PRESIDENT'S REPORT 2005

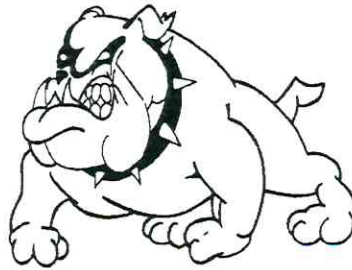

PRESIDENTS REPORT

We see the curtain come down on another successful season of football. Although missing out on the Holy Grail, I believe everybody who was at the ground would have nothing but praise for the way in which our boys conducted themselves. Much credit must go to the senior coaches of Gary and Hedley, I thank you for the dedication you have shown over the past year, and to all the players and support staff I thank you for making everything possible.

With premierships to our under 13's and under 15's a prosperous future awaits. Congratulations to those boys and their coaching staff and to all the individual award winners. I consider ourselves very fortunate to have such generous sponsors and hope that this union will continue, and to the trophy donors I thank you for your continued involvement.

The club as a business has also been competitive and many thanks must go to those volunteers who donate their time tirelessly week in week out. To the management committee, congratulations on maintaining a positive attitude around the club. To those patrons that have supported us I thank you and commend you on your behaviour, with only a few issues causing minor disruptions. I hope you will continue to support the club in the future.

*Yours truly
Shane Kennedy

UNDER 9'S

Hi folks !!

Yet another great season has come and gone in the under 9's (the future A grade players) we all had a great year of learning the basics of football and this year the boys learnt positions on the field as well as the big D word: Discipline. Having lost only 2 games "so the players told us" the boys really put in every week they really done the red and white proud. Good luck to the boys going up to Under 11's in 2006 hope to see all the others next year. Special thanks to all the parents who helped out and made this season so good, the biggest thanks go to the boys who played their hearts out each week.

GO THE BULLDOGS

UNDER 11'S

The 2005 season was a very successful year for the club's U 11's grade. Whilst not finishing in top position, the boys won 13 games and lost only two games, both to Quorn Wolves Red. Whilst there are no finals played in U11 's, the final game of the year against Quorn Wolves Red was a grand final with the winner being able to lay claim as the U 11's premiers. Unfortunately, despite a great effort and commitment by the boys, we were beaten by a better side on the day going down narrowly by less than two goals.

Overall during the year, we kicked 87 - 113 (633 points) and only had 17 - 19 (121) kicked against us, this equates to a percentage of 81 % and clearly shows that U11's were dominant in most games and only lost narrowly on the two occasions that we were defeated.

Throughout the year, the attendance and attitude of players at training was excellent with an average of 24 players from a playing list of 31 training each week, and with an interchange ranging from a minimum of three players up to seven players each game. Both Grant and myself endeavoured to ensure players were encouraged through an even distribution of weekly awards and equitable game time. Of the 25 players who played consistently each week, 22 of them played in excess of 71 % game time, meaning 88% of U11 players averaged nearly 3/4 quarters of a game each week.

Five Captains were selected following the first four weeks training. They were; Michael Morse, Louis Fox, Macauley Finlay, Kenneth Abrahamson-Davey and Nathan Coutts. They were rotated weekly with two Captains nominated each game, each of them led by example and were consistently in our best players each week, all of them figured prominently in best and fairest voting at the end of the year. Trophies presented to U 11 's players at the end of year presentation were as follows;

Michael Morse	Best & Fairest
Louis Fox	R/U Best & Fairest
Macauley Finlay	Best Team Man
Darcy Noli	Best First Year Player
Kenneth Abrahamson-Davey	Most Consistent
Marcus Kerin	Most Valuable
Nathan Coutts	Most Courageous
Cameron Ortlepp	Best Utility
Riley Dunneman	Most Improved
Slade Laube	Coach's Trophy

Every year, sponsors and parents provide support to the junior teams. U11 's was no exception and Grant and myself would especially like to thank those parents who contributed and assisted in any way, especially with washing Guernseys; organising after game drinks; umpiring; time keeping; picking up and operating the trailer; sponsoring weekly awards and end of year trophies; and assisting at training. Next year, 12 players from a playing list of 31 will go up to U13's leaving a very good nucleus of U 11 's players for 2006. Among the 12 players going up to U 13's are some very good players who should adapt readily to the higher grade and continue learning and improving their football ability. Finally, congratulations to the Coaching staff of U13's and U15's for their success in attaining premierships for the club, and good luck to the League side as they endeavour to become the 2005 SGFL premiers.

