UPCOMING SENIOR FIXTURES

SATURDAY 15th APRIL
Round 1
vs Sollies (PA)

SATURDAY 22nd APRIL
Round 2
vs Ports (PO)

SATURDAY 29th APRIL
Round 3
vs Prop/Risdon (PA)

The first trial matches have started with the first game to be played against rivals Sollies on 15th April. South and Sollies have been rivals over many years but particularly over the last 7 years with three Grand Finals and Preliminary Finals, and close tough games. With two players from last year's A Grade playing at Sollies this year, it will be even spicier... don't miss the first game and get behind all grades this year.

The last month has seen the A Grade and Under 13s win the Cricket Premierships - congratulations to all involved including A Grade Captain Ben Trewartha and Under 13 Coach James Harrison.

The Racing Tips concluded and the Footy Tips have commenced - all good fundraisers and many thanks to all those who participate, with funds raised going towards club projects.

We would love you to be a Vice President or Sponsor this year, with information recently sent out and included in this newsletter. Please contact a Committee Member for further information.

SCHOONERS DONATE DEFIBRILLATOR

We have amazing club members in our midst and that certainly includes great supporters Shane and Lisa Glass. They saw a need and have generously donated a defibrillator.

This is very much appreciated as it will be very helpful with easier and quicker access to a defibrillator in the club and on the field. It is sponsors like Schooners that make us a great club.

On behalf of all members, thank you Lisa and Shane.

FROM THE *President*

Welcome to the official launch of the SAFC Year of the Volunteer. This is your chance to contribute to our great club either on field, off field or both. There are numerous ways you can do this. In fact we are announcing the role of the micro-volunteer, a new idea regarding volunteer recruitment and retention. You can "bite off" as much as you like allowing for your time, work and family commitments.. You do not have to join a committee. You do not have to attend meetings. You could work from home. Maybe you will join our club field / boundary / goal umpires list (good money)? Maybe you would like to join the match day volunteers? Maybe you could join the fun our kitchen volunteers experience? Maybe you would like to help organise the Red and White Ball in August? From now on you can be a SAFC Red Army member at two levels - the current concept as a volunteer committed for the season; or as a micro-volunteer. Ideally we would like everyone to be in Level 1 but we know not everybody can do so. If you would like to be involved at any time we will greet you with open arms. Please consider joining our valued volunteers and share the passion and the load involved in running a successful community football club. Our core group of dedicated and generous volunteers need your support no matter how limited it is. Speak to a committee member or email [saafcplayers@internode.on.net](mailto:safcplayers@internode.on.net).

We are asking everybody to help out where they can. Renew or take out a membership. We are aiming for 500+ members this year (412 in 2022). Please help us achieve this target by renewing or joining membership and getting others who were not with us last year to join (prices have stayed unchanged for the fifth year running). Recruit new members and guests so we have a new source of support. Come for a drink and/or meal and bring your friends, workmates etc. Buy a few extra raffle tickets (including the Toyota SAFC Good for Footy Raffle detailed in this newsletter). Attend events when they are held including match days. Attend events as outlined in the calendar in this newsletter. Suggest your ideas for events we can pursue. Support our valued club sponsors for their support of our club in 2023 (see last page of this newsletter). Consider becoming a sponsor yourself.

- Mick Kerin

PRESIDENTIAL HOTLINE: A reminder that direct feedback from you is welcome via email at: [saafcplayers@internode.on.net](mailto:safcplayers@internode.on.net)

All feedback, suggestions, criticisms, etc are welcome.

UMPIRES NEEDED

We are seeking interested people to join our club umpire list. Healthy match payments are available each game.

If interested, please email interest to [saafcplayers@internode.on.net](mailto:safcplayers@internode.on.net). Please spread the word to anyone you think who may be interested.

It is a well-worn cliché, but no umpires equals no games.

2023 COACHES

The Management Committee has finalised coaches for all grades this season. Some assistant coaches have been lined up for some of the grades also. If you would like to assist with any grade, please speak to the appropriate coach. Training start dates will be notified when set.

PLAYER REGISTRATIONS VIA PlayHQ

It's time to sign up to play with the South Augusta Football Club this season. Players, volunteers and Team Managers can register for the 2023 season via PlayHQ at <https://www.playhq.com/afl/register/cdc337>.

