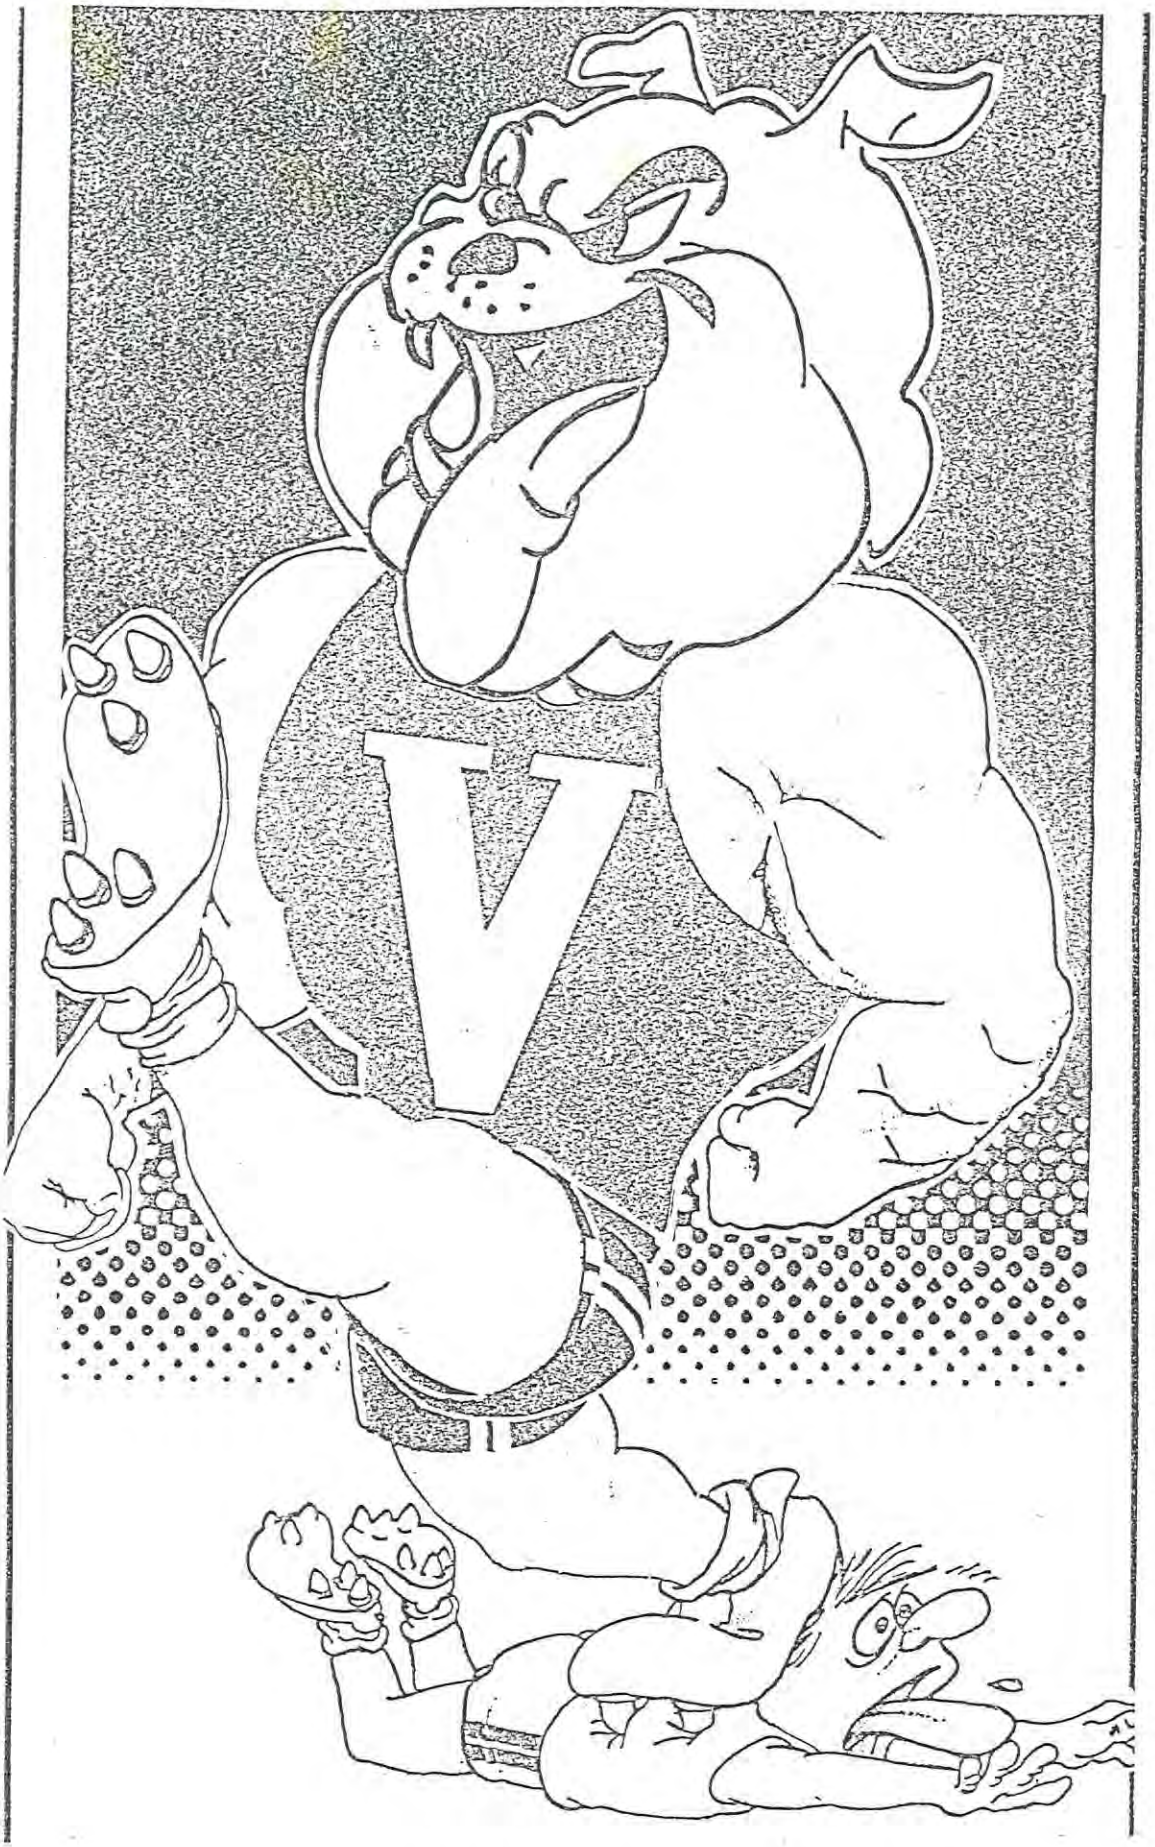
SOUTH AUGUSTA FOOTBALL CLUB



PRESENTATION NIGHT 1993

PRESIDENTS REPORT

Tonight will be the culmination of a magnificent year of football for the S.A.F.C. In saying this culmination is not quite the right choice of words as the year will certainly leave a lasting impression in most of our minds. Whilst we celebrate a S.G.L. League Premiership we must not forget the rest of the Club.

Our Reserves whilst not being world beaters were very competitive and provided great support to our League side.

Within our colts ranks all our grades were very competitive with our U13's taking out the flag as undefeated Premiers. Our U15's also played in a Grand Final narrowly going down in the last quarter. The U18's U11's and U9's all enjoyed reasonably successful seasons and we look to all grades to produce future League players.

On the administration side we have been "flat out" all year with, I believe some people "overloaded". What we need is more people on the Committee to help ease the burden. Please all you Southies out there tonight give us just a small amount of your time each week to help the club to stay where it belongs ON TOP.

Finally in closing we must congratulate the coaches and players on a magnificent effort in taking out the 1993 flag. Also to Shaun McLennon in having the Madigan Medal. Congratulations from all within the club.

The club support staff for all the year have been magnificent and everybody concerned can take pride in being part of our Premiership year.

AT END OF MINOR ROUND

A GRADE REPORT

The year of 1993 will go down as the year it probably should not of happened but the ultimate goal did happen and was achieved by a very determined and close knit group of footballers.

By this I mean at the start of the year with the unfortunate losses of great players such as Ashley Dunkley, Rob Rozee, Grant Fuller, Kym Elliott, Marty Flanegan, Marty Buhlmann, Claude Mafrici, Mick Finlay and late starts for Buck Everett and Mark Shirley I had some reservation that 1993 might not be a good one.

