SOUTH AUGUSTA FOOTBALL CLUB

YEARBOOK 2015

Presidents Report

Welcome to the S.A.F.C 2015 presentation evening. In particular I would welcome members of our 1985 & 1995 'B' Grade premiership Teams who are here tonight to celebrate their 30th and 20th anniversaries. Thanks to those who have travelled to be here tonight. 2015 has been a big year for our club given that we shifted from Conroy Street to Central Oval at the end of April. It has been a huge learning curve for us as a club and while we have learned plenty over the last 5 or so months we now need to put that experience into action. Trich Noble as Club manager has been at the forefront of the massive change to our operations and I thank Trich for her efforts. Thanks also to our bar staff who have endured some hectic activity from time to time. Thanks particularly to the Ladies Committee who have been a huge help to us as we begin our new life at Central Oval. Thanks to the Management Committee and Football Committee and also the Colts Committee who provide us with juniors year after year.

Our football season finished with our A's in 4th position. Cameron Redden as coach endured a horror run of injuries mid-season which did have a bearing on our result for 2015. As you are aware Cameron has resigned his position as coach & I would like to thank him for his efforts. Cameron puts a massive amount of time and effort into his coaching and I see it as disappointing that we didn't make a better result from that effort. All the best Cameron in the future.

The B's had a ripper result beating the undefeated Lions Team in the Grand Final. Congrats to Dex & the boys on a thrilling finish to their season. Dex Kennedy has also resigned his position and I would like to thank him for his efforts. Dex is a life member and 300 game player at Souths including also a stint as President. Our U/18's under Craig Ritter missed out on the finals. Several U/18's played 'A' grade footy and with a young side did well to compete as they did, well done Ritts and the boy's who are the future of our club. Many thanks also to those who worked on the Kitchen roster, Our time keeper Rick Gill who does 3 or 4 games week in week out, our Trainers under Peter Walsh then Val Waterworth and our Drinks Stewards, Team managers and all other helpers in 2015.

Our Football Committee are working behind the scenes at present regarding coaches for 2016, more news on that shortly. On a personal note I have also resigned my position as President. I sincerely thank everyone at the club for their support in the 5 years in the job. I look forward to being involved in the club in some form going forward. Regards Gary

Highlights for 2016

- The move of the club to the new complex at Central Oval.
- The B Grade winning the SGL premiership, defeating the unbeaten Lions in the final.
- The Under 15s winning the Port Augusta Colts and SGL premierships
- The Under 11's winning the Port Augusta Colts premierships.
- The continued introduction of South juniors into the A Grade with good results.

A Grade Report

The 2015 season was eagerly anticipated due largely to the relocation of the Club to the Central Oval venue but also due to a disappointing 2014 finals campaign after finishing minor premiers in that year. The off-season/ pre-season period saw a number of new A grade players join the club, namely Daniel Roach, Tom Carling and Simon George, who went some way in replacing a number of departures from the 2014 season. Pre-season involved pre-Christmas sessions before beginning

in earnest mid-January. Numbers were pleasing again this year and those who attended the training camp worked very well in their teams in 40 degree heat at Melrose. As we neared trial games team spirit was exceptional and (most) bodies were in good shape. James "Jackhammer" Boles helped Dexter and myself with pre-season this year which added some extra insight and Jake Collins took some core strength sessions in the early part designed to reduce soft tissue injuries. Thank you to these men. We played two trial games with the first being against Christian Brothers Old Collegians and the other, with A grade and B grade represented, against regular opponent Kimba, at Kimba. We managed to win these games reasonably comfortably but more importantly had a good look at all players for Round 1 selection. The season itself could be broken into 3 parts. We began the year well, winning 3 games and losing two narrowly through the first round of games. Unfortunately Daniel Roach was injured for most of that period and no-one could have foreseen the five weeks that followed. We lost numerous players to injury and unavailability, in fact 10 or a dozen missed a game against West which we lost by a huge margin – one of 5 games straight where we failed to get the points. Brock Laube left for work in Port Lincoln which meant were without his services for numerous rounds through the rest of the season. To cap it off we lost our Head Trainer Peter Walsh who had done a terrific job with the South Augusta Football Club for many years. Fortunately Val Waterworth, Hannah Carling, Wayne Cox and the Trainers filled Walshy's void for the rest of the year and we appreciate that immensely.

