Committee Feedback

The Management Committee welcomes all members and supporters Happy New Year and great 2004 Football season. The first pre season match has been pencilled in for 7th March against South Whyalla in Whyalla, this is yet to be confirmed.

This year the club honors the 40th anniversary of the 1964 Premiership team, which some say is the clubs best premierships as it competed in a 12 team competition and was the clubs first premierships in the SGL. It broke a drought of premierships for the club and was the first since 1942. Long time club stalwart Billy Baker was of course a member of that team. We look forward honoring this event throughout the season, and who knows, maybe we can win a premierships to add to the occasion. GO THE BULLDOGS !!

Footy Feedback

As most Southies would know by now, Gary "Gazza" Kernahan has been announced as the Senior Coach the forth coming 2004 football season. Gary has been coaching the senior side since 1999

The reserves will be coached by Headley Richards who took over coaching from Brian Shillabeer midway through last season. At present, this is probably the hardest grade to coach due to lack of consistent numbers and commitment.

The U/18's will be coached by Mark "Magpie" McKell who was part of the coaching team last season along with Kelly "Spud Head" Grantham. Kelly has decided to retire from coaching to enjoy watching the progress of his sons Mathew and Christopher.

Training has been low key at present and will kick off officially Monday 19th January at Braddock Park.

Silly season is well under way with discussions being held with possible recruits, unfortunately no official signing or announcement can be made.

We look forward to the return of Mathew McInnes and Mick Maloney returning from long term injuries. Together they both missed most of last season and their return will strength the senior side.

At present, the only known retirement from last season is Matthew Glamuzina. Matt struggled with serious knee problems after a reconstruction in 2001. Matt played 109 league games, 1 SGL, and 59 reserve games for Souths. We wish Matt the best but hope to still has some involvement within the club and we get to see his ugly mug after the games.

Watch this space for further updates !!

Racing Tips

At present Trevor "Aristo" White is leading the way in the horse racing tips with dark horses (pardon the pun) Kelvin Strawbridge and Norbert Doering not that far behind. Well known horse follower WTB is struggling to reel in the leaders with Spud head way back in the field lingering mainly due to the extra weight.

Colts Corner

Coaching appointments have been made for the 2004 season and are as follows – Robert "Choco" Laube has again been appointed U/15's coach and will be looking for a hat trick of Grand final wins. This is a rare event and we all wish Choco and the boys the best in their quest.

Peter Trewatha has been appointed U/13's coach. At this stage there has only been one coach appointed. Any addition side or coach will depend on player numbers.

There has not been a definite appointment for the U/11's coaching position, however rumour has it that Mathew McInnes is keen to do this job.

Kym Maule has again put his hand up to coach the U/9's, with so many young bulldogs in this grade, help from the parents is always appreciated.

Bulldog Blunders

Prior to the recent Test match held at Adelaide Oval between Australia and India, a Southie well known for his skills as an organiser arranged for a get together of present and former Southies to meet at the Members Bar.

He sent out emails and made numerous phone calls to ensure a large contingent of Southies would attend and enjoy a few beers, the cricket and dribble about the old days.

Most of the people contacted attended the day and apparently all other than one person enjoyed it. The organiser didn't realise you had to be a member to drink at the members bar so unfortunately he wasn't permitted entry and had to watch his mates enjoying themselves from the peasant's side of the fence. Everyone who attended would dearly love to thank Shirl's for a well organised great day.

One recent Sunday morning our smallest club person phoned her beloved son's home with a conversation as follows –

“Hello, is Bert there ?”

“No, Marg, Bert isn't hear”

“I wonder where he is, okay thanks love” (then she hangs up)

She turns to the person sitting next to her and says – “I think I just asked if Bert was home” and he grunts with disinterest.

After a few minutes she again phoned her son.

“If Bert isn't there do you know where Bert is ?”

“No Marg, we don't, shouldn't he be at home with you?”

“Why would he be here” replied Marg and again she hangs up.

She the turns to Bert who is sitting next to her and says, god knows where Bert is.

Being a Sunday, we can excuse Marg of this minor blunder because she would have had more important things on her mind such as the regular Sunday session at Souths.

Births

Congratulations to –

Trish and Jason Waterworth on the safe arrival of their second son Rex Harry who was born on the 21st October 2003, he weighed 6lb 14oz and was 50cm long.

Congratulations also to Michelle and Chris Heritage at the arrival of their first child Meg Alyce Heritage who was born on the 26th November 2003, she weighed 7lb 7oz (3380g) and was 50cm long.

Cricket Info

With only 5 games to go until finals the A Grade is in a battle for 4th spot with Centrals.

