## **Presidents Report**

Welcome to the South Augusta Football Club 2014 Presentation Evening. Welcome in particular to the Victorious 1964 Premiership Team for their 50<sup>th</sup> Anniversary of its famous victory over Ports. We also this year have celebrated the 20<sup>th</sup> Anniversary of our 1994 Premiership win also against Port played in Port Pirie. Our 2014 season didn't finish as well as we would have liked. All 3 senior Grades made it through to the Prelims and unfortunately we lost all 3 games on the day.

Many thanks to Cameron Redden (in his 1<sup>st</sup> season as A Grade Coach) Bluey Bolitho and Craig Ritter who all put in long hours and great effort during the season. Thanks also to their assistants, our trainers led by Peter Walsh, Timekeeper Ricky Gill and Team Managers of our Senior Teams. Thanks also to the Junior Colts committee led by David Williams and the Coaches and helpers during the season. The junior Colts are the life blood of our football club. We look forward to getting started on our 2015 season; Cameron Redden has been re-appointed as A Grade Coach and already planning ahead.

On Central Oval we are close to finalising a lease agreement and we will have more definite news soon. To say the least we will be there early in the New Year, all going well. We will also plan a suitable farewell to our current home for over 50 years.

Thanks also to the kitchen crew Trev and Joyleen White and all the helpers on Rosters during the year, a terrific job done by all. To all people including the management committee, the Football Committee and the Ladies Committee thank you for your time and valuable input at our club. Lastly many thanks to the Sponsors, Vice Presidents and others involved in fundraising to help us get the team on the field each week, we couldn't do it without you. Gary Kernahan

### **A Grade Report**

This season was one of growth but also lost opportunity. The Club was keen to see Finals action again after a disappointing year prior and achieved this goal and many other positives looking forward, but the fact that we also underachieved and let a real chance at the Flag slip should drive us.

Following a well represented month of Off Season training prior to Christmas, the Pre Season programme began on January 18th. Training twice a week we focussed on skill development and decision making from the outset, as these were recognised as deficiencies, as well as general game-like conditioning on the track. Numbers were impressive and most players trained with a genuine intention of self improvement. We had a successful training camp at Pichi Richi Park with thanks to Nic and Jodie Bouilly for again making this facility available. The first two trial games against North Whyalla and BMW gave us a good look at individual players as well as identifying areas of both strength and weakness. Our last trial against Kimba was a "dress-rehearsal" for Round 1 vs Ports and the team gelled very well and followed this up with good wins in the first two rounds.

We then played poorly for a number of weeks and it became clear consistency was an issue for us. Other than a very good patch of 5 straight wins in the back half of the season we seemed to struggle to follow up a good week or fortnight with another. Fortunately for us our opponents seemed to have similar issues and we found ourselves on top of the table at the end of the minor round with 11 wins and 6 losses. Our major round was extremely disappointing, losing both games in 30 minute lapses, showing a lack of hunger and responsibility in this time- the basics of success; as proven on Grand Final day by winning underdogs Solomontown.

I believe those players who are hurting and keen to make amends will push their names in the way they approach the 2015 program in terms of selfless commitment and sacrifice to make it happen. Some have said our best football was superior to any other teams on our day in 2014 but that implies that it's a mental thing and that we need the "planets to align" to be the best when really we just need to be BETTER THAN ANYONE ON ANY DAY and will get there if we can ignore the temptation to make excuses or wait for the easier path and instead challenge ourselves to strive for perfection.

### **Thankyous**

Firstly, thankyou to the players for putting their body on the line each week for the South Augusta Football Club. Shane Kennedy and Lee Schmidt Assistant Coaches this season were very committed and knowledgeable together with Lee Willcock who was runner for the A's. The Leadership Group consisted of Adam Grantham (Capt.), Mark Horner, Brock Laube and Ben Trewartha (V/Capt). Thanks to all of you. Peter Walsh certainly is one of the most dedicated trainers around and we thank him for his efforts during the week and with his loyal group of trainers matchdays. Thanks to all.. Nick Heron did a great job as the team manager (as well as Andrew Magarey while Nick was on leave). Mick Kerin did a terrific job as Team Statistician. Thanks also to Bluey and Crom and Ritts and Feyne for their involvement and support of the A grade team in addition to their own sides. Special thanks to Judith and Yucka Barnett for being an extra help on the sidelines at trainings. Cameron Redden

