It's great to see the SGL and junior football back on, with the senior sides having a good start to the season. After three games the A Grade has two wins and one loss; and the B Grade three wins and no loss. The Under 18s have had one win and several players have had the opportunity to play both A and B Grade. The junior colts have also started well with good numbers in the grades. Many thanks to the junior coaches and volunteers who are helping the teams this year.

August will be big one for the club with the Adelaide get together at Karen Rolton Oval (8th August); Players' Auction and Hawaiian Night (15th August); Sponsors Night (27th August); and the Premiership Reunions and Vice Presidents' Day (29th August).

FROM THE PRESIDENT

There are a few things to keep you updated and connected with your club. In summary:

- Many thanks to those volunteers who have diligently carried out COVID-19 requirements in the club, at training and on match days. You have done us proud with the commitment to the tasks we are required to carry out via our COVID-19 plans.
- Thanks to those of you have answered the call to help out with umpiring this season. We are still looking for umpires so if you can help with field, goal or boundary umpiring, please reply via safcplayers@internode.on.net or see any of the coaches.
- Kelvin and Nicole McInnis proudly presented our \$5000 cheque to the Western Districts Football Club a few weeks ago. Thanks to all who helped raise this magnificent total.
- There is the possibility of a female only competition this season. If interested please send name, phone number and date of birth to the above email address or see Cameron or Jodie Reid ASAP.
- The club balcony is currently closed due to some issues in Round 2. The Committee are considering a number of options as to how we will utilise it when it re-opens
- Please obey the 10kph speed limit when driving around Central Oval.

PRESIDENTIAL HOTLINE: A reminder that any direct feedback from you is welcome via safcplayers@internode.on.net. All feedback, suggestions, criticisms, etc are welcome.

- Mick Kerin

A GRADE DEBUTS

Great to see the A Grade debuts of Patrick Kennedy and Rex Waterworth in the recent game against Central Augusta. Patrick is the son of Shane Kennedy who played 322 senior games at the club and is a current SGL umpire. Rex is the son of Jason Waterworth who played 290 senior games at the club. Let's hope they have the chance to follow family tradition. Rex joined brother Will Waterworth to be another set of brothers who have represented the club over the years.

FOOTBALL REPORT

After a first game loss against West Augusta, the A Grade have improved with some good performances against Lions and old rivals Central Augusta. Matt Downey, Kriston Thompson, Darcy Kildea, Billy-Jo Russell and Gary Warren have been in good form and the backline have performed well with Caleb Ritter and Craig Shirley leading the way. Coach Boles has been willing to try new things and the move of Jarryd Warren and Marcus Kerin to the backlines has been worth a go. Juniors have stepped up when required. Patrick Kennedy, Ethan Reid and Rex Waterworth have performed well when given the opportunities.

Gary Warren played his 50th club game in Round 2 against West Augusta and Jarryd Warren plays his 50th A Grade game this weekend. Well done lads.

The B Grade are looking good with the consistent Jack Magarey, Jack Menzies and Byron Taylor once again leading from the front. A young team, but Coach Adam Grantham has been happy with their approach so far.

BRUISER'S BONANZA

WHERE ARE THEY NOW?

I recently went to Adelaide Oval to see an SANFL match and I started talking to the security officer and usher on the location of my seat. I discovered that the man had previously played for South Augusta in both football and cricket, playing in the era of 1972-1977.

His name was Roger Sampson. Roger was a Police Officer stationed at Port Augusta for that period and he relieved at several country locations over that time. Roger played over 50 games in both sports and remembers fondly playing football with names such as Richard Gough and David Shillabeer; and cricket with Bruce Curtis and Dean Barry. Roger opened the bowling and took 4/50 in the 1974 loss to West Augusta in the Preliminary Final.

Roger returned to Adelaide and tried out for Port Adelaide before playing amateur football in the northern suburbs, together with local cricket which was his favourite game.

Roger enjoyed his time in Port Augusta and is retired, working casually at Adelaide Oval, together with bus driving in an aged care facility.

He has been receiving the newsletter for several years. Make sure you say hello if you notice him at Adelaide Oval during visits for football and cricket.

- Mark Shirley

BILLY'S CORNER

Did you know that the South Augusta B Grade played an ex-AFL player in the second round? Cameron Faulkner, aged 36, travelled from Roxby Downs to have a game when the Far North competition was abandoned due to Coronavirus. Cam was a former professional Australian Rules footballer who played with the Western Bulldogs. He was recruited through the 2002 National AFL Draft at number 17 and played up to 20 games, but suffered some bad injuries which forced him to retire. The 2006 Record described Faulkner as an exciting and quick small forward / midfielder. He was delisted at the end of the 2007 AFL season and returned to his SANFL club, Central Districts, for a year. Cam played for the East Roxby Roos in Roxby Downs as a coach/player but with no season this year he wanted the opportunity to have a game with Souths.

Lawrence Bradley-Brown also played in A Grade after travelling with his girlfriend from Mt Gambier to play. Lawrence plays for West Gambier, however that team is not playing this year so he took the opportunity to have a game and go kingfishing with Buck Everett and the lads on the Sunday. He has represented the Western Border Zone at the Zone Championships and was Captain of the West Gambier team last year. He some good glimpses in the first game and should be a great asset once the year goes on. We hope to see a bit more of Lawrence in the future.