Thankfully, David Robinson and Matt Grantham returned to A grade football and the likes of Liam Bury and Adam Bentley stepped up when the opportunity arose - all were key players in a form turn-around in the back half of the season. Others returned from injury also and as these regained fitness our form was building and the wins were coming. I believe we only played two poor games during this period but unfortunately one of these was against West Augusta in the 1st Semi Final where we lost by 22 points. While watching Lions and Centrals battle it out in the Grand Final it was yet another case of what may have been for South Augusta having had strong recent form against both sides. Regardless of the disappointment of our final placing I am proud of the effort put in by our players in an extraordinarily challenging year where for the main part things weren't falling in place on and off the field. Despite this players grasped the importance of playing their role for the team and together the team showed great resilience and character to dig their way out of what looked like being a horror season to just fall short in a very even competition.

Sincere thanks to Assistant Shane Kennedy, self-appointed Mentor James Boles, Runner Lee Wilcock, Team Manager Nick Heron and Statistician and Senior Football Director Michael Kerin – all very reliable people who excel in their roles. **Cameron Redden**

B Grade Coaches Report

Once upon a time.....

Well it was a fairy tale ending.

It started with a promising preseason, numbers were good, the new recruits bought an air of excitement and a realisation positions would be earned and not taken for granted.

Unfortunately for Cameron, the A's sustain injuries early in the season which opened the door for several second's players to play league football and an opportunity for the seconds to test their player depth. This was evident with 59 players pulling on the guernsey for the reserves and 16 out of our 22 premiership players playing league football this season. This experience and depth was a critical factor in overcoming a very determined and disciplined opponent which was undefeated for the season leading up to the Grand Final. As seconds coach I was fortunate enough to inherit the spoils of Cameron's vision, approach and application in producing a club where by all the players understood and followed a common direction, whether players went up or came back there was symmetry in their style.

I would like to take this opportunity to thank Cameron and Anthony Anno for their time and efforts this season, Craig Ritter and the under 18's for their support, Jason Waterworth team manager and Fayne Kaisler as runner. To all the support staff, too numerous to mention thank you for all your help throughout the season and I apologise if I have missed anyone out.

Last but not least thankyou to the 59 players that made this dream a reality, your efforts and dedication for the last ten months has been outstanding and even though not everyone received a premiership medallion you were all an intricate part in what turned out to be a memorable season that will be remembered for ever. Regards,

Shane Kennedy.

Under 18's Report

This has been a very long and difficult season not only for myself but more so for the players At the start of the season we all knew we were going to struggle badly for numbers each week, as we lost 10 players from last year and there were only 3 lads coming up However we were very hopeful that the under 15 boys would be willing to step up each week, and thankfully they did, so to all those lads and their parents I thank you Sincerely without you we would not have a team and would have had to forfeit games

Each week we used at least 6-8 players and more than twice we used 12 players. Once again thank you! We used a total of 44 players throughout the season which was testament to how difficult it was to get a settled team however we never gave up and finished a creditable 5th

As a team we played some great football and hopefully we have developed some great footballers for our club We had some bad games as we were beaten by over 100 points by Sollies, however the next time we played them we beat them by 25 points, which was an outstanding effort

I have the greatest respect for all the lads that played this year as whenever I asked them for an effort they dug in and tried their guts out for me the club and more importantly each other

I am very confident that this group of lads will get some great rewads for the efforts over the next few years on and off the field

Congratulations to Trent Ritter Harry Holland and Dareyan Solomon who were picked to play in the North Adelaide U/17 Country Team also to Trent Ritter Harry Holland Challan Stuart and Dareyan Solomon Aziel Stuart and Dylan Barnett that were picked in the SGL team against Whyalla and to Trent Ritter Challan Stuart Darrion Buzzacott and Jake Wilson that played in the SGL team against Mid Eastern well done guys Thank you to Damian Forrest and Andrew Magarey for all your help this year I wouldn't have been able to do it without you guys also to all the Trainers and the water boys/girls for your efforts throughout the season Thanks again to all the lads that played this year and thank you for the respect you gave me and the other coaching staff and I look forward to seeing you all out for the 2016 season

Finally congratulations to the Under 15s for winning their Grand Finals and to the B Grade boys for breaking a 20 year drought well done to all involved, Ritts

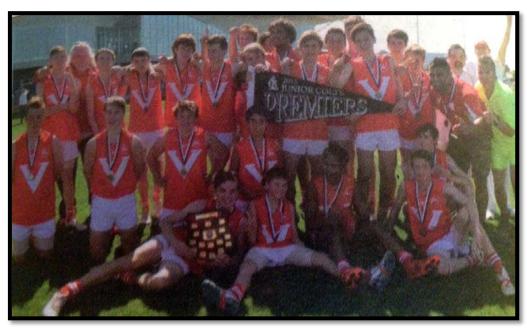

Under 15s Report

Season 2015 was rocky from the start in the U15's being smashed by West Augusta in round 1 with the boys working hard on the training track. Injuries played some parts in the team but with a lot of numbers we always knew that nothing was stopping this group of boys.