### **B Grade report**

The B grade had a great start to the 2014 season we won 4 of the first 5 games only losing to the Lions who have been the team to beat for the last 3 years, the players were training hard and putting in great efforts on the training track and on game day. We started getting injury's in both grades our biggest loss for the season in the B grade was our ruckman Dippa who had 5 best on grounds and we had to accommodate for that so we played Brett Pascoe there, he didn't have much help as we didn't have too many tall players but he did a fantastic job giving us first use of the ball and playing 4 quarters as our ruckman.

Each week there was always a new challenge we had a lot of players working shift work and they could only play 2 out of 4 games and the A grade was the same so we had to have players ready to go when they were required by Reddo, every week there were between 6 and 8 changes for the B grade so it was a different team every game but this ensured all the players that were doing the right thing and coming to training would get plenty of games for the year.

We played over 40 players through the B grade and we also used 6 colts that asked me every week for a game, they are the future A graders of this club so I thank all the colts that stepped up and played some great footy for us this year and I'm sure they'll do it all again next year. We ended up winning 12 minor round games and finished second to the Lions which meant we had to play them in the 2<sup>nd</sup> semi final for a spot in the grand final, we played them and went down by 6 points and that was the difference in us playing in a grand final as we lost to Centrals in the Pre-lim the following week and it was great to see them get belted off the park in the GF.

I would like to thank all the people who ran water for us over the course of the year your help was very much appreciated I would like to thank Walshy and Val for the work they did for the players and keeping most of them out on the track and I want to thank my runner Fayne Kaesler, my team manager who is off in America living it up, Jason Waterworth and also my assistant coach Dwayne Crombie who have been a great help over the course of the year.

It has also been great working with Reddo who will be coaching the A grade again next year and I would like to thank the players for their commitment this year even though we had a disappointing end to the season going out in straight sets, I'm sure they'll come out next year and do it all again. We move to the new clubrooms for the start of the 2015 season which will be great as it is all about accommodating the players of today not the past players. Personally it will be a sad day when the doors shut for the last time as I and many others grew up as young kids at this club and you can still remember people and family members that are no longer with us drinking and doing their bit at Souths FC, but they will never be forgotten, it is the end of an era but it is also the start of a new one, all the best to all grades next year hopefully we can take the extra step that we didn't take this year. Thanks BLUEY!

### **Under 18's Report**

At the start of the season we only had about 12 names and fielding a team looked really difficult, however by the first game we had 20 players, as some of the boys were prepared to play football as well as their other sports, a couple of lads came home on weekends to also play, and suddenly we had a very competitive team. As the season continued we were in the top 2 teams despite losing some players to the A Grade, Dylan Barnett and Billy-Jo Martin, and some lads leaving town, we were very lucky to have several Under 15s that put their hand up to play, and fitted into our team extremely well, Mitchell French, Paul Glass, Will Bolitho, Rowan Irvine, Kyle Maison, Dylan Bates, Slade Petry and Marshall Stuart are all going to be very good footballers for our club over the next few years, so keep up the great work.

Our first year players were very good as well and often showed their older teammates what was expected of them, these include Trent Ritter, Harry Holland, Challan Stuart, Dareyan Solomon, Josh Forrest, Darrion Buzzacott, Jake Wilson and Kade Baker ,who told me in one game that it didn't matter to him how much game time he got as long as the team won, a fantastic way to look at a team sport.

The second year lads were very consistent and often helped the first year players in tight games these include Dylan Testro, Sabian Wilton, Josh Hillman, Daniel Taylor, back from injury, and Aziel Stuart who came home from Adelaide each weekend.