Great to hear from Brenton Hall who played for the club and coached the Under 18s in the 1980s, while working as a teacher. Brenton has just moved from Indonesia to work at the Australian International School Bangkok, starting on August 3rd. He will initially work with the Director then take this position when it is vacated in November. This is a big move for him and the family after 13 years in Jakarta. If you want to contact Brenton you can get him on brentonwhall@yahoo.com

Recent visitor to the club was David Kittel, cousin of Gary Kittel who umpired in the country, in Port Augusta and Whyalla. David reckons we should buy him a beer for the umpiring he did during South's finals game. We better check the final results first before this happens.... but we welcomed them to Friday night's tea, the best deal in town.

Congratulations to Lloyd Nelson (pictured right) who recently turned 80 years of age, and Lorraine Nelson who will turn 80 on the 11th August. Lloyd and Lorraine were recently seen at the club and arrived in Port Augusta to visit their new great-grandson, Boston. Lloyd and Lorraine are enjoying retirement. Lloyd was involved with the Football Operations Committee for many years during club Premierships, and was a great volunteer in the 100-year reunion in 2012.

We promised we would not mention the Life Member who recently had the police sirens blazing and handcuffs out when he picked up the wrong vehicle from the doctors surgery to take back to his new job at a local motor mechanic (he's still working there, we believe!).

Another blooper from the Reunion Organising Committee who when listing players from the 1990 squad to be invited to the Premiership reunion, indicated in the invitation that a player was deceased when in fact, he is well and truly alive. We apologise to Gary Harris and if he makes the day on the 29th August it will be deemed a miracle! We will buy you a beer Gary!

Good news to hear that Port Augusta ex-pat Taylor Ortlepp has returned to Australia to play for the Adelaide Lightning in the Women's National Basketball League. Taylor is the daughter of Julie and Grant Ortlepp. Grant volunteered as Team Manager for several years in the Under 13s and Under 15s when his son Cameron played juniors for the club, before moving to Adelaide. Cameron currently plays for Old Ignatians in the Amateur League Div 2 and you can see him in action together with several of the Kerin lads at the Adelaide get together on 8th August.

Simon "Snake" Owens has recently undergone some knee surgery and is a good customer for new sponsor Dr Jones and Partners. Great to see him back at the club last Saturday at the game and he's on the mend as you can see from the photo (pictured left).

VICE PRESIDENTS CLUB 2020

(Target 50: Achieved 30)

The season is back on and the lads are keen to get back on the football field.

How about last year! What a season it was. We tasted the success of winning four A Grade Premierships in a row and everyone involved with South Augusta is rightly proud of what was another remarkable year.

Everyone played their role and the same can be said of the many loyal supporters, members, sponsors and volunteers at our club.

The Vice Presidents Club has played no small part in the Club's success in the last 20 years, with the club winning seven premierships and three other grand finals. The coming season promises again to be an exciting one for the club. We hope you can be counted to sponsor a player and continue your fantastic support for the club.

The South Augusta Football Club has registered with the Australian Sports Foundation so that all contributions to the Vice Presidents Club are now **tax deductible**. To become a Vice President Club member in season 2020, we request a voluntary tax-deductible donation of \$100 with all funds donated going towards the costs of the Football Operations budget in 2020. Donations can be made as four \$25 payments, if you wish.

The South Augusta Vice Presidents Club has partnered with the Australian Sports Foundation to enable members to get a tax deduction benefit in 2020. This means if you are on a tax rate of 19c, 32c or 39c per dollar you will get back \$19, \$32 or \$39 dollars back for your \$100 donation at tax time.

Go to <https://asf.org.au/donate/south-augusta-football-club-vice-presidents-club/> to make your donation online and become a member of the Vice Presidents Club in season 2020. You will receive your tax deductible gift receipt within 24-48 hours. The money is then passed on to South Augusta to help the football club's budget. Let us know which player you would like to sponsor. Please make your donation promptly as we now turn our focus to the job ahead. Once again thank you for your support.

GAZZ'S GOSSIP

This month Gary Kittel features one of the great volunteers for the club over the years - Don Gourd. Imagine living across from the old South Augusta clubrooms at Fern Street for over 40 years. The noise from the Saturday night discos, premierships and Grand Final nights and weekends, big bands, people leaving the premises in the early hours of the morning, waiting for taxis, yelling, and screaming. Well Don put up with that and as they say, if you can't beat them you have to join them!

Don came to Australia from England in 1953 and started work with his uncle as a builder for 4-5 years. Don then worked with Norm Kohler for 2 years and then worked with Willsden Joinery for 2 years. Don then gained work with the Commonwealth Railways where he remained for 33 years until he retired. Initially Don got involved with the Willsden Football Club as a volunteer goal umpire before he moved to South Augusta as a Trainer. Living so close to the club, he was involved with caretaker work, maintenance and bar renovations, together with the extensions to the club around 1985. When it was time to finish work, he enjoyed a couple of beers and came over the club at 4:00pm, not having to worry about driving anywhere.

