COACHES REPORTS 1997

LEAGUE

Another season down and not much to show for it. Unfortunately we did not do ourselves justice in many games this year. It seems on many occasions we had enough of the play or enough scoring opportunities to win but we just couldn't finish games off. This may well come from the fact that our numbers at training on numerous occasions were nothing short of embarrassing. As coaches Kymbo, Strucky and myself were often let down by people who did not seem to give a stuff about anyone else but themselves and these are the types of selfish people who drag the others down. The small band of players who regularly do the right thing cannot be expected to continnually carry this football club on their own. As footballers we cannot expect to perform to our best if we are not prepared to do the work and commit ourselves like finals teams do.

Throughout the year we too often fell back on the excuse that we did not have enough quality players to win games but I honestly believe we could have and should have won another five games if our attitude was right.

If you are one of the players who did not give your best this season then you can soon redeem yourself by firing up in 1998. Set yourself to be one of ourbest performers next season. A good start would be get all U/18's and all senior players at pre-season training. I don't know about you but I don't like finishing last.

I think now the club is at a fork in the road where we can set ourselves to be a real contender in 1998 or go the other way and continue to struggle.
This club needs players who are willing to work hard and want to succeed so we can once again become a respected opponent. I'd say we already have those people and with a few recruits and a different attitude we can quickly turn things around. The alternative is to approach next year with the same attitude and same people who think that things will right themselves and we would be destined to fail. These may seem like harsh words but I beleive we need to identify the problems and then set about fixing them.

Hopefully the players here tonight are the ones willing to help make the changes necessary to become successful and reap the rewardswhen the club is up again. Tonight would be a good time to make the commitment so we can get ourselves organised as soon as possible to attack next year.

Away from the playing side we seem to heading in the right direction and can look forward to a positive future. Congratulations to the management and all those involved in the fundraising and functions which make the club a pleasure to be part of. Let's all look forward to an enjoyable and successful 1998 and as players lets provide our supporters with some reward for their efforts.

Robert Rozee
Senior Coach

SECONDS

1997 the season that wasn't for the seconds, there's not much to say about the win-loss record for this year just ask some of the 74 players we used. I don't want to dwell on the negatives so I'd like to mention some of the good things to come out of this year. All but 4 of our 26 Under 18's came up to help out with numbers which was much appreciated by myself and the senior players. Troy Ellbourn was used the most he played 8 games and was runner twice, many of the games Troy and the others played were straight after U 18's which is a great effort also we used Ashley Wiseman Captain of the U15's for one game he received a award for that effort. A big thanks to all of those people who put the club first and came out of retirement to help out, some of these players hadn't played for 10-15 years they included Paul Clancy, Trevor Harbridge, Scott Harris, Mark McKell, Geoffrey Polkinghorne, Brian Shillabeer, Mark Shirley and Clive Skinn. A lot of our regular players performed some lion hearted efforts as well, Lee Willcock broke 2 fingers (badly) but was out training within a week training one handed a few more players should take a leaf out of his book and show the dedication and will to play. Some of the others who played with injuries to make up the numbers were David Murray, Ben Chapman, Luke Jones and Corey Shephard.

Time to thank some people firstly the club for giving me the opportunity to coach all be it not to successfully, a big thanks to Noogs he blooded me in the preparation for training and drills etc and helped chase players when required plus assisting on match days his organisation skills, knowledge and experience were an invaluable help.

Thank you to Val, her band of trainers and waterboys, also to my team manager Franko, runner Scotty Harris, timekeeper Shilly, Kelly for being our third selector and Denise for those selection night nibblys.

All those people I thanked I know will be around showing their support next year, it's up to all of us to recruit help in any area we can which will give us the boot we need as a club to get us back up where we belong, THE TOP. One last thank you to all our sponsors and trophy donors their generosity is of great support to us as a club.

Congratulations to all trophy winners tonight and may everyone have a good time.

UNDER 18'S

1997 Season was very enjoyable for me as a coach of South Augusta Under 18's.

B. Pascoe : Played very well at times but lets himself down by not playing at a higher level which he can do quiet easily, he must get a tougher approach to the ball which he lacks sometimes but I am sure it will come.

B. Webb : Has to improve his skill level by way of handball and kicking which lets him down sometimes, but his attack on the ball is great.

B. Buzzacott : Kicking lets his game down at times but that should improve in time and when it does he will be a very good footballer.

