FROM THE PRESIDENT

Where do I start? The last month has been very hectic and very stressful on a lot of people. Keeping you updated and connected with OUR club has been a priority. In summary:

- The SGL season was abandoned at a Board meeting on 12th June.
- Four clubs called for a re-vote on 18th June, with five clubs agreeing to participate. Solomontown decided not to play.
- A ten round fixture starting on 4th July is attached. Clubs play eight games and have two byes. The allocation of matches to ovals in Port Augusta is still to be confirmed.
- After a PACFL meeting on 15th June, a modified U9 / U11 / U13 season will start on 17th July.
- All players **must** register across **all** grades. **THIS IS NOW URGENT**. All players were sent a registration email on 26th June. Any questions to safcplayers@internode.on.net.
- We will be looking for umpires for many more games this year than in the past. If you can help with field / goal / boundary umpiring, please reply via the above email address.
- There is the possibility of a female only competition this season. If interested please send name, phone number and date of birth to the above email address.
- We will now turn our attention to events we can hold allowing for legal crowd numbers etc.
- The strange season we have ahead of us will require a lot of volunteer time. Please consider offering your time to help us through it. Talk to a committee person or your child's coach or contact via souths@internode.on.net.
- Many thanks to your Committee (especially Nick Heron and Zoe Murphy) for the diligent work done since late March.

We look forward to seeing you all back at the club!

PRESIDENTIAL HOTLINE: A reminder that any direct feedback from you is welcome via safcplayers@internode.on.net. All feedback, suggestions, criticisms, etc are welcome.

- Mick Kerin

RETURN TO FOOTBALL NOTES

Vice President, Nick Heron, attended the SANFL webinar recently and had a few notes to share with members. A lot of information is on the SA Community Football website. It is being updated regularly and has many resources.

The requirement of counting spectators at a venue has been removed. There is now a calculator that is used to determine numbers. It doesn't include buildings or clubrooms, etc as they are covered by other guidelines.

- Distancing guidelines are to be practiced.
- The current 500 limit on spectators is for the leagues that are commencing the weekend of June 27th. These restrictions will be lifted by the following weekend of July 4th (calculator to be used).
- There is a short educational video on spectator management available at sanfl.com.au/returntoplay.
- Showers will be permitted and numbers in the change room will be increased, but ONLY essential people are allowed to be in the room (eg: players, coach, trainer). No family or Committee members, etc unless classed as essential.
- There is now a **COVIDSAFE CLEANING CHECKSHEET**.
- There will be posters made up for key messaging around hygiene and social distancing.

TRAINING

- Attendance records are being kept for EVERYONE that is on site. This is not a requirement but a measure that we will have in place.
- We have people providing sanitation (eg: supplying hand sanitiser) to all.
- Social distancing is being exercised.
- There were facilities open, but as mentioned that will change from July 3

MATCH DAY

- The protocols in place for training will be reflected on Match Day. There will be hand sanitiser and we need someone to be at the door with the sanitiser to capture people.
- All posters, etc will be in place.
- Players and support staff will have been informed about what is expected of them. ‘

TRAINING FOR MEMBERS

Keep a look out for the next series of STARCLUB Webinars for Regional SA Clubs. Webinars are a thing of the future now and the 1 hour workshops have been well received with lots of information.

Please make an effort to attend the next series as you will learn a lot.

This series included sessions on:

- The Secrets of Successful Clubs (1 hour session)
- How to Achieve Goals by Creating a Culture of Volunteering in your Club
- Fundraising and Financial Management for Sports Clubs
- Social Media and Communication Strategies for Sports Clubs
- Increasing Participation in your Club

President, Mick Kerin, has attended these webinars and you would like a recording of these sessions, please contact Mick.

VICE PRESIDENTS CLUB 2020

(Target 50: Achieved 11)

The season is back on and the lads are keen to get back on the football field.

How about last year! What a season it was. We tasted the success of winning four A Grade Premierships in a row and everyone involved with South Augusta is rightly proud of what was another remarkable year.

Everyone played their role and the same can be said of the many loyal supporters, members, sponsors and volunteers at our club.

The Vice Presidents Club has played no small part in the Club's success in the last 20 years, with the club winning seven premierships and three other grand finals. The coming season promises again to be an exciting one for the club. We hope you can be counted to sponsor a player and continue your fantastic support for the club.

The South Augusta Football Club has registered with the Australian Sports Foundation so that all contributions to the Vice Presidents Club are now **tax deductible**. To become a Vice President Club member in season 2020, we request a voluntary tax-deductible donation of \$100 with all funds donated going towards the costs of the Football Operations budget in 2020. Donations can be made as four \$25 payments, if you wish.

The South Augusta Vice Presidents Club has partnered with the Australian Sports Foundation to enable members to get a tax deduction benefit in 2020. This means if you are on a tax rate of 19c, 32c or 39c per dollar you will get back \$19, \$32 or \$39 dollars back for your \$100 donation at tax time.

Go to <https://asf.org.au/donate/south-augusta-football-club-vice-presidents-club/> to make your donation online and become a member of the Vice Presidents Club in season 2020. You will receive your tax deductible gift receipt within 24-48 hours. The money is then passed on to South Augusta to help the football club's budget. Let us know which player you would like to sponsor. Please make your donation promptly as we now turn our focus to the job ahead. Once again thank you for your support.