As often in country football with a high turnover of players we were fortunate to secure the services of new players to the Club of Scott Feltus, Rod Leith, Dwayne Crombie, Jason Lawson, Dave Roberts and bringing up U18 Captain Steve Kittle to our ranks. With the appointment of Byron Mathews to Captain and lead the side and rally the younger players such as Travis Hoffman, Mathew McInnis and Co. to work harder and perform which they did. With the outstanding form of the 1993 Madigan Medallist Shaun McLennon and the S.G.L. No. 1 rover Kevin Harris the scene was set. With a more mature and determined attitude of former seconds players Iain Elliott, Jack Waterworth, Anthony Anno and Frank Maloney and with the experience of the older brigade including Gary Kernahan, Fabian Davey, Doug Rozee, Mark Shirley and Brian Shillabeer and backed up by a combination of gutsy exporance footballers led by Buck Everett, Nick Boully, Lee Willcock, Adrian Maloney, Scott Harris, Chris Heritage and Cliffy Smith and with other players filling in admirably from the seconds what better combination could a Coach ask for. I believe it was the closeness and great team spirit in both A and B Grade that made us successful. When I look back over the years I do not look at it as just the 21 players that played on Grand Final Day that won us the Grand Final but every players who played A Grade this year and put in to get the side to where it won.

Keeping all these players and seconds players on the field is a very big task and I would like to offer a special thanks to a man who put in a tremendous amount of work - Lou Hannan. I would like to thank Lou and Val Waterworth and all trainers.

I would like to thank Rob Rozee for his tremendous support and help, Jeff Shillabeer as being the best Team Manager in the S.G.L. and Adrian Elliott and Lloyd Nelson for all the football work they put in. Dave Allanson the Runner was great with his enthusiasm both on and off the field.

A special thankyou must go to Colin Waterworth and the Committee and everybody else who contributed to the success of the South Augusta Football Club.

PAT HYNES

B GRADE REPORT

After a summer where our playing stocks were very low, our start to the year was a real struggle. Playing games with only 19 players is not a good sign but as the year wore on our turnover of people was unusually high. Having to make 5 or 6 changes each week really makes it hard to combine and form some type of team pattern. To the boys credit, near the end of the year we were able to have a reasonably settled line up and our results improved accordingly. I thought we may have been good enough to finish slightly higher but it was not to be. Our seconds players can take pride in the fact that they also contributed to the ultimate club success, a League Premiership. Congratulations to Pat , Shauny McLennan, and Shane Kennedy on their personal success and also to everyone involved in what must be one of our most successful seasons ever.

AT END OF MINOR ROUND

UNDER 18'S REPORT

POSITION : FOURTH
WINS: FOUR
LOSSES: ELEVEN

The U18's finished an up and down frustrating season when they were unlucky to lose the elimination final to Quorn Wolves by 4 points. The team started a bit slow with numbers down, making it hard for the coach and few supporters who came to watch.
towards the end of the season a few players drifted back and a special thanks to the Quorn lads who did come back to finish the season off with 4 straight wins which was promising.

Best players through the year were Stephen Kittel, Danny Zanker, Adam Thompson and Melville Sumner and many other lads who proved that they have the potential to go on further next year.

Congratulations to the lads who did go up to play in the Senior Grades this year, they will certainly be better for the experience.

Finally I wish to thank Val Waterwoth, Owen Cook and Wayne Sheppard and others for the tireless work they have done through the year. Without them it would have been a long year.

UNDER 15'S REPORT

Defending a Premiership title earnt the previous year is never an easy task. New players, new administrators and new coaching staff meant rebuilding a winning unit a challenge to all concerned.

Although beaten in the Grand Final by Quorn-Wolves all players gave 100% and did themselves and the Club proud.

Highlights of the year were the tremendous form of Stuart Fullerton winning the Murphy Medal. Wayne Drogemuller leading goal kicker - 49 goals. The training session with Leagure players held on Carlton School Oval and a special highlight of all players venturing to Central Oval to line up and shake the hand of 1993 Madigan Medallist Shaun McLennon.

Many thanks to Team Manager David Williams, Runner Peter Trewartha, Lorraine Seidel Guernsey washing and to all who helped with timekeeping and goal umpiring. Special thanks to all who supported these players every Saturday morning.

These players are the future of this Club and the S.G.L. Please try and find a Saturday morning to come and watch these stars of the future. You may just see a bit of your old self out there playing.