We had number of boys making SGL and Port Augusta combine teams which they were rewarded for their hard work and putting it together when it matter the most.

North Adelaide U15's games came and went and we now started to get the wins which really counted the most and then we finished top of the ladder and made the local Port Augusta colts grand final. This game was against West Augusta which was a close one and getting up by 3 points and was a really great team effort. This meant we had made the SGL grand final which was against Port Bulldogs from Pirie, the boys got off to a slow start but got into rhythm and by the last quarter we had ran away with the flag by 5 goals, best on ground being Will Bolitho.

After only winning one game in 2014 to winning two grand finals in 12 months, I would like to thank my support crew for the year including Choco Laube and I'm looking forward to the new challenge in 2016. Bradley Amos

UNDER 15S SGL CHAMPIONS

Under 13s report

South Red Under 13's

Here is the summary for the "South Red Under 13's"

South Under 13's for the past few seasons, have had good numbers and required 2 sides play in the Competition this season.

I was excited by the challenge of guiding a young team into Finals football and teach them how to handle the many different situations and scenarios that play out.

We split the sides quite fairly, as both teams played off against each other in the Preliminary Final, finishing the season 2nd and 3rd. The results for the 4 games played, were a 2-2 split.

We as a team earnt our way to the Grand Final, by understanding the importance of situations in crucial times, which helped us finish 2nd at the end of the minor round.

We started the season with a loss to South White and a close loss to the eventual Premier, before dominating the other 3 teams and establishing ourselves as a contender. Roll around to South White and suddenly we were looking good. A 13 vs 13 game against West didn't help, as the wheels fell off and we lost 4 out of 5 games and had slid all the way to fourth. At that stage we were 1 win ahead of 5th spot, and had to then face the Undefeated West team.

This was where our season turned and we were able to play the football necessary to win tough games. Not only was form not on our side prior to the game, we now had some boys starting to show signs of the Flu. I made a few changes to our line-up, which helped with the result, but that would be taking away from the determination, ruthlessness and sheer will to win every contest that the boys displayed on that day, which was the catalyst to us handing West their only loss.

The next 2 games produced 2 x 1 point wins. What was impressive about these wins, wasn't how we played. but how we fought when we didn't deserve to win either game. One game we had to respond after letting a lead slip, we responded, got back in front, then had to learn how to milk the clock and keep the ball out of dangerous areas. The other win was even more impressive as we were ordinary all day, then we had that sniff, and then it was understanding of where we had to attack from, to maximize the wind advantage. After the minor round we earnt the chance to play West and potentially go straight into a Grand Final. With 5 regular starters missing, with one of those players our Captain, the boys never let this affect the way we approached the game. From the first bounce to the end, the boys gave all they had, playing our best game for season, although the result didn't go our way. We then faced the challenge of backing up a solid match, against the other South team, who were flying high after their knockout Semi win. With a bad start, South White were all over us, but failed to convert their chances. This allowed us to settle and quarter time, and due to illness in the South White team, we managed to finish stronger and book our ticket to the Grand Final. Unfortunately, on the big day, the boys were unable to play the way they had 2 weeks prior and the contest was tough. This provided crucial teaching points, that will no doubt help these boys understand the game of Footy better. Simple footy things, such as, saving a ball from going out in our backlines, to kicking short to a contest, and most importantly, no matter what the score, we never ever Give up.

I would like to thank all players, parents, spectators and umpires for your support throughout the 2015 season, and look forward to the future of these great young Footballers. Strucky

South White Under 13s

The young men of the South White under 13's team made considerable improvement over the past season. Their commitment to game day and training nights were fantastic as they were enthusiastic to learn. The South white side was the youngest and smallest side out of the competition however they equipped themselves quite well each week. Their attack on the ball and never say die attitude on game day was amazing. It was important to Ryan and I that both under 13's sides had the opportunity to play finals in 2015, which they did. Congratulation to Ryan's Red side who played well throughout the season and played off in the Grandfinal. The South's White side had an excellent come from behind win in their first final against West Hawks. That win summed up the potential and spirit of all the young men in our club and how they will carry the Bulldog determination into the future.