All intending players MUST be registered to be eligible for selection.

The SANFL Players Registration Payment must be paid when registering., so it is basically no pay, no play.

This is NOT a club or SGL imposed fee.

SAFC membership is also added as a separate fee during the registration process.

WANT TO GET INVOLVED WITH KEEPING SAFC UP THE TOP?

IT JUST DOESN'T HAPPEN.....

The Football Operations Committee urgently needs people to get onboard to help with the football side of the club. This is a sub-committee of the Management Committee. If you think you would be interested in joining, please contact Kean Parrington on 0419 034 630.

MATCH LIVESTREAMED

South Australian Regional Football may livestream our match against Sollies on Saturday 15th July. It will be livestreamed at a cost of \$400. We need a few sponsors to make up this fee in return for many plugs throughout the coverage plus logo exposure on screen.. If interested in having your business spread across the airwaves, please see Mick Kerin ASAP.

TRIAL GAME FEEDBACK

Thanks to BMW players and supporters for making the trip for the recent trial game. Overall, it was a good day for the club, picking up a number of new families who we hope enjoy their Bulldog journey.

Many thanks to all involved in the trial, the Auskick game and the netball match.

Many thanks to the volunteers who worked on the merchandise desk and in the kitchen. Special thanks to PlayHQ guru Andrew Magarey who was kept busy helping people register with us.

CENTRAL OVAL MAINTAINANCE

Please be aware that the Central Oval grassed surface will be closed for annual maintenance from the end of March until mid-April. Please stay off it when accessing the club.

Dear Patrons

Due to rising costs we have taken the step to increase prices across the Club.

It is a decision we have not taken lightly, in some cases our costs have risen over 70%, it is a case of rising costs against steady or falling margins.

As part of this review, it was highlighted that we have not set higher prices for a considerable time.

In an effort to relieve some of the burden of increasing costs to our members, we will introduce a discounted rate for our members across a range of goods. The discounted rate will vary, but generally may be in the vicinity of 10% or so. To receive a discounted rate the member will be required to show their membership card.

It is estimated the price increase will occur from 15th April, 2023. Until then it's business as usual and we hope that you continue to enjoy the hospitality our great Club offers.

Yours Sincerely

Management Committee

MID-SUMMER BALL #3 FEEDBACK

SAFC held our first Mid-Summer Ball in 2019 and our second one in 2020. Combined they raised \$13,000 for MS and Breast Cancer charities. The amount we will send to Dementia Australia after Ball #3 is still being worked out, but will add to this staggering amount.

Besides the very important fundraising, we aimed to fill a spot in the Port Augusta calendar and provide patrons with a memorable night out.

SOUTH AUSTRALIAN VOLUNTEER CERTIFICATE OF APPRECIATION

We are asking you to nominate any of our volunteers who contribute to SAFC in any way.

Email their name(s) and a brief reason why they are valued at the club to [saafcplayers@internode.on.net](mailto:safcplayers@internode.on.net).

We will present these certificates regularly throughout the year. Again, I urge you to take a few moments to participate in this small gesture of thanks to our many worthy volunteers.

VOLUNTEER REWARD

I am pretty confident none of our Red Army volunteers do it for any type of reward, however it is nice to receive one now and again.

I quote from a recent club patron... *"We wish to express our heartfelt thanks for a most successful party. Food was tasty, plentiful and promptly served. All staff, kitchen and bar attendants were very friendly and helpful. They added to the success of the night."*

We also received a large number of pats on the back from patrons of two recent events held in the club.

You are needed to join the Red Army to spread the load and share in the rewards of volunteering.

It seems from this picture that our President may need to avail himself to some parking lessons from Club member and driving instructor, Carmen Kernahan of Carlton Driving School.

We hope that as a footballer, his kicking was straighter than his parking!

Gazza's GOSSIP

In this month's newsletter Gazza Kittel focusses on the life and history of Stan Burk and family.

Stan (pictured, left) and former wife Dawn (nee Khan) had two sons and two daughters. Chris played for South from 1985 to 1987 and Greg Played for South from 1971 to 1972, both coming through South's junior system. Greg played in the 1972 B Grade Premiership. Daughter Linley was a dedicated netballer and this year was elected Town Mayor. Linley's husband Rick Shine is a Life Member of the Port Augusta Racing Club and he still likes the social club, mixing with the public and helping with the busy bees. Karen is a resident of Marree, where she has been living for a number of years.