I. Brown : First year with South's played very well, skills very good lacked fitness but is very keen to play football and worth holding. Can play both ends of the ground.

C. Reid : Very good footballer, skills great, reads the play very well should play A's next year, lacks fitness, does just enough.

S. Shillabeer : Moves very well on the field, skill level let's him down at vital stages of the game. Must learn to use left leg, hesitates going for the ball at times when it could easily be his ball. Will play A's but up to him.

J. Schmerl : Can play both ends of the ground very well which is rare at his age, skill level is very good. Is a talent and should be playing A's next year, needs to be a little bit fitter.

R. Struck : Very good skill level, played A grade this year and will play a lot more for the club, lacked a little bit of heart but will improve. Still young and let's his team mates get the ball when it should be his, rather sheppard instead.

J. Rivers : Very good skill level, played A's this year and will play a lot more for the club. His marking at times let's him down, must mark those easy ones. Relaxes his mind but still young, will improve that. Keep it up don't take it easy.

S. Pidgeon : Plays hard at the ball but at times likes to attack the man and must improve in that part of his game to be a good player because his game goes off when he does. Good skill level, play the ball.

M. Phillis : Needs to improve his skill level in the kicking department and must want to play football has too casual approach. When he makes his mind up to play football he will be improve rapidly. Needs to train more.

S. Barry : Kicking needs to improve, the only thing that let's him down and gets upset with himself when he does a bad kick. It will come with practise don't get upset, rucks very well, good attack on the ball.

A. Brady : Skill level in the kicking side of the game let's him down, must learn to kick on the run, practiseit will come. Goes flat out and covers lot's of ground, loose checking at times.

T. Ellbourn :Very dedicated tall lad, improving skill wise every game. Lacks confidence in himself at times, just try harder you will get there. Good work, keep it up.

J. White : Back injury cost him some games but improved as year progressed, is going to be a good player in years to come, just keeps improving keep it up.

K. McKenzie : Good mark, good kick for goal will be a forward for South's but lacks training and fitness, when he spends more time on the track he will improve and surprise himself.

M. Zanker : Plays well at times but let's himself down by thinking he knows more than the coach. Loose checking at times let's his good work go undone by under estimating his opposition. Skills good.

M. Witchen : Skills very good, speedy and at times over runs the by going too fast. Good goal sense but tries to kick around corners instead of using his pace to his advantage.

J. Moosha : Skills are good but like Wedgy tends to attack the body instead of the ball at times this spoils your game. Improving all the time, steady player.

B. Winton : Two sided player, very keen, plays hard and needs just a little bit more beef for some clashes, he comes off second best. A bit loose in the checking side of the game like most kids but it will come, keep up the good work.

J. Higginson : Started well, needs to improve his overhead marking, attacks the ball well but waits to see where it bounces before going full bore, don't wait.

D. Coulthard : Lacks confidence in himself but with a bit more time at training to pick his fitness up this kid will be a good footballler. Must train to improve Devon and you could surprise yourself.

J. Coupe : First season of football if most players played with his desire you wouldn't need champions, his skills improved, his attack on the ball is great and just does'nt give up at any cost. Very well done.

J. Pennicott : Need to improve his fitness, marking and handball. Must want the football tended to stand back and watch but did improve as year went on keep going.

Hope to see you all next year and go one better, I like to wish all those who go up to the A's & B's all the best and don't let yourselves down TRAIN.

The players and myself would like to thank the following sponsors for their support during the season.

Bill Baker, Travel Spot, Pat Hynes, Bryan Reichelt, Hungry Jacks and Currier Jewellers.

Also the following for Trophy Donations :

Lamshed Family, Bowman Family, Bert Skinn, Gill McInnis, K & M Margitich, Port Augusta Bus Service, W. Whiting Nominees, Max Reed, Turners Agencies.

Thank You
Chris Struck

UNDER 15'S

The Under 15's team had a mixed year resulting in a record of 5wins and 10 losses. The overall form of the team was inconsistent and I believe this was a result of two main factors:

(1) Being new to the club it took me a long time to get the full confidence of the players.
(2) Non-attendance of some senior players to training and games meant we were often under-manned, playing against bigger opponents and could not reasonably formulate any game plan.

Some reasons given for non-attendancesby players this season were quite reasonable and acceptable, others were downright pathetic. The improvement of many of the players having their first year in an Under 15 side was quite notable and will form a good basis for next season.