LEE WILLCOCK

UNDER 13'S REPORT

The Under 13's had a very successful year, going through the season undefeated and taking out the Premiership shield for 1993 by soundly defeating Quorn Wolves Red in the Grand Final.

Coached by Trevor White, with the assistance of Peter Rivers and Trevor Barry the Under 13's squad comprised almost 30 lads and had a great depth of talented young footballers. All their games were won in convincing fashion and were early favourites for the premiership.

"Best and Fairest" for the year was Luke Taylor who also won the PACL "Margaret Nobbs" leading goalkicking trophy with 28 goals and came third in the "Corey Medal". Jai Edwards finished off a fine season with "Runner Up Best and Fairest". Matthew Lehmann took out the "Best Team Man" award and Geoffery Barnard continued on with his good form from 1992 to receive the "Most Courageous" award. Chris Warren was awarded the "Best Utility" trophy for his efforts throughout the year. (Chris also played most of the Under 15's games due to the lack of numbers in that grade.) Many players showed improvement as the year progressed with the "Most Improved" trophy being awarded to Hadyn Brown.

Thanks must go to the parents who supported their lads through out the year, Karen Harrison for washing the jumpers each week and the sponsors Curyer Jewellers, Max Reed, Bill Whiting, Phillip Pidgeon and Andy McLay, Hungry Jacks and Blues Bros Teas for providing the weekly incentive awards.

UNDER 11s 1993

Approximately thirty lads played in the U11s throughout the season under the guidance of coach Rob Taylor. Emphasis was placed on participation, learning. skills and enjoying playing the game. The lads won five from twelve starts to finish fourth.

Thanks go to the sponsors who provided the weekly incentive awards, provided by the following sponsors **Curyer Jewellers, Trevor White/Trevor Barry, Pt. Augusta Darts Association, Hungry Jacks' & Blues Bros. Teas.**

Fairest & Best for the U11s was **Brett Jones** with **Justin Taylor** came Runner Up. Most Improved went to **Ashley McMahon**. Best Team Man was **Phillip Lehmann. Juan Long** received the Best Utility award and **Chad Barry** the Coaches Trophy. Congratulations also go to all the other boys for their efforts through out the season.

Thanks to all the parents who assisted at training and helped at the games with goal umpiring, time keeping and special thanks to Peter Rivers and the senior players who umpired as required. Many thanks to Rosy Taylor for washing the jumpers each week.

1993 SOUTH SNIPPETS

Patty Hynes pulled the coaching ploy of the year when he unleased Cliffy Smith on to the Half forward Flank on the last match against Central. I doubt if 9 goals from the flank has been bettered in this League and he certainly had Damien Prentis scrambling for his Coaching Manual on how to contain the greyhound. Cliffy reckons he would have kicked 10 if it wasn't for Fabian putting him off and telling him to concentrate when he lined up for another goal

We all remember that fiery Forward Pocket player Derek Edmead who played in the 1983 premiership team, but did you ever think you've see the day when 3 Edmeads played across the Half Back Line at the same time in one B grade match this year.(LOOK-OUT)
If the opposition tried to get through they were either desperately lunged or jumped on by Steve, thumped and bruised by Terry or talked out of going any further by Peter (Pom). Needless to say the opposition were not game to go any further. Steve obtained a tranfer to Adelaide this year, however he still managed to travel up and back for the last part of the season. Best of luck for the future.

Congratulations to Kernas on beating the record for the highest number of A grade games for South, this year. His total stands at 221 games and he plans to play next year. His last quarter this year will always be remembered, welldone Skitz.

THE BRAVE BULLDOGS

The game was starting, the siren went,
Umpire Green, ball bouncing, head bent,
Crombie up, the ball is away,
Elliott gets the first South touch of the day
A goal to Harris, a yell and a hoot,
Beautiful kick, true from the boot,
Ball back to centre, Smith on the go,
Showing fine touch was Maloney in tow,
Waterworth had turned defence to attack,
Kernas converted twice and the boys were on track,
The quarter away, the crowd watching the clock,
Another goal, this time to Willcocks.

Quarter over, had been a great start,
Leith game, taking Ports apart,
Seconds away, Feltus in it,
Passes to McLennan, a beauty, a direct hit,
Kicks straight into attack.
Boully takes a screamer over Magors back,
Our backline is holding off a strong thrust,
For Shirley to mark is a must,
The half drawing to an end,
A gutsy half by our South men,
Walking off to applause,
Anno had risen to the magnificent cause.