Don is currently the second oldest non-playing Life Member at the club and is in his 94th year. He volunteered his time as an Administrator, serving on the Management Committee for many years, as Trainer from 1972-1983, Timekeeper from 1984 to 1995 and Club Caretaker in 1988 for several years. Don was awarded Clubperson of the Year for his outstanding services to the Club. He currently resides at an aged care facility in the town, with limited visits due to the virus restriction. The Club wishes him all the best and thanks him for his valuable contribution over the years. Don is pictured at a recent celebration of his birthday.

VALE RAY HESSE

The senior players wore black bands in the first game to honour the passing of Life Member Ray Hesse. Ray played football for Souths from 1952 to 1963, and played in the 1961 and 1962 B Grade Premierships, being Captain in 1962. Ray was an excellent player and mainly played A Grade. He was selected in several Port Augusta representative sides, including the famous draw against Whyalla in 1959. Ray served on the Management Committee from 1954 to 1963 and was Secretary for six years over this period. Ray supported the Club in recent times through the Vice Presidents Club, and lived in WA but

kept in touch with many club members. The Club honours Ray's contribution to the its history and sends its condolences to his family at this sad time.

VALE JOHN KERNAHAN SNR

Condolences to the Kernahan family on the recent passing of John Kernahan Snr, brother of Harry and uncle of Gary. John passed away recently aged 79 years. He played a handful of games with brother Harry, both starting their football at Port Augusta. John was a renowned District cricketer before moving to Port Augusta. He played for South Augusta in the cricket and made the SA Country side which played the English Touring side in 1970/71, making 54 not out.

John was part of the South Augusta A Grade premierships team in 1969/70, captained by Billy Baker and in the 1970/71 season, he hit 162 in a match, with the club making the Preliminary Final that year. John captained the South Augusta A Grade side in 1971/72 and 1972/73, when he made 86 in the First Semi Final loss to West Augusta. John leaves behind wife Judith and their children Lorraine, Wendy and John. The Club offers its condolences to Gary, Carmen and family at this sad time.

SPONSORSHIP REPORT

In these difficult times there are many Southies that have stood up and done their bit more so than ever. Our sponsors are no exception. Not only have we had a great response from our long-term sponsors but have even managed to recruit a few new ones to our club. It's been refreshing to not even have to approach many sponsors, despite them experiencing what can only be described as extended financial hardship like many others. In fact I have been contacted in person by many, pledging ongoing support.

Having a comprehensive list of sponsors is a great situation to find ourselves in, however our ongoing challenge is to acknowledge these businesses and individuals, hopefully communicating to them how much we appreciate their support. The best way to say thank you is patronage of these businesses (mention that you are a Southie) and / or simply saying thanks in passing up at the club or out and about.

Sponsors please note that if you have any concerns or questions about your South's Sponsorship, please do not hesitate to contact myself, Kelvin McInnis (Colts) and / or Committee Members. Acknowledgement at the club over the microphone, newsletter features and lists, and the club TV screen are our regular acknowledgement mediums. Let us know if we inadvertently miss any particular details or you feel we could improve in this area. Feedback from sponsors can only help us improve our practices as a Club.

I can't list all sponsors in this article but thought I'd thank a few random ones as examples of the support we are receiving. These businesses contacted the club to personally reaffirm their 2020 support.

- Guidolin Carpentry (Joe Guidolin)
- Enerline Construction (Mark Whitehead - Major Sponsor)
- Schooners Cleaning (Lisa and Shane Glass)
- Fire Equipment Maintenance Group (Darren and Kylie McNamee)
- Flinders Ranges Cheap Price Cars (Kean and Couttsie)
- PKB Electrical (Phil and Michelle Brown)

We also welcome Dr Jones and Partners (Xray at the Hospital), who have come on board as Bronze Sponsors for 2020. Thanks to my better half Jayne Owens for brokering this one.

Many thanks to sponsors for all the weekly awards this year, for the juniors through to the Senior grades. We will name them at the end of the Bulletin and please listen to their name when the awards are given out and support them when purchasing any goods or services.

- Simon "Snake" Owens

SUNDROP FARMS

Sundrop Farms is back on board as sponsor in 2020.

In 2010 Sundrop Farms began operating its first pilot greenhouse facility in South Australia, near Port Augusta. Given the lack of fresh water and the harsh climates, traditional horticulture wasn't feasible in this area. With the help of proprietary technologies, they have been growing delicious, natural and high-quality produce using Southern Ocean seawater and sunlight since then.

In 2014, they broke ground on a 20 hectare greenhouse which was completed in 2016. It uses a state-of-the-art solar tower to produce energy to power the plant growing systems, and to heat and cool the greenhouses as required. It is 115m high and has 23,000 mirrors pointed at it. The water once again comes from the Spencer Gulf, and is desalinated using a cutting edge thermal desalination plant.

All this technology goes into growing delicious tomatoes for Coles Supermarket all year round, which can be found in stores nationwide.

Please make sure you buy Sundrop Farms tomatoes from Coles, as they provide jobs for our youth and adults in Port Augusta.
