After five matches, the A Grade has not had the best of starts with one win and four losses. However, the B Grade has performed well with four wins; and the Under 18s had a great win last week against Sollies.

The loss of at least nine players from last year's A Grade Grand Final win will mean that it will take awhile for new players to find their feet and, with a few recent injuries, the club will be tested in its depth. However, this will create opportunities for those who aspire to play at the higher level. The second half against the undefeated Sollies showed a lot of promise.

The next few matches include an important one on Saturday against Ports (at Port Oval); against Lions (at Central Oval) on 5th June; the SGL v Whyalla FL game (in Port Pirie) on 12th June; against Central Augusta (at ETSA Oval) on 19th June; and against West Augusta (at Central Oval) on 26th June.

VOLUNTEER WEEK 17-23 MAY

Our annual Volunteer Recognition round was played against Solomontown on Saturday. We would like to take this opportunity to acknowledge and thank every SAFC volunteer, past and present, who has contributed over the past 109 years. Perhaps some of you may consider joining our volunteer groups. We always need more and will find a role to suit you.

National Volunteer Week celebrates the significant contribution of Australia's almost six million volunteers who dedicate over 600 million hours per year to help others. It is time to:

- Recognise, celebrate and thank volunteers for the vital role they play at SAFC
- Ask yourself how you can give your time to help SAFC especially in COVID-19 times
- Ask how SAFC can better support our volunteers so they can continue their roles without fear of burnout

***THIS IS LOOMING AS A MAJOR PROBLEM AND WE DESPARATELY
NEED YOU TO ANSWER THE CALL***

As an example, due to COVID-19 requirements we currently need urgent help on the gate on home match days to count people as they leave the oval. Please consider helping for an hour or two with this very easy but vital role which will help football get through another COVID-19 affected season.

FROM THE *President*

It has been an extremely sad and stressful time for all involved at SAFC. I would just like to include an update of my statement dated 15th May and ask that we look out for each other as we prepare for a huge funeral on Friday 4th June.

STATEMENT FROM SAFC (updated)

All at South Augusta Football Club were shocked to the core upon learning of the devastating loss of our past player, coach and mentor for our indigenous players. Words fail to express the loss we at SAFC feel, and feel for the family. A great loss also to the Port Augusta community and especially to SAPOL. We have worked very closely and carefully with the family to respond in a culturally sensitive way which explains our delay in posting our original statement. The one-minute silence observed at the South v West match was our first chance to grieve publicly as a club and community. Many in attendance took the invitation to line the oval boundary to join in this tribute. Players, umpires, officials, SAPOL colleagues and Quorn Wolves joined the tribute by lining the centre square. This is a very hard time for all who knew him and, of course, all family members. On behalf of all at SAFC we pass on our deepest sympathy to all family members. To all affected by this loss please look out for each other as we travel this extremely painful time.

A brief look at his contribution to SAFC shows:

- Joined the club from Quorn Wolves in 2003 after playing for South Augusta in the Colts
- After playing in the middle when he first started, he moved to full forward and was invaluable in our success with his accurate kick for goal and quick recovery, beating most opponents
- He retired after playing a few games in 2017 with 108 A Grade games and 17 B Grade games
- In 2005, he kicked 4 goals in the Grand Final loss to West Augusta for a total of 39 goals for the season
- In 2006, South won 12 games in a row to win the Premiership after a poor start to the season.
- In 2006, he kicked 12 goals against Quorn/Wolves
- In the 2006 finals, he kicked 7 goals in the first Semi Final; 11 goals in the Preliminary Final (against Port when South won 28.15 to 7.9); and kicked 7 goals, 5 behinds in the Grand Final against Central for a total of 25 goals in the three finals games, which played a huge part of the Premiership win, with a total of 79 goals for the season
- He was named Best Player in the Preliminary Final and in the Best 5 Players in the Grand Final and deservedly won the Fairest and Best for the Club
- In 2007, he kicked 106 goals for the year, the first South player to kick 100+ goals in a season
- That year, he made the Port Augusta Team of the Year, Northern Cities Team and Team of the Carnival
- In 2008, he kicked 21 goals, missing a few games through injury but captained the Port Augusta team which won the State Aboriginal Championships
- In 2012, he played in the losing B Grade Grand Final against Lions
- In 2015, he coached the South Augusta Under 15s to a Premiership
- He made the SGL Team on several occasions
- He also served on the Football Committee for 1-2 years and continued to mentor the younger indigenous players after he retired

- Mick Kerin

MESSAGE FROM SGL RE CROWD BEHAVIOUR

Attached is a request for all players, officials and spectators who attend the football to abide by a code of conduct. It is not onerous to apply so please do so and remind those around you to do so also.