Finally we had the 3<sup>rd</sup> year lads, these guys put everything they had into the games and would often try to win games off their own boot to get the team over the line these included Caleb Ritter, Todd Kaesler, Craig Shirley, Jamahl Campbell-Waye, Daniel Elliot, Daniel Glass, Tom Hore all showed great leadership qualities throughout the season and all should progress to be great footballers for our club.  
In July Dylan Barnett, Aziel Stuart and Dareyan Solomon made the U/17s North Adelaide Country Team and were lucky enough to win the Grand Final.

Caleb Ritter won the Under 18s Bishop Medal as the Fairest and Best Player and also won the Kevin McSporran medal as the highest vote getter in Port Augusta. Caleb also won the Charles Robertson Leading Goal Kicker for the Under 18s which was a great achievement as he played with an injury for the last 8 games. We lost our 2 finals games to finish the year a disappointing 3<sup>rd</sup>, as this was a great chance for the team to go back to back, however I am sure that the boys will be more determined next year to get into a grand final. Thank you to Feyne Kaesler- Assistant Coach, Andrew Magarey-Runner and Nick Heron-Team Manager who helped me every week, also to Damien Forrest for being the Runner in Mags absence a huge thanks to Peter Walsh as the Head Trainer also to Val Waterworth and Jasmine Ritter for helping Peter on game day and Harry Waterworth who was always there when I needed help.

A special thanks to Mark Shillabeer, Billie Kernahan, Arnie Warren who ran water each week and also to everyone that helped throughout the season. Thank you also to all the sponsors that gave our weekly awards.

## **Ritts**

### **Under 15s Report**

Well what a tough year it was for the U15's winning only 1 game for the season. Despite having over 30 players come through the U15's we seem to struggle putting the same team on the field each week. Generally we were able to keep up with teams for half a game but then let ourselves down for the other half. We were lead very well by our captains Paul Glass and Slade Petry who both showed maturity well beyond their years both on and off the field. We had a number of U15 lads play U18's and I'm sure Ritts was very happy with their contribution all accounting themselves very well especially considering some kids were first year U15's.

A big thankyou to all that helped out throughout the year including Rose French and Dale French, Donna Irvine, Bluey Bolitho, Buck Everett, Scott Sard, Jarrod Waterworth, Mick Horner, Anthony Smith, Ricky Gill, Peter Walsh, Val Waterworth, Andy Reynolds, Snake Owens and Lee Willcock.

Trophy winners this year were:

Best & Fairest: Mitchell French

R/Up Best & Fairest: Will Bolitho

Franco Farr Memorial Most Committed: Paul Glass

Most Consistent: Kyle Maison

Best Team Man: Dylan Bates

Most Improved: Rowan Irvine

Coaches Trophy: Slade Petry

Goodluck to those lads that move up to U18's next year, We hope to see you out at pre-season! To those guys that do not move up make sure you remember this year and draw upon that experience and see if we can give the competition a good shake up next year.

Jake and Daniel

## Under 13s report

### *South White U/13*

This season started with the splitting of the U/13 into 2 even teams with the idea of giving every player the opportunity to play as much game time as possible.

Although the White side only won 3 games and missed the finals the improvement in all the lads was great to see. We have a lot of small lads who in time will grow into being senior footballers for our club.

As in organising any team the backroom staff are all important so a big thanks to Jube ( Assist coach ), Simon Clancy, Trav Cooper, Lee Willcock and Trish Noble for all their support.

Look out for the following trophy winners as they progress through the Grades.

|                 |                                                                                                                      |
|-----------------|----------------------------------------------------------------------------------------------------------------------|
| Fairest & Best: | Will Waterworth – Very courageous player who runs all day ,great tackler and great kick                              |
| Runner Up:      | Will Coe -Tall strong marking player whose presence on the field grew with every game.                               |
| Best team Man:  | Hamish Lord – Only small in stature but with a huge heart, Does all the 1% things coaches love.                      |
| Most Improved:  | Ethan Gade – Very skilled lad whose skills, tackling and defence improved out of sight during the season.            |
| Most Dedicated: | Eric Akker – Tough straight through player who took on the most difficult defensive task each week without any fuss. |
| Coaches Trophy: | Blake Cooper – Long kicking , high marking player who plays both ends , our leading goal kicker this season.         |