The second half away, and Everett on the track,
A goal to McInnis turned Ports flat,
Shillabeer showing what a player he was,
While Mathews had killed them since winning the toss.

Third quarter over, the boys taking a rest,
They are preparing, for their very best,
Last quarter of action had begun,
Kittel joined the boys for the fun.
Hynes asked for action, he wanted more,
And within 5 minutes, the boys had kicked four.
Quarter nearly over, to Lawson it was clear,
Souths dash for 93 was very near,
Siren sounded, a great roar from all near
Fabian is grinning from ear to ear!

Souths Premiers for another year!

THE GRAND FINAL ITS HERE AT LAST,

THE LAST WIN WAS 10 YEARS PAST,

WE WON IT AGAIN AND FEEL SO PROUD,

IN FRONT OF AN EAGER SOUTHY CROWD,

WE SHOWED THOSE SQUIDS WHO IS TOP DOG,

WE CELEBRATED HARD AND HIT THE GROG.

With Shane Kennedy winning the B Grade Best and Fairest from Chris Heritage then Taddy Coulthard you could say the winning margin was a long nose by a long nose.

A special thanks should go out to Lou Hannam,Val Waterworth and other trainers for their wonderful efforts throughout the year. They are partly responsible for ensuring that we field a side every week and the players and club are most grateful for their efforts. Thank You.

Congratulations must go out to Brian Shillabeer, Jarrod Waterwoth, Iain Elliott,Lee Willcox and Anthony Anno. All of thes players were in the B Grade Premiership team in 1991 and have gone that step further by playing in an A Grade Premiership. The first four were an intregal part of the backlines for the most part of the season and Hey Hey held his own at Centre or Ruck Roving.
By the way, Hey, congratulations on kicking a goal in the A's.

Pat Hynes is an all time favourite at Souths and everyone holds Pat in the highest esteem. Why not, Premiership Captain, Capt. SGL, Madigan Medallist,Fairest and Best, 200 League games and now Premiership coach. What more can the man do? A true legend of the S.A.F.C.

Kernas has capped off a great career by playing in Souths last 2 premierships, 1983 and 1993. We all hope he will continue on playing in our quest for back to back in 94. He was one of 4 players over 30 who played in the premiership team. Talk about Dad's Army.

They say when you get old you either go grey or you go bald. Noogs isn't going grey but you can't blame him for losing a few follicles this year after having to use 53 players in the B Grade this year.
Apparently he went through about 4 Dymo tapes making up the names for his magnetic board with the team line-up. He did a great job this year considering the instability of the team.

Only 8 players played in both the 91 and 93 Grand Finals, Macca, Shirls, Buck, Gaz, Kev, Bud, Fabian and Shauny,

Only 3 players who played league failed to kick goals, Ash Harris, Jack and Rod Leith.

Macca had 5 more scoring shots than Fabian (97 to 92), however Fabian kicked 15 more goals.

Pat Hynes had a hectic fortnight leading up to the Grand Final. Travis was injured in a late night accident after beating Sollies, the following weekend Scott Feltus obtained some bumps and bruises after an altercation outside a party. Scott was slightly outnumbered however the arrival of Buck soon evened up the odds, especially after he put a couple of the offenders to bed early. After a fortnight of not knowing if his players would remain intact I'm sure Pat was glad to get it all over with.

Who was the Southy seen frantically trying to dig channels away from his tent after continuous rain threatened to wash it down the Wilpena Pound creek on the Long week-end. "Its only a passing shower" he stated as the rain continued to pour for most of the week-end. Never the less the Southy group had a good time. The Southy is one of the group you'll probably see tap dancing tonight. We wish Allo and Sharon all the best with their transfer to Adelaide next year.

Well done to the group that organised the banner for the Grand Final day. Gundall, Kelly, Mauly, Pritz and others did an excellent job with the assistance of Jenny and Denise Grantham who drew the Bulldog on the banner. Well done to all involved.
The cheergirls also put on an outstanding performance on the day. Well done to all involved in their organisation.