COACHING TRAINING WITH MARK WILLIAMS

Frank Tuip, his grandson Josh Tuip, and Daniel Collins attended a live webinar recently, where AFL Premiership coach Mark Williams discussed kicking techniques and training programs that he has implemented over his many years of coaching. Incidentally, Mark has a connection to South Augusta through his cousin David Williams, who was the first player to play 200 SGL games for the club.

The Colts Coaches thoroughly enjoyed the session which was won as part of a prize offered by the Australian Sports Foundation. Mark explained that players need to be able to kick, be smart, win one-on-ones, and be able to run if they want to be drafted or be an asset to any team.

If Mark can help you personally, or your club or business, please don't hesitate to get in touch with him - share this flyer with friends, colleagues and other teams.

Darren Burton can be contacted direct via email at Darren@sportsfoundation.org.au to assist you in organising the method of engaging Mark through the Australian Sports Foundation and in doing so, to receive a tax deduction.

Through their platform, sporting clubs and organisations can potentially fundraise for projects and the Sports Foundation will issue a tax-deductible receipt for any donation of \$2.00 or more donated through the platform. Furthermore, they can also assist by providing resources, templates, tips and a dedicated Partnerships Manager to help you maximise your fundraising potential. BILLY'S CORNER

The late Bob Hammond was an icon of SA football – as an administrator, as well as a coach and a player, and his record has been heralded across many platforms since his passing last week. During the 1960s Hammond also had a strong connection to community football and while working as the manager of the Dunlop Tyre Service in Port Pirie, he was Captain-Coach of the Ports Bulldogs Football Club in Port Pirie across both the 1966 and 1967 seasons. The connection with South Augusta was that he coached Port when they defeated South in the 1967 Grand Final at Port Pirie. South put up a fighting effort but fell short by 7 points. *Source: Peter Argent*

The South Dog Syndicate has purchased another dog and it had a great start when it won first up. Starlight Meg is often racing at Angle Park so keep a look out for it together with Connor Allen, the syndicate's other dog. The shortened version of Racing Tips has finished now and the FootyTips has started, with around 30 participants. Many thanks for those who rejoined in tricky circumstances.

Great to ex-South Augusta junior Connor Rozee going so well after an interrupted season - he had a great game against the Crows which may have slightly upset some Crows supporters. We wish him all the best for the season, with the Power riding high in top position at the moment. The only problem is his father Rob has to watch him on TV like the rest of us.

Gary Kittel received a note from Australia Post that he had a parcel to pick up. When he got to the Post Office he was asked to pay \$3.70 to receive the item. On opening the envelope, he found it was a copy of the Bulldog Bulletin sent out by the Club to keep members updated during the restrictions, as the Club was closed. The \$1 stamp apparently didn't cover the postage. Come on Australia Post!

It is great to see some new members get on board this year as well as some past players, who all still have a great connection to the club. Members have come from Western Australia, Queensland, Victoria, Northern Territory, Canberra, Adelaide, Mt Gambier, and even Canada. Great news to hear that Nathan Kerin, who is currently living in Canada, became engaged to Monica recently. Monica was seen at the club several times last year and it seems she may be an Aussie rules convert! Congratulations Nathan and Monica.

Alarm bells rang recently when the name Gary Warren appeared, requesting a clearance to Mount Barker Football Club. Nobody our end knew anything about it, especially Gary. Out of curiosity, Mount Barker Football Club was contacted. They were playing a trial game at the time and as the club representatives spoke, a short stocky Gary Warren was sitting in their forward pocket wearing number 52. This Gary had not played footy for 6 years. Obviously, they clicked on the wrong Gary Warren when choosing from the list!

With the shortened season there will be less opportunity to achieve player game milestones this year however there are several that are due if all goes well. Liam Dodd needs 2 games to reach 100 games; Josh Forrest needs 5 games to reach 50 club games; Gary Warren needs 2 games to reach 50 club games; Jarryd Warren needs 4 games to reach 50 A Grade games; Tyrone Waye needs 5 games to reach 50 club games; and Jaylon Wingfield needs 7 games to reach 100 club games.

South Augusta welcomes its newest and youngest member to the South Augusta Family. Boston Rex Trewartha was born to Jessie Maule and Ben Trewartha on 30th June. Congratulations to you both!

Boston is the first grandchild for Club favourites, Sue and Peter Trewartha, and Lee-Anne and Kym Maule.

FIRE EQUIPMENT MAINTENANCE GROUP

Fire Equipment Maintenance Group (FEMG) was established in Port Augusta in July, 2000. FEMG Managers, Darren McNamee, Ramon Kruger, Garry Gliddon and Wade Kammermann came together to provide service to the community due to the high demand for professional maintenance and servicing of fire equipment. Together, they built a team, at first beginning with four vans and one staff member, building up to what they have today, with a slightly larger sixteen vans and fifteen staff members. Fire Equipment Maintenance Group became a corporate member of the Fire Protection Association Australia in November 2000, and a member of National Fire Industry Association in January 2008.

To assist our customers they have in excess of 250 loan Fire Extinguishers (dry chemical powder and CO₂). When a customer's Dry Chemical Powder or CO₂ extinguisher requires hydrostatic testing, they will endeavour to leave a loan extinguisher in place until the extinguisher is returned. All water and AFFF (foam) extinguishers can be hydrostatically tested and recharged on site.