### *U/13 Souths Red*

Due to only three teams being nominated for this grade it was agreed by all clubs for each team to split there groups into 2 teams providing a 6 team competition. This allowed all players to play 4 quarters each week which benefitted each players development. South opted to divide there 2 teams with an even strength in each team. Round 1 started with a Derby between the 2 Souths teams which saw the Souths White team take bragging rights. It was from this point Souths Red began to improve, more players attended training, there was a willingness to learn, and new ball drills that were once not possible became easy. The season ended with an unexpected appearance in a Preliminary Final which was a long way from the round 1 loss. There was some outstanding individual performances during the year with Andrew Hill kicking 4 goals in one game after never scoring a goal ever, the dominance of pocket rocket Angus Mcinnis at Full Back, the work rate of midfielder Shannon Stuart and the dominance of Clay Willcock in the finals.

A special mention and thankyou to the U/11s who filled in every week to progress this side to a Prelim Final. A special thankyou to Team Manger Tricia Noble who did everything from washing jumpers,team sheets, organising goal umpires, keeping parents in check and being every kids mum when needed.I would like to thank the SAFC for the opportunity to mentor this outstanding group of future senior players for the SAFC.

## **Under 11's report**

It was a fantastic year for all the young men that Jason "Jube" Waterworth and I coached. We had 26 footballers at the start of the season only losing one throughout the year. We had 10 first year players plus 9 senior players went up to play in the under 13's, thanks to Lee Wilcocks and Jack Waterworth. The 9 players who played in the under 13's equipped themselves extremely well by attacking the ball and contributing to the teams direction.

The under 11's team came second on the ladder as we just couldn't get over the West Hawks which was disappointing. We addressed a number of areas with the young men including being accountable at all times, tackling, speed to the contest, feat and support of your team mates. We believe the young men grew considerably throughout the year and this showed by their aggression, their linked play and the highest amount of goals kicked by any side.

Jube and I completed the count for the Best and Fairest and didn't find too many surprises as the top 7 senior players polled well which showed that the club is heading in a good direction. Awards as follows:

|                  |   |                           |
|------------------|---|---------------------------|
| Best and Fairest | - | Harry Bolitho             |
| Runner Up        | - | Robert Highfold           |
| Best Team Man    | - | Isaac "Zac" Keeler        |
| Most Improved    | - | Connor Bowshire           |
| Most consistent  | - | Ethan Reid and Tom Clancy |
| Most Courageous  | - | Lenny Hoffman             |

A big thank you to Jube and all the parents, supporters and those who contributed to the season.

*Kieron*

## **Under 9s report**

Twenty seven young men have done themselves, their family and the club proud by displaying a great commitment to their sport throughout the past 6 months. The improvement from every single player in the 2 years that I have coached the Under 9's has been fantastic.

Last season the team struggled with consistency from week to week, and too often relied on a few to do the job. Some improvement has certainly come by the boys being 1 year older, but there were other aspects of their individual game or the team game, which was taught at training, and more importantly was grasped by most players when in the heat of the battle.

In 13 weeks of Football, we had 12 different 'Bulldog of the Day' medals handed out. These medals weren't just handed out to young men who did better than expected, they were earned. To have 12 different Footballers stand up on that one day and be the best footballer wearing the White V, further shows our club will continue to have a bright future.

Emphasis I placed on the kids throughout the whole season was:

- We are here for Football, and Football only. We come switched on for 2 hours a week, concentrating on our Football.
- If you want a kick, you have to go and get the ball yourself, and when you get to the ball, put your head over it and good things will come.
- Run, run, run and when you can't run anymore, you run.

- Get over to help your teammate, don't wait for the easy kick.

We were also able to work on some special little things towards the end of the season, which was amazingly bought into our game.

- Our boys were instructed to get their arms up when about to be tackled, to allow for a handball to be given. Some excellent handballs at the Quorn Carnival was a direct result of this instruction.
- At contests, its best to have someone behind just in case. Another is forward of the contest, and allows the player who is covering to time his run and receive the ball. At times during the Quorn Carnival we displayed something similar to what we had been working on. Resulting in 2 great team goals.