Our form has been steadily improving throughout the year with the younger players starting to feel at home in senior company. Two colts, Mathew Grantham and Richard Anderson have impressed with Mat making his first 50 against Willsden and Richard bowling well each game.

Other good performances have come from Rob Rozee, 103 not out against Central, Wes Yates, 62 against West and Justin Mitchell 4 for 10 against Quorn.

Each week we are playing at least 8 players 20 yrs or under so some inconsistent performances this year are to be expected but the future is looking bright.

The B Grade has won 4 and lost 4 with 6 games until finals and are in a good position to make the post season.

New captain, Cletus Moroney has been impressive with the ball and Corey Shephard has been the standout batsman.

The Bs also play with a very young side each week with the odd exception of fill ins Twof and Headley.

Both colts sides will make the finals and with a lot of lads competing for spots ensures both sides are competitive.

Congratulations must go to Mathew Grantham, Richard Anderson, Darren Shillabeer and Aaron Vater on their selection in the Upper North side to compete in the SA Country Championships in Adelaide from 5th - 9th January.

This is a fantastic achievement considering this side is only a squad of 13 and is selected from all teams in Port Augusta, Whyalla and Roxby Downs.

The colts this year have been the backbone of our club with most weeks 4 - 5 playing seniors as well as their own grade.

One highlight was in the B's when Luke Trewartha made his debut playing alongside his father and proceeded to outscore him and take a catch off of Peters bowling.

On the social scene the very popular Progressive Dinner will be held on Sat 7th Feburary starting from the Footy club at 6.30 pm. Tickets, which are selling fast are \$20 per person and available from the bar, Jak Waterworth or Colin Waterworth. Seats are limited to 60 so get in fast!!

The club is running a beer raffle with the first prize being 7 cartons of West End Draught. Tickets are available from all players

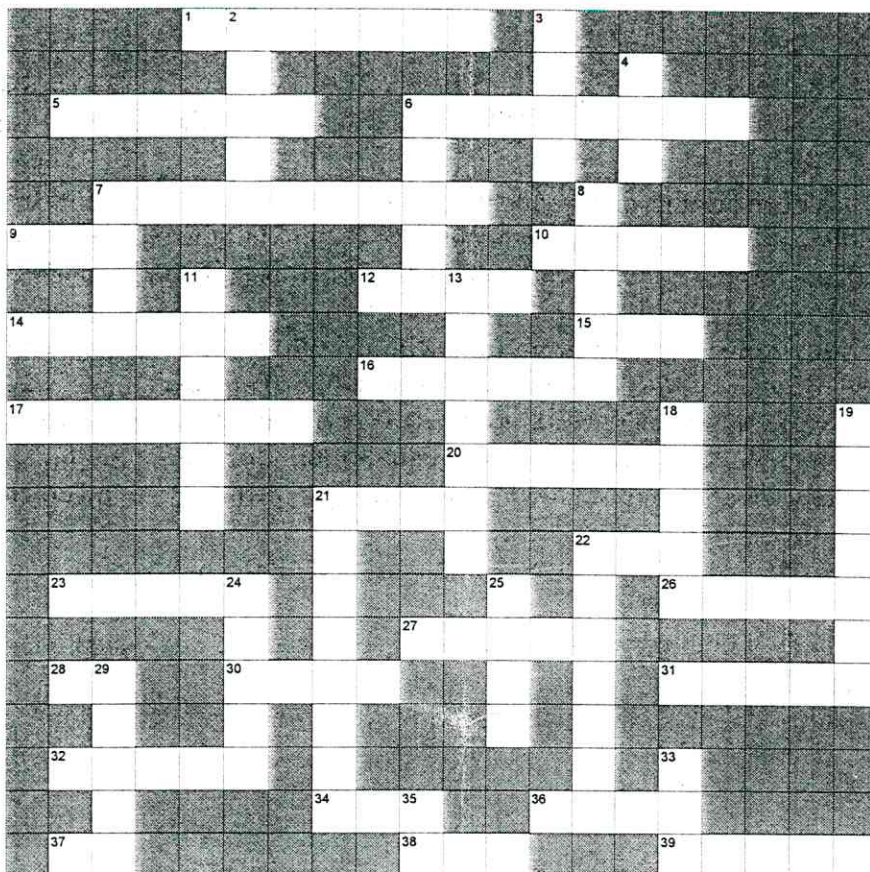

If you don't have anything to do on a Saturday afternoon come out and support the A grade, watch some good young cricketers and have a cold beer at \$2.50 a echo. Your support will be greatly appreciated.