Some interesting Snippets from the 1983 Bulldog Bulletin are:

U10's report: Runner up Fairest and Best: Matthew McInnes, Creative attacking centreman.
Most Courageous: Brian Bienke, Rover who used ball to advantage.
U12s Report: Best Team Man : Kevin Harris
Best Utility : Jason Waterworth
U14s Report: Fairest and Best: Jarrod Waterworth
U16s Report: R/Up F & Best : Terry Edmead
Leading Goal kicker : Frank Maloney
Its great to see some of the Colts coming through to bigger and better things in the Seniors.

FLASHBACK- 1983 PREMIERSHIP VICTORY

South Augusta produced a magnificent final quarter to snatch the 1983 SGL premiership.

Their run, back-up and superb team-work left the Solomontown defenders non-plussed in the closing stages of the game.

It was a very even contest until that stage. The Cats proved to be worthy grand finalists. They led by 11 points at three quarter time and were 23-points up at the 20-minute mark of the third term.

The conditions were very windy with a gusty three to four goal wind blowing to the Hancock Stadium end.

Dennis Russell won the toss and kicked with the wind.

South began superbly. Goals to Craig Cock, Claude Mafrici and Derek Edmead, gave them a 19-point lead at the nine minute mark. But, Sollies played excellent football into the wind to lead by two points at the 28-minute mark, but a late goal to Dennis Russell gave South a four point lead at quarter time.

David Granger (Sollies) and Derek Edmead (South), were the focal points of their team's attacking moves. They kicked three goals apiece, Granger with his strong marking and Edmead with his excellent judgement and strong body work.

The Cats kicked with the breeze in the second term, and kicked away to a 21-point lead late in the quarter. They dominated the forward area with continued strong work from David Granger.

He gave Michael Kerin and Ashley Dunkley the run-around.

The Cats' defence was also very tight, being led by Brian Taylor at centre half back and flankers Glenn Johns and Mark Hunt.

The Bulldogs were in trouble at the long break. They trailed by 16-points. Soon after Cat rover Mick Thornton, made it 22-points.

Despite two goals to Chris Pelle, Sollies maintained their advantage throughout the third term. South peppered the goals in the closing nine minutes of the term kicking six consecutive points, before half back Doug Rozee burst through the forward area to goal. South trailed by only 11-points at three quarter time.

Sollies scored first in the final term through Jeff Rawlins, to make the margin 12-points. Chris Pelle marked and goaled at the five minute mark to reduce the deficit to six points.

Behinds to Cock, Pelle and Hynes reduced the margin to three points, and then a goal to South captain-coach Dennis Russell gave South the lead at the 14-minute mark.

It was the first time they had been in front since the four minute mark of the second term.

Sollies' rover Laurie Hellmans kicked a behind at the seventeen and a half minute mark to reduce South's lead to two points. It was to be the Cats last scoring opportunity for the game.

South Augusta completely dominated the rest of the quarter.

Half-back cum wingman Mark Bowman kicked an inspirational goal at the 19-minute mark. He received a hand pass from coach Dennis Russell, dodged a tackle from Brian Webb and kicked accurately on the run from an acute angle.

Goals to Claude Mafrici, Dennis Russell, Pat Hynes and Derek Edmead (2) in the closing six minutes, gave South a 41-point win.

Pat Hynes put in four very consistent constructive quarters of football for the Bulldogs. He picked up a ton of kicks and set up many scoring opportunities.

Captain-coach Dennis Russell put on a great exhibition of strong overhead marking. He was a source of great inspiration to his team-mates.

Chris Pelle and Craig Cock set up many forward moves with their run, body work and handball. Roger Hooper put in a great game whether in the centre or on the ball. Mark Bowman played a great final term and Maurie Vast at centre half back and Ashley Dunkley, on the ball in the second half, also played well.

Steven Magor rucked well for the first three quarters. But the pressure of having to ruck the whole season, began to tell in the final term.

David Granger with six goals (five in the first half), marked well up forward and did some useful work around the ground when on the ball.

However, Gary Kernahan curbed his influence very effectively in the second half.

Brian Taylor and Glenn Johns combined very effectively across half back, and running players David Jaggard, Russell Palmer and Laurie Hellmans also played good games.

Adelaide umpires Steve Buck and David Watts also performed very well. They picked up the first free kick on most occasions and did not let packs develop with quick and decisive decisions.

Ashleigh Dunkley takes a screamer for South to hold out another attack by Sollies.

South grabs amazing win

South takes flag

Port Augusta continued its dominance of the Spencer Gulf Football League when South Augusta shattered Solomontown's 23-year-old premiership dream with a devastating last quarter in the SGL grand final on Saturday.