I would like to particulary thank Jeff Shillabeer (Club Secretary), David Williams (President) and the Colts Committee for all their help, other coaches especially Trevor White and Peter Rivers, those who umpired Robert Rozee, Shane Kennedy and Philip Shillabeer, Carmel Welk making sure all our property including jumpers turned up in tip-top condition each week, all parents who turned up and supported, allweekly award and end of season trophy donors and I would like to congratulate all Club Trophy winners.

In closing I would like to thank the South Augusta Football Club for giving me the opportunity to coach the Under 15 side in 1997 it has certainly been a season that despite the lows I am personally pleased to have been involved and I look forward to continuing my involvement with the South Augusta Football Club some way in 1998.

Thank You
Bob Jolley

UNDER 13'S

The 1997 season for Under13's was a fair one as we finished 3rd. First of all I would like to thank my helpers David Fox, Troy Preston, Kevin Margitich who was our goal umpire all season and Peter Rivers also the players and parents.
We had 4 players selected for SAPSASSA J. Rivers, T. Rice, B. McCallum and A. Herbert who also was R/Up for the U/13 Corey Medal. We had 8 players from last years side the other 20 odd players were first year U/13's. I suppose 3rd was a fair season when you have 10-12 players on the bench most weeks.
We had six players in the Combined Under 12& halfs side which played Whyalla.

Players to watch in future are the:
Fairest and Best : Jared Rivers - made State School Boys Squad
Runner -Up : Aaron Herbert
Most Improved : Scott Treleaven
Most Courageous : Robbie Barnes
Best First Year : Adam Grantham
Team Manager's Award : Jeffrey Shillabeer
Coaches Trophy : Thomas Rice
Encouragement Award : Mathew Gill
Trevor Barry Trophy :Adam DiPaolo
Best Team Man : Kyle Butler

Coach
Trevor White

UNDER 11's

Well after a very good season the lads came in second to top. There was a very good chance of finishing top but we dropped two very easy games mid-way through the season. The lads came ahead in leaps and bounds from the start of the season the skills and discipline from all the boys improved no-end.
Congratulations to Mathew "Kelly" Grantham and to Douglas Milera for taking out the Fairest and Best and R/Up awards. Congratulations also to all the lads who won trophies, thank you to all the parents who helped; not only at training but especially on Saturday mornings. A special thanks to the guys who done the umpiring for us remember without them theres no game at all. Okay time to go thanks again to everyone and we'll look forward to "98" maybe top position.

RITTS and TWOF

UNDER 9's

It is the end of another reasonably successful year for the South's under 9's, the boys showed a lot of endeavor and courage in their games. If they can keep the process going I am sure that most of the boys will play league football for Souths in the future. To all the boys who go up to under 11's next year we wish them all the best. We would like to thank all our sponsors for the awards each week, also thanks to the parents for getting the lads to training and all their help throughout the year. Also for getting the boys to Quorn for the annual round robin, hope to see all the boys out again next year full of enthusiasm and to any new children who will be much welcome.

Thank you : David Winter, Andrew Magarey and Robert Laube

The Football Trip

This years trip was to Broken Hill in which 27 eager Southies ventured. We left 12:45 on the 19th September (already running) behind schedule to Heathy's lateness) and arrived in the Silver City at approximately 7:00pm. This was such a long trip due to the boys stooping to see the scenery and meet the various local at different watering holes.

The bus was split into 3 different areas for the trip, up the back were the fellas who wanted to listen about Boof and Wintes life escapades, in the middle where the card sharks and up the front was anyone who could talk sense to Clive!! This meant the front of the bus was very empty and the bus driver Ray Clancy was very lonely.

Upon arrival the crew could be spilt into 3 categories:
1 - the half drunk sensible crew (young fellas who knew they wouldn't go all night if they started too early).
2 - The very drunk but still coherent crew (veterans who knew the footy trip rules).
3 - The Clive Skinn Crew (only contained 1 member).

Friday night consisted of a few drinks at a few to many pubs, then off to the disco. On arrival back at our rooms we were cautioned to be very quite as there was an undercover cop staying there Of course everyone was on their best behavior.