Football: Stan played for South Augusta from 1959 to 1964 and he played as a ruckman in the 1964 A Grade Premiership side (pictured, right). With a disheartening 33 point deficit at half time, South fought back magnificently to score a memorious win. This was the first Premiership in the SGL by a Port Augusta team and without the lionhearted effort of Stan Burk, this win would not have been achieved.

Swimming: Stan was a member of the Port Augusta Swimming Club and for many years he entered the swim through which was the long distance swimming event of the year. Stan had success winning the event and he also trained and coached local swimmers in the club.

Boxing: Stan had a great boxing record and held a title in the Armed Forces when he was in the Navy. Stan and brother Jim were valuable members of the Port Augusta Boxing Club.

Dancing: Stan and his partner entered the marathon dancing contest in Port Augusta. It took them all night to win the contest as the last couple standing wins, and Stan also had a big heart on the dance floor!

Marriage: In later years Stan married Val Maule, the late wife of Jock Maule, a Life Member of the South Augusta Football Club. Stan and Val cared for each other Val's passing . Due to declining health, Stan is a resident of Ramsay Village.

Fishing: Stan and brother Jim were local fisherman for years and had many good catches. I'm sure they have many stories to tell. Both were shack owners.

Employment: After Stan left the Navy, he joined the Railways and he gained positions as a shunter and Guard on the Transcontinental Line and the East West Line.

That concludes the story on Stan Burk, a proud person, and it was a pleasure that he was involved with the South Augusta Football Club and other sporting clubs in Port Augusta.

Thank you from the players and members of the South Augusta Football Club and we wish you the best of health.

BILLY'S CORNER

Sad news to hear about the recent passing of two past players for the club - Eric Poole and Max Polmear.

Eric Poole (pictured, above left) played for the club from 1958 to 1959 after moving from Quorn when the Railways closed in the town. Eric moved to Stirling North Railway Siding where he lived until his recent death. Eric played 20-30 games mainly in A Grade and was known as a determined player, mainly in the backlines where he impressed when the club didn't have a great deal of success. He was awarded Most Determined Trophy in 1958 and was amongst the best players that year. Eric later left football to play tennis where he played at Stirling and later All Saints at the highest level. He later coached tennis juniors, with his three daughters all being accomplished players. Condolences to Molly and daughters, Angela, Melody and Lisa and their families at this sad time.

Max Polmear (pictured, bottom left) played senior football in the same era in 1958, however he only played 1 year of senior football before he moved to Adelaide. Max played all his junior football at Souths and was known as a promising A Grade. He played in juniors with John Uma and Billy Baker and Gary Kittel says that if he had stayed on, he would have been part of the 1964 A Grade Premiership and he was a skilful forward with a high mark and plenty of speed. Condolences to Max's family at this sad time.

The Bulldog Maulers (pictured, right) took out both the Division 1 and Division 2 Premierships in the Twilight Tennis competition which concluded recently. The teams were made up of current South Football players, ex-players and parents of players, the current B Grade Coach and even a Junior Coach from another team who found it hard to wear the South colours on the night! The team was created over 10 years ago by current club sponsor Mark Maule, thus the name Maulers.

Although Doug Morton was not involved with Souths, his involvement with sports and community work needs to be mentioned. Doug moved from Kalgoorlie and obtained work in the Railways where he later became involved in the Union movement assisting thousands of workers who worked in the town, including many Southies. Doug was involved with football at Wests, swimming and community groups, volunteering many hours to good causes. It was sad to hear of his recent passing and condolences to his wife and family.

Recently caught up with past South cricketer and A Grade Premiership player Paul Trzeciak and his wife Sue, together with Sue's mum Anne in Adelaide (pictured, below left). Upon speaking with Anne it was discovered that Anne's great uncle, Jim Holdsworth, was a pioneer of Port Augusta, serving as Town Clerk in the Council from 1888 to 1930, a total of 42 years in the role. In that time Port Augusta grew rapidly from a small town of 2000 to a large town with the commencement of the Railways as a major industry. It was also discovered that Jim had a son called Jim or James who was Captain of South Augusta's first ever Premiership in 1918 and played for South in its first ever team in 1912. Sue and Anne were South Augusta royalty and for some reason Sue didn't know this when she lived in the town for 20 years before moving to Adelaide.