Interesting to note the date on this document. Unfortunately, it is still needed to be advertised all these years later.

PORT AUGUSTA COUNCIL REQUESTS

All who attend games at Port Augusta Council ovals are requested to take better care of the oval environments especially with regards to disposing of rubbish. Please either use the bins or take it home with you.

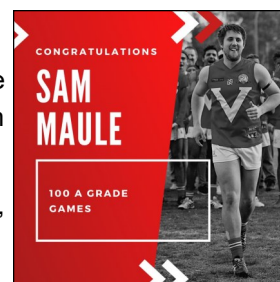

We would also like you to intervene if you see patrons (especially children) running or loitering within the club balconies or stairs and using the lifts. Many hands / voices make it easier for all of us.

Thanks in advance.

PLAYER MILESTONES

Great to see Sam Maule play his 100th A Grade game recently. Sam played in the three Premierships from 2016 to 2018 in the backlines, wing or on the ball and we welcome him back to the club this year after a stint at West Whyalla.

Chris Heron recently followed up his 200 SGL game milestone with his 250th club game, made up of 202 A Grade games and 48 B Grade games.

Kyle Aitken (pictured left) played his 50th A Grade game recently, including three A Grade Premierships in 2018, 2019 and 2020. He plays mostly as a wingman but more recently in the forward lines. Kyle has played most of 2018-2020 in A Grade, following a stellar year in B Grade in 2016, and playing a handful of A Grade games in 2017. Kyle has pace to burn and can set games alight on the wing. He has a bright future with the club and has become a permanent member of the A Grade team.

Dylan Barnett recently played his 100th club game. Dylan debuted in 2013 and started his career mostly on the wing. He is now a strong defender. After some time in the B Grade, he has knuckled down and regained his proper place in the A Grade side. Dylan's achievements include A Grade premiership player from 2016, 2017 and 2018; B Grade premiership player in 2015 and 2020; B Grade Fairest and Best Player in 2019 and 2020; and Best First Year Player in 2016.

Ethan Gade and Micheal Collins made their A Grade debuts last week against Sollies. Both players, who have come up through the juniors, picked up several touches.

On the other side of the ledger, B Grade coach Matt Phillis played his first game since 2015 last week. Matt has now played 5 A Grade games and 68 B Grade games and its great to see him back at the club after a few years away.

Jack Menzies (pictured left) plays his 100th senior game this week, which includes 25 A Grade games plus 74 B Grade games. Jack came up through the South juniors and started playing senior football in 2011. He moved to Adelaide for 4 years to study to be a teacher and returned to work at Port Augusta West Primary School. He has played in the 2018 and 2020 B Grade Premierships. Jack is a well respected player and is regularly amongst the best players in the B Grade trophies at the end of the year. A ruck, onballer and forward, Jack is used in a variety of positions and is a leader on the field. He has also coached at the Under 18s level.

Kriston Thompson (pictured right) plays his 50th A Grade game this week. He joined the club in 2018 from West Augusta, and previously North Adelaide where he played over 80 games. He played juniors for Willsden. Kriston has played the 2018, 2019 and 2020 A Grade Premierships. He plays in the centre and on the ball, always putting in consistent great games for the club. He has won the Fairest and Best Player in 2019 and 2020, and has assisted James Boles with a coaching role. He is a great mentor for the younger players at the club and is currently a Director with the Clontarf Foundation at Port Augusta Secondary School.

Congratulations and well done to all milestone players!

TRAX 105.1 FM FOOTBALL BROADCASTS COMEBACK (HOPEFULLY)

Many will recall the TRAX broadcasts from a few years back. We are attempting to bring them back (at least for some SAFC games) for the benefit of our members who can't get to the football for various reasons. The first broadcast MAY be as early as this Saturday (v Port from the Port Oval). The number of games broadcast will be dependent on getting volunteer(s) (there is that word again!) to jump aboard. If you would like to be part of this initiative, please let me know ASAP..... it is not as hard as it seems!!

CLUB COLOURS

The SGL sent a reminder regarding By-Law 14 – Club Colours. There have been instances of breaches of this by-law and all Clubs are reminded of the following:

- The dress colour of the runner will be fluoro lime.
- The dress colour of trainers / water carriers will be white trousers and predominately white tops.
(Please note after concerns expressed for the on-field safety / comfort of trainers / water carriers we intend to address the SGL with some proposed changes to this)
- Any viewed undergarment worn by a player is to be a bone or a similar colour approved by the Board / Executive prior to entering the playing field.
- Umpires have been asked to take particular notice of this. Any player / runner / trainer not complying will be asked to leave the playing surface until rectified.