From the start of the season to about half way through the year, we were on par with West and Central Red and were clearly a step behind the Central Black team, who had one very strong player. Over the course of the year, we gradually became a stronger unit than West and Central Red and had made ground on Central Black. Our final game vs West was disappointing as were beaten easily.

Heading to the Quorn Carnival I was confident we would play well on the smaller oval, and the boys looked forward to the challenge. Our first game we started extremely well vs Quorn/BMW and the boys recorded a great win as the wind started to pick up.

The 2<sup>nd</sup> game vs West was going to be a test, as we kicked against the breeze in the first half. The boys committed themselves well during the half, restricting Wests opportunities, as the ball was mostly in our forward half. The second half started well, kicking goals and sealing a good win.

Our 3<sup>rd</sup> game was our best vs Roxby Downs. Knowing that we were likely to vs Centrals as both undefeated teams, I was able to rest 9 older boys in one half and 9 others in the second half, while our younger boys played a full game. The attack on the football and the body, and the way the ball moved quickly forward was an absolute joy to watch, as many parents were amazed by the way the boys played.

Final game for 2014 was 'The Final' as both us and Centrals had yet to lose. All season long I built this up as our ultimate challenge as this was a combined Centrals team, and the message was simple.....'let's have a crack at them'. We kicked with the wind, and this certainly helped us put Centrals under pressure, and we looked the better side. In the second half, the challenge for the boys was to play smart football and continue to kick it long to each other, and numbers had to get to where we were kicking to. In the end, it was the quality of a few Central footballers that got them over the line, but our boys certainly took a giant step to only lose by 2 Goals 4.

### Catering Report

Trevor and Joylene White do a tremendous job each year in the catering department as do the volunteer helpers on Friday nights and functions, many thanks to all involved. It is estimated that over 4,000 meals are served each year with the Friday night teas, players teas after the games and functions during the year. Trevor and Joylene have indicated that they may not continue after the shift to the Central Oval complex so they will be sadly missed by the club and its members.

A big thank you to the Shamrocks Netball club who have helped out during the year when club volunteers were not available at functions such as the Red and White Ball and weddings etc. Most of the team are pictured below.

The Friday nights teas volunteers do a great job with 7 teams of 6 members, we would love to have more involved so if you can spare 3 hours every 7 weeks please let the club know. The players were also great this year with the after game meals and this teaches them to be good club members whilst developing skills in cooking and customer service. Well done to Brock Laube's team that won the Trevor White Cup for being the best player's team cooks for 2014. Lastly thanks all those involved with the Football Canteen during the year as this raised some great funds for the year.

**Ladies Committee:** Many thanks to the Ladies Committee for organising and managing important fundraising activities for the club including Ladies Nights, Red and White ball and Presentation night in 2014. Members include Sue Trewartha, Wendy Black, Jan Black, Caroline Telfer, Georgia and Donna Irvine, Leanne Maule, Jessie Maule, Rachel McIntosh, Maureen Scharenburg and several more that I have missed.

#### **South Augusta players and members that have died in 2014**

**Ray Miller:** Ray played for the club from 1942 to 1957 having moved from Western Australia and he played over 100 games for the club. Ray coached the club in 1943 and 1944 and was A Grade Captain in 1943 having unfortunately been injured for the 1942 Premiership. Ray formed a partnership with John McElligott and coached the clubs Under 18s and Colts from 1960 for several years with great success before moving to West Augusta where he continued to coach.

**Maurice Gigney:** The last surviving member of the 1942 A Grade Premiership side. Maurice, aged 91, lived in Adelaide and played for the club from 1942 to 1946 and was named 3rd best player in the final when they beat Central. Maurice also worked in the Railways and was a well-respected member of the community.

**Keith McInnis:** Keith was a player Life member and played Senior football for Souths between 1949- 1964, including the 1964 A Grade Premiership. Keith was aged 30 when he played in the final and he played in a Seconds Premiership in his first year 1949 and a League premiership in his last year – 1964. He served on the Management Committee from 1961-1963 and as secretary for 1 year.