UNDER 13'S WHITE

A very successful season for the U13's going through undefeated and winning the grand final against Central 10-10 to 0-2

The players started training six weeks before the first game and we had up to 32 players in our squad mid season, in the run home to the finals we had 30 players on our books and sure enough all 30 players were available for the second semi final and grand final all players had game time as we tried to maintain a winning combination whilst giving everyone a decent go. The boys were the most "disciplined" team Ritts had seen there wasn't a player who didn't do his push ups, sit ups, bupees etc, the "NO TRAIN NO PLAY" (without a really good excuse) policy seemed to work brilliantly as only a couple thought they could sneak a game without notifying us.

The 30 premiership players all did their jobs throughout the year but there were standout players like co-captain Daniel Noll runner-up in the colts league medal with co-captain Ben Trewartha and vice-captain Daniel Royals equal third, Ben also won the Margaret Nobbs Goalkicking Trophy with 33 goals with Keaton Milera runner-up with 20 goals, Dean Johnson, Bryce Kelly and Nathan Nistico were also outstanding. Nic McPhail came down from Roxby Downs to play a few games and star in the finals and Steve Coulter (nephew of Andy cousin of Josh) came across for most trainings and games from Whyalla.

Approximately 24 of this team go up to Under 15's next year thus leaving next years team very light on but this becomes a opportunity for players to get full games and be a character builder for their future. We were lucky to have 3 coaches this year and this made training and games easier for all of us, big thanks to Tiny Wilson for helping out running, goal umpiring and any little job we gave him, Wayne Culbertson for being the chief goal umpire, Alistair Miller and Malcolm McPhail. To the blokes who do the hardest job of all field umpiring a great big thanks to Rod Leith, Darren Shillabeer and Adam Grantham. Hot dog trailer workers you were very much appreciated thank you, also a big thank you to Pauline Culbertson for washing guernseys, hot dog roster, collecting money and always being at training nights.

This team was a real pleasure to coach but we need new coaches next year and if at interested see any of us soon.

*Coach's: Peter Trewartha
Wayne Cox

UNDER 15'S

It was a great year to go through undefeated so all the credit goes to the boys themselves. The team supplied 16 boys in the Under 15 and Under 14's combine teams, three boys Casey Whitaker, Jak Kerin and Vincent Warren made the North Adelaide Under 14 Country team four boys James Van Hoof, Kode Patterson, Joe Fuschtei and Brock Laube made the Under 15 Country team, we also had 14 players willing to help out the Under 18's during the season.

James Van Hoof won the Murphy Medal with Kode Patterson runner-up, Vincent Warren won the goal kicking award.

Thanks to all the people that helped out during the season Ricky Gill, Dean Collins, Val Waterworth, Wayne Cox, Andrew Magarey, Brad Gardham, Allen Quigley, A Madigan and Ajaye Laube thank you to all sponsors but a very big thank you to Wayne Culbertson (Northpoint Toyota) for sponsorship and fund raising.

Coach: Robert Laube

UNDER 18'S

The 2005 football season for the Under 18's side was one that at times was extremely rewarding and other times extremely frustrating.

We finished the season 3rd overall after loosing the preliminary final to the Wolves

With players such as Ricky Johnson, Matthew Grantham, Chris Abrahamson, Simon Brusnahan, Darren Shillabeer and Daniel Dohnt playing A grade most of the year, and another 8 players missing or unavailable we relied heavily on the U/15's each week to help form a side, some weeks we used as many as 10 lads.

Credit must be given to everyone involved who help form our side each week, without those lads and people our side and club would have lost a lot of credibility in the SGL by possibly having to forfeit games.

I can't finish without thanking the fantastic team of people who helped and assisted the U/18's thought the season –

Sponsors – Kelly and Denise Grantham, Jet Set Travel, Blues Bro Teas, Woods Family, Heron Family

Val Waterworth for her huge efforts during the season at training and every game.

Nick Heron the team manager

The trainers in Father Pete, Wayne Cox, and Marky Shillabber who gave the U/18's great support throughout the season.

Suzi McKell for her washing our football jumpers each week.