BILLY'S CORNER

David Robinson is leaving Port Augusta after several years of being involved with the football and cricket clubs. David was recruited to the club in 2011 and played 40 A Grade games and 10 B Grade games before injury curtailed his career. Robbo played in the losing 2012 B Grade Grand Final side, but played in the 2012 A Grade Premiership side and was known as a hard hitting top order batsman who occasionally bowled. David also captained the A Grade cricket side for several years and served as President of the Port Augusta Cricket Association and South Cricket Club. We wish him well in the future shift to Adelaide.

Isaac Keeler, son of South Augusta premiership player and Madigan Medallist Keiron Keeler, is going well in the North Adelaide Under 18s, kicking 9 goals so far this season and averaging 14 possessions per game. See more of Isaac and a recent great mark by clicking on <https://www.youtube.com/watch?v=w992ii0Gg3g>

You may know of ex-Whyalla player Stuart Beaton, who played in last year's South B Grade Premiership. But did you know he took a specky while playing in Whyalla. We came across this photo (right) of Stuart with coloured hair, courtesy of a workmate. Stuart currently plays for the Bulldogs in table tennis and twilight tennis. There is talk of a comeback to football but we are not so sure.

Footy Tips are heating up after the first 10 rounds, with the Top 5 leaders comprising the two Jeff Shillabeers, Jak Waterworth, Marg Waterworth, Kean Parrington and Jack Magarey. Still plenty of time to go in this great fundraiser for the club.

South Augusta Bulldogs Table Tennis team is sitting in second spot after the first three games; and the Bulldogs Eight Ball team is around the mark with Captain Andrew Reynolds hoping the team can continue to perform.

Congratulations to Adam Grantham and Erin Egel on the recent arrival of Kye Adam (pictured left, with brother Lachlan), weighing 8lb 6oz. Kye is Erin and Adam's second child.

Congratulations also to Mark and Amanda Horner on the recent arrival of Levi (pictured right, with siblings Lilly and Jackson), weighing 9lb 2oz. Levi is Amanda and Mark's third child. Amanda's cooking team was cooking Friday night teas the night before Levi's birth. Amazingly, she helped her team to churn out 120 meals, before his birth at 6:00am the following morning. That is volunteer dedication for you!

THINK! ROAD SAFETY INITIATIVE

SANFL Community Football is proud to be continuing our partnership with the Department for Infrastructure and Transport in 2021 – and welcomes you to the THINK! Road Safety initiative.

Sharing the road safety message with the South Australian community has been a focus of the State Government for many years, recognising that football plays a pivotal role in connecting communities across regional South Australia.

SANFL Community Football incorporates around 180 regional footy clubs around South Australia that attract approximately 15,000 senior players each year. Sadly, it's these same players, their mates and their communities that are so often affected by road trauma.

That's why we need you to help us raise the profile of road safety in your community, and be a role model for improving road safety behaviours. Our aim is to build greater community awareness of the importance of being safe on our roads and to further reduce the number of lives lost and serious injuries on regional roads.

By working together as a team, we can all THINK! Road Safety to help to change driving behaviour and ultimately contribute to reducing the road toll.

BRINGING THE MESSAGE TO LIFE.... "THINK ABOUT WHO YOU'LL LEAVE BEHIND"

SOUTH AUGUSTA BULLDOGS

**We are the mighty Bulldogs
Always fighting on
With victory and flag our goal
With guts and determination
We put the rest to shame
Because our fighting spirit wins the game**

**We're the Bulldogs, yes we are
We're the greatest, yes we are
The mighty white V will stand for
VIC-TOR-Y
Rough, tough Bulldogs, yes we are
South Augusta, yes we are
The southerners for evermore!**

GAZZ'S GOSSIP

In this month's newsletter Gazza concentrates on the Baker family and their involvement in the club. South Augusta is a family club, and the Baker family are just that. Allan and Rita Baker had five boys and one girl. Allan, who was employed in the railways, was working at Mambray Creek when he transferred to Port Augusta and the boys got into action by selecting South Augusta as their club. The brothers Bill, Jeff and Rodney played in the Under 18s and progressed into the seniors. Other brothers Robert and Phillip did not play for Souths and pursued other interests.

Bill Baker: Bill played from 1959 to 1972 and in those years he became one of our finest players, playing over 150 senior games and becoming a Life Member. He was a member of the 1960 -1962 B Grade premierships and a playing member of the historic 1964 A Grade premiership. One of Bill's greatest memories was playing alongside the great Jimmy Anderson. Bill has been a fantastic sponsor of the club over the years and when we auctioned off the 2012 Centenary guernseys, Bill claimed No 7 and no one else had a chance as the sky was the limit. Bill also played cricket for South, winning premierships as captain in all three grades. He also played tennis and eight ball for Souths. Later in life, he has been involved with lawn bowls and when it came to eight ball there was no way he was going to let anyone beat him. Bill worked in the railways for many years and was transferred to Port Pirie at one time, where he played for Sollies. Supporters of the club will remember Billy's Corner at the old club where anyone who sat in the corner would be showed the clenched fist.