Saturday was a very slow start for most with many hangovers and a few spews. We all felt better after a greasy bacon and egg sandwich. The crew the proceeded to the Musicians Club to punt the horses and watch the Crows play the Western Bulldogs. The happiest man at the bar was Boof, when the final siren sounded he received a rousing reception due to the fact he had bet almost everything he had on the Bulldogs!! Maybe that's why they call the minibus - half a Coach.
Saturday night was another pub crawl with Jube and Little Kevy Harris taking all before them on the dance floor. Someone forgot to tell Shilly you dance not sleep at discos.

After cleaning our rooms on Sunday morning it was off to Centrals footy club for a few drinks. This is Boofs old club and his picture hangs proudly on the wall. In these photos he still looks the same as he does today, very large medina head and that barge arse. After swapping stories with some of Boofs old mates for 2 hours it was off to the long bus trip back to Port Augusta.

Everyone was a bit quieter on the way home with some trying to sleep, some talking shit (guess who), some reading the paper, some riding the publicans goat at the Manor Hill, and Jube and Kev just getting pissed. We arrived home at 7:00pm and everyone quickly departed to see their loved ones.

We would like to thank Ray Clancy for donating his services as bus driver as it made the trip that little bit easier to co-ordinate.

Razorbucks Fundraising Committee 1997 Report

Season 1997 saw the formation of the South Augusta Football Club Razorbucks Fundraising Committee. The name was selected from entries submitted by members of the club. Our aim is to raise funds and improve the social aspect of the club.

It has been a fun and busy year. Events that have been well attended and financially successful include a Progressive Dinner, Car Wash, Prawn/Chicken and Beer Day, 10 Pin Bowling, Xmas in June, Ladies v's Legends Football Match and a Movie Night.

Coming events to complete 1997 include the South's Springtime Debutante Ball (8 November), a beer raffle and catering for weddings in November and December.

This committee is dependant on willing volunteers in order to achieve success and distribute the work load. We would welcome any interested Southies who want to have a bit of fun and help the club be number one in Port Augusta.

Many thanks to all the Razorbucks committee and those around the club who have attended our functions and/or who have given up their spare time in 1997.

We look forward to a successful 1998 both on and off the field.

1997 AWARDS

COMEBACK AWARD

Several names spring to mind for this award, however the judges have opted for Trevor Harbridge who not only played B grade after 15 years but was stupid enough to agree to play in the Centre for several quarters. Needless to say he was not sighted after this game. Other Nominations: Clive Skinn, Mark McKell, Mark Shirley and Brian Shillabeer, Geoff Polkinghorne and Barnesy.
Silly old fools.

STUPIDITY AWARD

Anyone who runs 21kms and then fronts up for a Past Players match can't be all that smart. Sorry Patty your it!!!

WORST EXCUSE FOR BEING LATE FOR GAME

Strucky thought he'd heard them all, but waking up and travelling to Whyalla instead of Pt Pirie for the game, come on Pidgo.
PS All the best with your new job.

FRAUD AWARD

Still under investigation by the Port Pirie League for obtaining pensioner concessions for getting into the game. Brenda and Marg think of the money you'll save.
Close second must be Wints whose strategic method of getting rid of his old bomb after leaving it in front of Souths for 3 days worked to a tee.

SMOKEY AWARD

Unfortunately for him we won't forget this one for a while yet, still were glad your still around Troy and thanks to Boofs the stories about the fastest wingman and the best wicketkeeper batsman in Port Augusta linger on.

RIPPED OFF AWARD

Polky would have to take the cake after his purchase of the false leg at the Auction held this year. Well done Polky the money went to a good cause and you were one of the chief organisers.

WHERE ARE THEY NOW

Beinke Family

Brian Bienke coached the A grade in the late 1980s after several playing years with the club and his son Bryan played colts with the club later to progess to Port Adelaide and of course play in last years Premiership.

Brian shifted to Adelaide around 3 years ago when most of the children moved down through work. He's stilll going well and catches up with the boys most years of the Cricket carnival in Adelaide.
His son Bryan was drafted by North Melbourne in 1997 and after an early injury played well for the rest of the year in the seconds according to Dad.
Brian indicated that his son was about to leave on a post season trip to Ireland and Dublin and was enjoying his time in Melbourne. He'd said he'll give us a call if he ever wants to come back to the country for a game, we wish.

THE 1998 SEASON.