Paul, her husband, played for South in cricket and their three sons all played for South. There must have been something forcing them to play for the club and I reckon Jim might have had something to do with it after all these years!!

BILLY'S CORNER

The final day for the Racing Tips 2023 was held last week with Carol Brown winning the \$10 jackpot with a round of 33.1 points. Harry Waterworth and Grandkids' 5-year reign has ended with Peter Trewartha taking out the Racing Tips Trophy with a convincing win by 80 points. Top 5 totals were: Peter Trewartha 467.3, Harry 383.7, Harry and Grandkids 373.8, Jeff Shillabeer Jnr 370.9 and Michelle Brown 363.5. Thank you to everyone for participating and helping out on the day, particularly to Harry Waterworth for organising the catering, Kev Hillard and the Blinman lads for the race games and setting up with at least \$1300 raised for the Football Operations. See you next Racing Tipping season. - Thanks, Racing Tips Committee

Ex-South Augusta junior Isaac Keeler is settling into life in Melbourne and with St Kilda, winning the first two games - the club would be a good place to be around at the moment. St Kilda are also linked in with Sandringham in the VFL, so look out for him playing in the future. We believe he is currently injured.

Great to see South junior Heath Green was named in the Advertisers "Top 70 rising stars aged 22 and Under to watch in local SA season 2023". Heath was runner up for the Thirds SGL medal last year and we wish him well as he leaves that grade this year. This year will be a great opportunity for many of our juniors to play senior football and we wish them well as they learn the game at the higher level.

DRINKS VAN ON THE HILL PROJECT

The South Augusta Football Club plans to purchase a second-hand van (similar to that pictured below) to locate on the hill at Central Oval for use during the games. The van will allow spectators to purchase drinks at a better location, thus increasing revenue, with profits to go towards Football development. The project will also allow better access to people to refreshments at the local football.

The drinks van will also be used on big occasions such as Past Players and Officials Days, Family events during the year and can be loaned out to charity organisations.

The van will also provide an opportunity for spectators to meet on the hill, cheer on the team and be heard rather than behind the glass upstairs.

Support the project to get spectators out from "behind the glass and get on the grass". It is estimated that it will cost \$4000 to purchase the van.

Click on the link and donate. Any donation, no matter how small will be gratefully appreciated and will be tax deductible:

CRICKET UPDATE

What a way to finish the cricket season with Premierships in both the A Grade and under 13s!

The A grade went into the game as underdogs against Quorn, but fortunately won the toss and elected to bat. After a cautious start that saw the in-form Sam Maule go early, Will Waterworth and Todd Kernahan built a steady partnership of 39 before Will fell LBW. The wickets of Kernahan and Shirley fell in quick succession to leave us in trouble at 4/52.

This left young guns Rex Waterworth and Rowan Irvine with the task of rebuilding the innings, which they did with maturity and skill, and when Rex was dismissed for 29 they had put on 52 and set the innings up for the big hitters at the end. Rowan followed a few runs later for a well-made 29, then Travis McNamee was caught on the fence trying to get quick runs. Billy-Jo Russell joined skipper Ben Trewartha at the crease and this saw the scoring rate increase, a huge six into the bowling green from the skipper then two onto the mound in front of the bar from "Boom Boom" Billy saw the total end at a very competitive 150.

It was always going to be a task to contain the highly talented Quorn batting line up. Despite some tight bowling early from Clayton Parkinson, Will Waterworth and Travis McNamee, we couldn't make a breakthrough. The skipper then tossed the ball to Grand Final specialist Craig Shirley who quickly claimed two wickets, including that of the opposition skipper for a duck.

Quorn were rebuilding before a great bit of fielding from Todd Kernahan and Sam Maule forced a run out and when Cameron Parkinson accepted a hot return catch from Quorn's in-form opener Liam Bury, the game was leaning our way. Two good outfield catches from Rex Waterworth and Shirls, and a return spell of 3 wickets from Craig Shirley, then Will Waterworth, went straight through the defence of their number nine. When Clayton Parkinson took an incredible return catch, the game was all over and we were back-to-back Premiers - this time by 29 runs.