Harry Waterworth and Phil Shillabeer our odds job men (part time team managers, sorting out other football issues)

Ricky Gill our time keeper

Trevor Harbridge our team runner

Choco for his coaching assistance and support with U/15's

Anthony Anno and Andy Reynolds for their support and assistance at training each week

All those U/15 lads for put their hand up to play for us each week. Again with out their help we would have struggled to put a side on the track.

Finally, I would like to thank all our players for their commitment and efforts this season. We have some very talented footballers coming through the ranks, many of which will make the league debuts within the next season or so.

Good luck and all the best to those lads who are leaving due to work, uni or other interests.

Coach: Mark McKell

SECONDS

Firstly I must congratulate the junior teams who played off, and won the grand final in their respective grades and also those who won the B/F and runners up.

Also well done to the under 18s for making it through to the preliminary final, hopefully next year we can improve on this and bring home the flag.

Also congratulation, to Kernas and the A squad for making the grand final this season, unfortunately it was disappointing to lose, however hopefully we can win it next year?

To our guys, well done, it was a great effort to make to 4 and to play in the 1st Semi, unfortunately this is as far as we got and to lose the way we did was disappointing, maybe next year we can improve and go one step further?

At the being of this season we were fortunate to have quite a few senior players to choose from with some 45 players on the books, therefore we only had to used a couple of under 18 players to fill in the gaps during the season. I would like to thank those players who came up from the under 18's and played B grade, your young legs certainly helped us make the finals.

Also I must say a big thank you to those footballers who were listed as emergencies and showed up on match day, this clearly showed their commitment to the team and the club.

I must not forget to thank the experience players like: Jak, Hey Hey, Dex, Andy, Jibby, Trigger and Jube. Your voice, skill and football knowledge on the ground was an asset to the team.

I would like to thank, Jak, Hey Hey, Andy and Mckell for helping out during the season.

Congratulations to the 300 gamers Jarrod Waterworth and Shane Kennedy, sorry Hey Hey you will have to wait until next year to join the 300 Club and I hope you guys play on next year to assist and guide the young ones on the footy field.

Once again a big thank you to those players who played in the B Grade Team this season.

In closing I would like to say thanks to the following people:

Harry Waterworth, Val Waterworth, Phillip Shiiabeer, Coxy, Mark Shillabeer, Colin Scarlet, Franko Farr, Brock Laube, Kode Patterson and Gill for being the runners, Gary Kernahan, Timekeepers, Sponsors, Supporters, the Club and Committee and those who helped out in the shed and assisted with teas after each game.

LEAGUE

Season 2005 finished unfortunately the same way as last year runners-up, this was a disappointing result given we had the team to win. Our second-semi final win over West was a good one and we had reason to believe we could win the Grand Final but it was not to be. The club as a whole will no doubt hope that we have a great resolve to rectify 2 Grand Final losses in 2006. Over the full season our playing group managed pretty well finishing 2nd in the minor round, our leadership group led from the front Chris Heritage as Captain, Kevin Harris had another outstanding year, Christian (The Rock) Reid, Dwayne Crombie, Brett Jones and Ian Brown all made contributions. Our younger group all had there time and in particular Adam Grantham, Mathew Grantham and Adam Di Paolo shone throughout the season, our list includes many other younger players who contributed and now is the time for these players to stand up and be more consistent throughout the season week in week out.

Many thanks to Phil Shillabeer who has retired as A grade team manager, Phil spends hours each week behind the scenes and his help and work over the years has been superb. Val Waterworth, Wayne Cox, Peter Gardiner and the other trainers & water runners etc are great workers who did a great job in keeping players fit and on the track their contribution is very much appreciated. The senior coaching group in Hedley Richards and Mark McKell have been a great help to me personally during the season as has Jarrod Waterworth who played "B"s, acted as the runner in A's and also as a selector along with Hedley and Mark. Coaching the seconds and under 18's is a tough job and they handled the positions well with both those grades also playing in the finals. Clive Skinn, Ricky Gill and Andrew Frick covered the timekeepers box, Joyce Phillips cleaned the guernseys again many thanks to you all.

The football committee which includes Harry Waterworth and Keane Parrington are also a great help, thanks also to Dexter and the management committee who at all times supportive, the cheersquad and the banner on Grand Final day were also appreciated as a lot of time goes into them, lastly thank you to all sponsors during the season with out you all we would struggle.

Coach: Gary Kernahan