Just after the last game of the 1997 season the Football Committee was expanded with the aim of improving the clubs performance in the 1998 season. The Committee now comprises 7 members who will be specifically involved with football matters:

Harry Waterworth	Pat Hynes	Gary Kernahan
Chris Struck	Mark Shirley	Kym Maule
Robert Rozee		

Chris Struck was appointed recruitment officer for the 1998 season, a well known footballer and coach with a good background in assessing players from both within and outside the league.

With his help the Committee will aim at approaching players who may be interested in playing for the club and at this stage over 20 players having been contacted with success to be measured closer to the start of the season.

Money raised from the Vice Presidents Club will assist the committee in its aim of attracting players from other leagues if required. If you haven't joined at this stage please consider it as it is a valuable source of funding for the Football Committee.
Players can also join this year as all draws will be on a Sunday after the Saturday game. Two players sharing a ticket will both be entitled to come to the draws with beer and food provided. Unfortunately you will have to leave your partners at home!!

The 1998 season has started with a positive note with the return of dual club champion Kevin Harris who only last year was runner-up in the Roxby Downs League Medal. Travis Hoffman is also keen on a full season in 1998 and they will provide good support to the several colts that make the transition to the senior grades.

Those U18s that have to play senior football next year include:

James Schmerl	Matthew Phillis	Ian Brown
Nigel Shinnick	Johnathon Coupe	Brett Pascoe

The Football Committee stresses to the club that it must encourage all juniors to stay with football and that they should all be accepted within the club framework.
If we can keep most of the colts from the last 2 years involved with the club we are assured of a good future.

The Football Committee also aims to confirm all coaching and ancilliary staff positions within the senior ranks before the end of the year so if your keen to join the group of workers in 1998 please approach the Committee.

Lastly, if you here of anyone new in town or those dissatified with their club let Chris Struck or the Committee know as soon as possible.
It will only take a few key players added to our existing squad to make us a force in 1998.

SOUTH V CENTRAL.

The opening match of the season took place on Saturday last in the presence of a fair attendance of spectators. The day was warm and the playing ground very dry and dusty. Centrals broke away from the bounce and soon had the blue and whites on the defensive. Two minors were notched before the Souths found their legs, but then the latter bore down on their opponents and for the rest of the quarter had them in trouble. Four easy chances to score the mixmum were thrown away, the chief offenders being Scharenberg and Cilento both of whom marked well but kicked execrably. When the bell tinkled for the first change the score was

Souths—4 behinds
Centrals—3 behinds

South continued to attack on opening and rattled on three behinds. Central then asserted themselves and Bartsch with a nice kick scored the first six pointer of the season. This was the commencement for a string of goals four more being recorded—two for each side—without alteration to the behind tally. At half time the board read

Souths—3 goals 8 behinds
Centrals—2 goals 4 behinds

After the long interval the red-legs were the first away. Their play improved immensely and some fine combination flashes were witnessed. They kept up a strong attack on the blue and white citadel and kept their opponents in the defensive right throughout the term. Seven times they added to the score but only once they sent sent the sphere through the posts. At the last change the score was

Souths—3 goals 9 behinds
Centrals—3 goals 10 behinds

The game was thus at an interesting stage when the ball was bounced for the final term. Both sides went in to win but were so equally matched that neither could force an advantage. The ball went up and down the ground but failed to reach the goal posts. The red-and-blues at length scored a minor and this proved the only alteration of the score during the quarter. When the bell rang the Centrals were 2 points ahead the board reading

Souths—3 goals 9 behinds
Centrals—3 goals 11 behinds.

The winners were certainly the better side and deserved their victory. On both sides the players were a bit green and for want of practice found it difficult to judge the flight of the ball. The low scoring was due in a measure to the placed men clustering too much at either end instead of advancing to meet the ball. In consequence the half-forwards failed to collar from the centre and there was always a big gap between them and the ruck-men. There is plenty of room for improvement and as the season advances no doubt the standard will move up a bit. Souths weakness was a lack of combination, most of the players trusting to individual efforts, and essaying to run with the ball instead of cultivating the safe pass from one to the other. Nine times out of ten the flash run ended in disaster. A smart player is is always tempted to trust too much to himself and this fault in individuals has led to the undoing of many better sides than the Souths. For the winners Todd (especially in the last half) Martlow and Tilling were about the best; and for the losers Cilento (best man on the ground) Withers, England and Fullerton were most prominent. The goal kickers were Centrals, Bartsch and Grantham (2); Souths, F and A Withers and McDonald. The umpiring was in the hands of Mr E Bartsch.