Craig Shirley was named Man of the Match for his figures of 5/32. Incredibly this was Craig's third Man of the Match from our last three premierships - a magnificent achievement.

The win was a great team effort with every player contributing something on the day. The leadership of Captain Ben Trewartha must be acknowledged as he has moulded a close-knit team of lads who love playing cricket together.

South had won back-to-back Premierships for the first time since 1990/91 under Captain Robert Rozee, and it comes in the club's 60th year, also celebrating anniversary Premierships from 1992/93 (30 years ago) and 2012/13 (10 years ago).

South 10/150 vs Quorn 10/121

South Batting: Rex Waterworth 29, Rowan Irvine 29, Todd Kernahan 21, Billy-Jo Russell 19 and Ben Trewartha 15.

Quorn Bowling: Cam Finlay 3/27, Jack Allen 3/16, Liam Bury 2/35, Tom Finlay 1/19 and Corey Finlay 1/25.

PHOTO: A Grade Premiership team

Quorn Batting: Liam Bury 45, Scott Williams 19, Corey Finlay 17 no, Tom Finlay 16.

South Bowling: Craig Shirley 5/32, Will Waterworth 1/14, Clayton Parkinson 1/3 (5.2 overs) Cameron Parkinson 1/16 (9 overs), Todd Kernahan 1/15.

The Under 13s went in favourites after beating Quorn two weeks prior, but after winning the toss and batting we lost in-form openers Leo McInnis and Diesel Arnold early, to be in trouble.

A solid partnership between Jake Lynch (19) and Jake Davenport saw the innings back on track, and when Lynch fell Logan Ruffles batted well for 13.

From the departure of Logan it was the Davenport show - he hit balls to all parts of the ground and when he was finally dismissed for a match winning 65, the score with the help of the younger lads in the lower order was a very competitive 151.

Knowing Quorn had made 1/173 against us only two weeks before, coach Harrison was looking for early wickets. Tight opening bowling from Diesel saw him claim two wickets, a crucial run out and a wicket to Logan saw Quorn slump to 4 /49, and the game quickly going our way.

CRICKET UPDATE *(continued)*

From then on it was a steady stream of wickets led by Jake Lynch (2) and Eddy Heron (2), plus tight bowling from all the younger players that saw us dismiss Quorn for 93. Winners by 58 runs to claim back-to-back titles and Jake Davenport was named Man of the Match for his great innings of 65.

South Batting: Jake Davenport 65, Jake Lynch 19, Logan Ruffles 13, Bowling: Diesel Arnold 2/7, Jake Lynch 2/13, Eddy Heron 2/7, Logan Ruffles 1/15.

Quorn Batting: Harry McAuley (c) 39, Noah Kruger (c) 19
Quorn Bowling: William Du Bois 2/14, Samuel Finlay 2/11, Kallan Holtham 2/5, Noah Kruger (c) 1/26, Angus McInnis 1/11.

Congratulations must go to first year coach James “Boots” Harrison, who has done a fantastic job with a group of players of all different ages. Thanks to all the parents and supporters who backed this team all year.

As a club it was our turn to run the bar/canteen for the final series - a massive shout out to anyone who assisted and gave some of their time to volunteer. A big thank you to all our sponsors and supporters who have been great all year and turned out in force over the final series

Lastly, a big thank you to the Footy Club who have supported us all the way - from vouchers for players, Thursday night teas, loaning of equipment for the bar, and generally being there when we needed something.

Hoping to see you all back next season,
Jarrod Waterworth

On March 13th the South Australian Cricket Association (SACA) held their Community Cricket Awards at Adelaide Oval, to celebrate and recognise the work of Volunteers in the cricket community.

South Augusta's very own Jarrod “Jak” Waterworth was recognised as a finalist in the Volunteer of the Year category. This category represents an outstanding individual who has demonstrated significant contribution and leadership in supporting their Club, Association, program or team to create great experiences for their community.

Jak represents all of these aspects and more so to have him recognised for all his hard work by the SACA is something Jak should be very proud of even though he will say it's a team effort.

On behalf of the South Augusta Cricket Club we congratulate Jak on this fantastic recognition.