Before a near record crowd the Bulldogs stormed home to win the premiership by 41-points at Central oval.

Solomontown led for most of the match and looked the likely winners going into the last term with an 11-point lead and a following breeze to assist.

However, South stormed home with a powerful eight goal burst, while holding the Cats to only two points. South was brilliantly led by captain-coach, Dennis Russell and magnificently supported by Pat Hynes, Chris Pelle, Craig Cock, Maurie Vast and Derek Edmead.

The game was preceded by a colorful build-up with players running through banners, balloons being released and cheer squad girls.

Central Augusta took the seconds premiership by 10-points over South Augusta. It was Central's second successive seconds premiership and South's sixth successive grand final appearance.

The upset of the final series was in the inaugural thirds grand final when Port defeated hot favorite Risdon by 37-points.

An exhausted but happy South Augusta captain-coach, Dennis Russell, is chaired off the ground after his team turned in a stunning last quarter effort to win the 1983 SGL premiership on Saturday.

SOUTH AUGUSTA FOOTBALL CLUB
SALUTES

1993 MADIGAN MEDALLIST

SHAUN MCLENNAN

UMPIRES_BEST_FRIEND

Scott Feltus : He made a habit of taking advantage of an early hot shower on at least 2 occasions. Scott thrived when Patty shifted him to the backlines, and he went on to play a Magor, I mean major part in the finals campaign.
The man could have won every award, what a debut year.

SILENT_ASSASINS_AWARD

Travis Hoffman: He should be working for the FBI after some successful undercover work (Hell man! What a hit)

QUOTE_OF_THE_YEAR

AW! This is @%*%@#% magnificent! AW! This is great! AW! I love it! AW!
POM : Commentating on his video with 5 minutes to go in the Grand Final and a few ales consumed.
POM's video seemed to be continuously focussed on the cheergirls when Kernas was lining up for vital goals in the last quarter.

MARK_OF_THE_YEAR

Mark Austin: After that specy he took against Sollies in Pirie late in the year. He took it over an ex Southy Nick Agnew. That'll teach him.

TOURIST_PROMOTION_AWARD

To the boys in the back seat of the Pub Crawl bus who gave the Old aged Tourist bus a well orchestrated brown eye. A few extra sherries would have been required that night by the girls to get over the trauma.

WORST_GOATY_AWARD

Had to be Matthew McInnes, at least Prickles joined between the lip and chin.

JOHN_RILEY_LOOKALIKE_AWARD

Tie between Mark Shirley and Scott Harris, maybe Shirls in front on age.

MIL_HANNA_LOOKALIKE_AWARD

JASON LAWSON: They both have pace, skills and run all day, maybe the only difference is they go to different barbers.

THE_MOST_PHOTOGENIC_AWARD

Lee Willcock, can anyone believe his ugly dial got on the front and back page of the Trans. In the same issue.

HULK_HOGAN_WRESTLEMANIA_AWARD

Travis Hoffman and Frank Maloney. The bout after the Sollies game was a classic. The winner - Frank on a TKO

THE MISSING IN ACTION AWARD

Dwayne Crombie: His employer must have regretted the day he said he was going to play for South Augusta. He continually got caught up in the Party scene and had numerous sickies and annual leave when he was supposed to be in Adelaide working.

RED CORDIAL AWARD

Stephen Kittel: can anyone be so hyperactive and not be on anything.

GREG LOUGANIS HIGH DIVING AWARD

Anthony Anno: What an effort to jump from the bridge at low tide after spending all day in the Western hotel punting on the horses. And without having the slightest beer.!

FRANK SINATRA SINGING AWARD

Gary Kernahan: His many impersonations of Sinatra songs delighted Bulldog fans at various functions throughout the year. Maybe he'll give another song tonight.

BEST POST DISCO PARTIES

Byron Mathews: He was the only person eligible because his house had a party after every disco. If only the walls of his house could speak there would be some interesting stories to tell.

SPEECH OF THE YEAR

Pat Hynes: " I said to the boys at three quarter time, if we're going to win we have to get it out from centre every time". Gee! Why didn't we think of that.

RUNNER-UP

Shaun McLennan: His Madigan Medal speech covered more ground than the early settlers, but they knew when to stop. Kernas said it was great that 5AU wasn't paying for the air time. Great to hear him mention the Legend as an inspiration.