## 1964 A GRADE PREMIERSHIP- 50 YEAR REUNION

### TWO POINT WIN AFTER MAGNIFICENT REVIVAL

Staging a magnificent revival in the third quarter of the SGL grand final at Port Augusta on Sunday, South Augusta outplayed Port to take the 1964 title by two points.

Played in ideal conditions at Central Oval, the match was a thrilling climax to the SGL season. Opening with tons of dash the home team had a major on the board within two minutes when Vanvacas streaked from a pack to find an open goal. A long shot by Searle called up one flag and a similar result came when Baker let fly from a scrum. Pulling down a kick off Shillabeer drove in for the pacy Vanvacas to post South Augusta's second six pointer.

Outpacing the green and whites and making position well, the Port Augusta team streamed forward again only to see a golden opportunity lost when Hanrahan missed a sitter from close in. Both teams were displaying plenty of speed and going in hard but Umpire O'Connell kept a tight grip on the game. Recovering from the initial onslaught of the pacy red and whites, Port swung into action and an angle shot by McGuinness, which went wide, was followed by O'Dea flying high to open their goal account. Keeping up the pressure, Port shot through two more singles before Keain swerved from a pack to snap accurately. A free to O'Dea in the goal square saw Port, who were using cool, pacy teamwork, achieve their third major. Hanrahan then had another great chance to bring South Augusta back into the game when he marked dead in front, only to see his shot go astray for a single. A brilliant solo effort by Mezzino was followed by two more singles for the Pirie team. Marking a kick off, Keain drove in for Tattoli to whip the ball to Simon Pisani for Port's fourth six pointer. With skipper Deane in the van, the green and whites surged forward at the resumption of the second quarter, and a shot by Tattoli hit the post. Tattoli then handballed to Mezzino, whose shot was pulled down by O'Dea for another single. Snapping up a pass from Vic Pisani, brother Simon, who seemed to be everywhere, made no mistake when he let fly at the big opening. Playing strong, confident football, the green and whites bored forward relentlessly and scored behinds before the mercurial Simon Pisani snapped his third goal. Despite the tireless resistance of Virgo, who was marking everything that came his way and the coolly efficient Anderson, Port continued to break through. A brace of goals from Kean jumped Port into a commanding position. South Augusta then achieved their first success for the term when a single by Shillabeer was followed by a major from the high flying Hanrahan. Thirty two points in front, Port seemingly had the game sewn up at half time and the future looked black for the home team.

Port were the first away and a point was rushed before the Red and whites broke the pressure. South Augusta then swung right back into the game and more than matching their tough opponents in all departments, threw the green and whites back in desperate defence of their goal. With Vanvacas in everything South Augusta started to call the tune. Three singles went on the board before Searle flew high to open the home team's spate of goals for this quarter. Fullarton then drove in for Burk to score through an open goal. Port recovered to add two singles to their total but the rejuvenated red and whites were quickly back in attack again and a brace of singles preceded a six pointer from Uma. Slamming forward again South Augusta shortened the odds when a free to Reddaway was followed by a major from Searle. Driving forward from the bounce, the home team cut their deficit to two points when Chynoweth goaled from a scrum. With half a minute to go, Moore, to the wild delight of the home team's big following, lifted them to a four point lead.

Three minutes from the opening bounce, in the final term Moore angled through for a point and then Vanvacas goaled on the run to lengthen the Red and whites lead to 11 points. Fighting back desperately, Port reduced their leeway to five points when Murphy found the big opening. Tattoli then had a long shot which went out, but Simon Pisani made no mistake and Port were again in the lead – by one point. Amid tense excitement, South Augusta evened the scores, and then a single followed by a goal from Hanrahan saw the fiercely battling red and whites seven points clear. Three quick valuable points saw the home team edging further ahead but Port were still in the game. With eight minutes to go, Port shortened their deficit to four points when Tattoli goaled from a free. Battling their way through South Augusta's tight defences, Port whipped on two more singles, but time was running out, and the jubilant red and whites got home by two points.