Robert Baker: Like Bill, was a fine sportsman who played football for West Augusta together with cricket, golf and was a Life Member of the Railways Tennis Club. Robert's wife Helen is niece to Central Augusta great Ted McAuliffe.

Rita Baker: Bill's mum was a staunch South supporter who would attend games to watch her beloved sons play. When it came to the umpires, she would make her presence felt. Rita was a loyal member who was involved with the Ladies Committee, her speciality being freshly cooked home-made sponges.

Jeff Baker: Bill's brother played from 1964 to 1969 and was a ruckman, just losing the B Grade Grand Final after only one loss for the year but making up for it in the 1965 B Grade premiership.

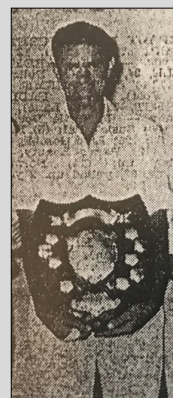

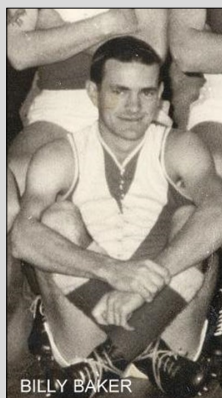

Rodney Baker: Bill's other brother played from 1966 to 1973 and in those years Rodney was a regular seconds player, together with games in A Grade. He was also an accomplished tennis player and cricketer.

Bev Baker: Bill's sister was the only girl in the family and was a talented netballer; and like the rest of the family was a loyal South Augusta supporter. Bev is married to former South Augusta player Peter Leader.

In closing I would like to say that South Augusta has been blessed with successful families and Bill and his family can hold their head high and deserve a place in the long history of the club.

PICTURED (L-R): Bill playing pool at the old clubrooms; Bill in the 1964 premiership team; Bill in his cricket days

FOOTNOTE - UNUSUAL VOLUNTEERING EFFORT:

In recognition of Volunteers Week at the club, I would like to bring to your attention an unusual volunteering effort back in 1985 when the old club on Conroy St was undertaking some extensive renovations to double the size of the club. My father Les Kittel asked a Willsden player Ray "Cocky" Thomas to help him with the electrical required at the club as he knew him as a capable worker in his company. Ray was more than happy, as a Willsden player, to come along and volunteer his time to help, and together with other Southies Ci Collins and Kelvin Strawbridge, the work was completed to a high standard. It's not often that you would see a player from another football club volunteer to help another club but Ray and Les had mutual respect and he showed great sportsmanship to undertake the job.

Ray is not in good health at the moment and the club wishes him the best of health in the future.

- Gary Kittel

SEEKING SPONSORS

The South Augusta Football Club Management Committee are currently in the process of recruiting sponsors for the 2021 season.

Our League side are the proud "5 in a Row" winners of the 2016, 2017, 2018, 2019 and 2020 Spencer Gulf Football League (SGL) Premierships led by coach James Boles. These successes are a direct result of many hours of hard work from players, officials, members and of course, contributions from our highly valued sponsors. We are also the proud custodians of the 2020 SGL B Grade Premiership flag.

South Augusta Players, Committee Members and Members wish to sincerely thank the sponsors that were able to remain with us through what was a challenging 2020 for all.

Of all years, support in 2020 played an integral part in enabling us to field competitive teams in all grades. We do however understand that many ongoing sponsors may have struggled financially throughout 2020. With this in mind we did our best to still support these businesses and acknowledge their ongoing support in the hope of better times ahead.

The club will be sending a letter to possible sponsors soon. Please consider the different categories of sponsorship and if you are interested, please contact Simon Owens on 0419808663 to obtain a Sponsorship Form and return it to the club. Alternatively, Simon can visit your premises to collect it. We are also happy to discuss your sponsorship in more detail if a tailored package is required.

SPONSORSHIP 2021

A huge thank you goes out to all 2021 sponsors who have signed up to date. These businesses, individuals, families, and club fundraising groups have always contributed to the ongoing success at Souths both on and off the field. Members are reminded to support these businesses with your patronage and don't forget to mention that you are a Southy.

Remember that the club is open to new sponsors and importantly, feedback from our existing ones. Also keep in mind that the offer is ever present for our sponsors to Simon Owens, Mark Shirley or Grace Forrest to gain some exposure in our monthly newsletter. Feel free to send us any photos and / or information about your business that can be published in the newsletter.
