along with Mark's, is a testament to the growing influence of AFL in Vanuatu and the opportunities it's providing for talented players from the Pacific region to excel on the international stage. AFL Vanuatu continues to celebrate the success of these brothers, who have opened doors for other aspiring players from the island nation to pursue professional sports careers abroad."

2024 A Grade Coach Kriston Thompson presents Josh Niamak with the number 3 guernsey before his debut.

After the recent earthquake that hit Vanuatu we were relieved to receive this reply to our email:

G'Day Mick,

Thanks for the email and for reaching out. All of the AFL staff and community are accounted for and safe including Joshua's family. We have been without power and water since Tuesday and today a few places are starting to get some services back.

We are just starting to see the extent of the damage and casualty list. I have been here for the biggest cyclones in the country's history, but they are far different from the quake we had on Tuesday.

Aussie military and emergency services are here now so things will start to happen.
Tell Josh we all say hello.

David "Beachy" Beauchamp AFL Vanuatu Committee President