There were a number of outstanding efforts by players throughout the year however two players stood out above the rest. These two players Karmahl Buzzacott (Captain of the side) and Harry Bolitho respectively won the Best and Fairest and runner up awards. They were consistent and lead by example throughout the

season. Congratulations to both players. A big thank you also needs to go to the following people: Jack Waterworth who organised and supported the team throughout the year and made my job very easy. A big thank you also to all parents who supported the young men each game day and also assisted with the goal umpiring and bringing the drinks. Plus all of the senior footballers who donated their time umpiring and to Colin and Marg Waterworth for cleaning the Guernsey's. Kieron

Under 11's report

It all started when the U11's didn't have a coach, and the Colts committee asked at a senior training whether anyone was interested in helping out and putting their hand up to coach. A week out from their season due to start, I decided that i would help out and put my hand up, hoping to get someone to help me out.

The first training session was eventful. Not knowing anyones name, not knowing any parents, and not knowing a thing about coaching football, i knew i was in for a challenging year. The first few games seen me struggle, still mixing up kids names, still struggling to fill a team, having a few U9's play up for me all season, and then realising i needed a team manager as i couldn't keep up with all the paperwork. It was this point i knew i put my foot in the deep end with this.

With the last game of the season the deciding match of who finished top and took out the shield, I was so excited to see the time and effort i had put in was rewarding. With all the effort my U11's put in, not only at training but at games was great to see. Finishing the last game of the season with a win, knocking West Hawks off top spot and taking out the shield was the best feeling ever. I couldn't have been any happier with how the boys played & trained It was an excellent season to be a part of the U11's.

I would like to thank my helpers Damian Hartmann, Scott Franklin & Frank Tuip. I also want to thank my team manager, Marcia Hartmann who took over all the paperwork and made my life a lot easier. I would also like to thank the colts committee for all the effort they put in. I would like to thank the parents also, washing gurney's, bringing drinks for the kids after their games and supporting your kids. Also like to thank the people who helped with umpiring, without umpires there wouldn't be a game, so a big thanks to you guys.

Cheers, Ty Stringer

Under 11s Premiership Side 2015

Under 9s report

The under 9's season got off to a rocky start with no coach and no direction but at the first training I was approached by Dave Williams to coach and undertook the task with my faithful assistant Patto Willis. With no idea about what we were in for or any idea how to do it we took the job on and had immediate results. With the number one rule in the side being discipline the players quickly learnt where they stood and they grew immensely over the season.

Over the course of the season there were many helpers with a wide range of tasks donations. I would like to thank all the people who umpired for me over the season, the people who bought drinks for after the game (especially the occasion that mum grabbed them on her way to the game when I forgot to organise them),

Granny for supplying the oranges for half time every weekend, my wife for washing the guernseys every week, the families that donated awards every week and the people who also donated money for trophies. Also a big thank you to Patto who assisted when I was there and took the helm when I was away.

The main reason for doing the job was to hopefully teach the kids some football skills and to make them love the game like we do. Over the year the kids grew and there respect for each other and the game grew with every kick, every handball, and every run up the hill. Halfway through the season south Augusta colts committee provided me with the opportunity to do a coaching course which was greatly appreciated and allowed me new avenues to supply information to the players and once again we saw an improvement with the players skill and development.

All round the season was successful without having much success at the Quorn carnival. It was still a great way to end the year and the kids are better off for the experience and the kids will only get better next year. I would like to also offer one more thank you to Dave Williams. From the time he approached me right up until the presentation night he was there for any queries and provided endless advice on all issues and provided me with everything I needed to do the job. Without Dave nothing this year would have worked and with his retirement there is a huge hole in both the club as well as the league. So thank you Dave and I wish you all the best in your retirement and hope you get out to a few games next year.

I hope to see all of you again next year. Adam

Many thanks to the Senior Grades Officials of 2015

Management Committee: Gary Kernahan (President) Trish Noble (Secretary/ Club Manager), Kym Austin (Treasurer) Anthony Everett, Kean Parrington, Graham Coutts, Val Waterworth, Andrew Reynolds, Peter Huxtable, Brett Johns.

Football Operations:

A grade coach Cameron Redden, Asst Coach James Boles, A grade runner Lee Willcock, A grade Team Manager Nick Heron, A grade Timekeeper Ricky Gill. Guernsey Steward Gary Kernahan.

B grade coach Shane Kennedy, Asst coach: Anthony Anno, B grade Team manager Jason Waterworth, B grade timekeeper Ricky Gill, Runner Fayne Kaesler

Ladies Committee: Wendy Black, Sue Trewartha, Sue Magarey, Trich Waterworth, Wendy Preistley, Stacey Struck, Amanda Schupelius, Leanne Maule, Donna Irvine, Jessie Maule, Georgia Irvine, Maureen Scharenburg, Rachel McIntosh, Tanya Den Dunnen, Ladies Committee would also like to acknowledge the assistance throughout the year from Judith Barnett (Photography) and Megan Collins (Advertising and Poster design)

Football committee: Michael Kerin (Football Operations Manager), Graham Coutts (Chair) Mark Shirley (Secretary), Gary Kernahan, Kean Parrington, Brett Johns, Cameron Redden, Craig Ritter, Anthony Everett, Nick Heron, Shane Kennedy, Simon Owens, Graeme Jones (Auctioneer).

South Augusta Life members that have died in 2015

Peter Clarke

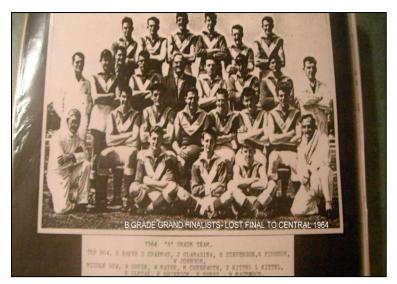

Life member Peter Clarke who was living in Wilmington passed away recently. Peter played for the club seniors from 1945-1957 and also worked on the clubs Management Committee as Vice president, Treasurer and Secretary over this time. Peter's first game was against West Augusta at Chinnery aged 15 years, his opponent Don Wickstein. In 1951 the program for the Footy trip to Eudunda described Peter

(Butch) Clarke as "a ruckman and half back, strong and vigorous on and off the field, he will be trying everything until the bus leaves back to Port Augusta".

Ces McKerlie

Ces was a life member who commenced his football career in 1953 and played over 130 senior games for the club until his retirement in the early 1960's. He served on the Management committee from 1969 to 1971 and was also the Secretary for a year.

1965 B GRADE PREMIERSHIP REUNION

A grade coach: Trevor Searle, A grade captain: Trevor Searle, they finish 6th.

Dighton
General history: South recruits Bruce Curtis
from Port Pirie and Richard Oakey.
Richard Oakey and Bill Virgo represent the
Spencer Gulf league with Bill being best player
for the SGL in their loss against the State colts.
Bill Virgo and Richard Oakey also make the
team of the year in 1965.

No photo for 1965 premiership but most of these lads may have played in 1965

1985 B GRADE PREMIERSHIP REUNION

SOUTH GET UP IN A THRILLING FINISH

The Seconds Grand final winner was in doubt until late in the final term when South Augusta kicked 3 quick goals against Central Augusta to eventually take Premiership honours by 14 points.

Central Augusta trailed by 11 points at half time but a fine third quarter enabled it to hold a 5 point advantage at the last change. South defence played a superb last term to hold Central goalless which played a vital role in the side's success.

Both teams had spearheads to aim at with South's Derek Edmead and Central's Neil Burton kicking 5 goals apiece.

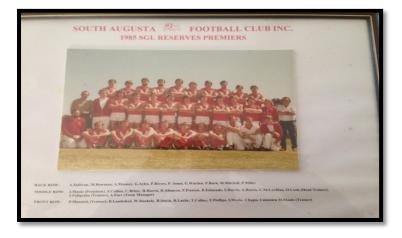

South forward line was much more dangerous throughout the game as Central defence was not prepared to pick up the loose man which contributed to its downfall.

South Augusta 4.3 7.5 10.5 13.11 (89) Central Augusta 3.4 5.6 10.10 10.15 (75)

Goal kickers South Augusta: D Edmead 5, Colin McLachlan Craig Ritter, Scott Harris 2, David Allanson, Ashley Harris

Central Augusta: Neil Burton 5, Woody Turner, Brenton Jackson, T Robinson, Warren White Best players South: Peter Rivers, Paul Phillips, Ashley Harris, Derek Edmead.

Central; Neil Burton, Frank Lathbury, Paul Richmond, Grant Mclean

This team had previously beaten South in 1982 and 1983 after South had dominated the competition in both years. Malcolm Mitchell plays his 200th game in the grand final. Rod Lamshed the B grade coach played the last 6 games in the A grade side and was ineligible to play in the grand final.

B grade coach: Rod Lamshed. B grade Capt.: Alan Cram, V/ Capt.: Robert Laube. Runner: Robert Harris. Team manager: Sean Collins President: Jim Maule. Committee: Brian Reichelt, David Winter, Robert Bowman, Ray Chapman, Michael Prime, Ken Higginson Trainers: Gary Humphries, Paul Shinnick, Jenny

MARK OF THE YEAR- TOM HAMILTON WHO KICKED THE GOAL TO WIN US THE GAME AGAINST WEST AUGUSTA IN 2015

Many thanks to all the coaches that have assisted with the completion of the Yearbook and we wish them the best whether they plan to continue in 2016 or not.
