

**SOUTH AUGUSTA
FOOTBALL CLUB**

2002

PRESENTATION NIGHT

PRESIDENTS REPORT 2002

In a year that can only be described as an emotional roller coaster, a football season that for reasons did not realise it's full potential but did develop some encouraging signs.

A year where we have been fortunate enough to join in with the many young families celebrating the birth of their babies, also a year where we have also suffered the tragic loss of two members who were also friends to many and try to understand what their families have had to endure.

People make a club and South's has always been a family club, the support, affection and understanding of people involved and the way they conduct themselves is why we have been so successful. This does not just happen, people make it happen and the more people prepared to help the more successful we can be.

There will be several positions left vacant in the New Year (2003) and it would be appreciated if anyone who has some spare time available could help.

In finishing off, I would like to thank the Management Committee, Football Committee, Vice President's Club, the Coaches and Support Staff for your efforts and support throughout the year.

To all the volunteers that have donated their time, many thanks to you. But a special mention must go to Kym Austin, Harry Waterworth, Marg Waterworth and Shelly O'Brien for their support.

*Yours truly,
Shane Kennedy
President*

P.S.

Congratulations to all of the League Medal Winners in their respectful grades and to those receiving a trophy tonight.

LEAGUE MEDAL WINNERS 2002

COREY MEDAL UNDER 13 - JOE FUSCHTEI (White)

MURPHY MEDAL UNDER 15 - RICKY JOHNSON

DYASON MEDAL SECONDS - MICHAEL WITCHEN

UNDER 13 MAGARET NOBBS AWARD - DARREN SHILLABEER (Red) 50

UNDER 15 BANK SA - CRAIG BRADY 72

COACHES REPORTS 2002

UNDER 11 - WHITE

The year was a successful one for the Under 11s with both sides finishing first and second for the year. As coach of South White I am very proud of the boys for the way they played and also their discipline on and off the ground which helped with a productive year in taking out the premiership for 2002. There was lots of good team play during the year from all of the boys with the younger lads improving their skills and getting in and having a go.

I would like to take the time in wishing all lads going up a grade all the best also the parents who helped during the year with the cleaning of jumpers, field and goal umpiring and the trailer which helps fund the colts commitments, without this players' teas and other shows wouldn't be able to go on, so I urge parents next year to get in and have a go in making the club successful in 2003.

Wayne Cox

UNDER 11 - RED

A fantastic year in the fact that the South teams finished 1st and 2nd, a second consecutive premiership to the South White team with congratulations to Wayne Cox in his year of coaching.

My lads won 10 and lost 5 to hang on to 2nd position, we used 29 players over the season with about 20 of these boys playing and training throughout and

the trophy winners will be ones who stuck at it all year. There was a good spread of talent in the team and some Coober Pedy lads had a few games with us, with so many players going up to Under 13s next year we will probably only field one U11 side when the numbers are strong again we will look at 2 teams.

A big thank you to Allan Quigley for umpiring also to Ricky Gill for being our goal umpire again, thanks to Dean Collins for collecting the Hot Dog Trailer and setting it up and to anyone who worked on the trailer it is very much appreciated. Last of all thanks to Clarrie Whittaker for helping out at training and young Tyler for being my whiteboard operator and drink steward.

Peter (Twof) Trewartha

UNDER 13 - WHITE

The junior programme at South's is working very well with good numbers and hence good results which is shown in the Under 11s. To the team congratulations on what you achieved in the latter part of the season you should all feel proud in coming from 4th to be Runners-Up in the Grand Final, you gave it your best and as a coach that's all I can ask for. At times during the season we struggled to get numbers on the oval but with the help from people like Harbo and Woody rounding up players and getting these to training and games helped immensely, the teams achievements throughout the year would not have been possible without the help of many people, so thanks to Lindy Madigan for washing jumpers, Pat Madigan for the ice for the drinks and goal umpiring, Choko for general support and sorting out off filed problems, Andy Blinman, Robert Rozee and Mick Kerin for umpiring, to Ness for help and support working the shop while we had training. Most of all to Harbo, without his immense help and support, both on and off the field, the coaching job would have been a heck of a hard to do.

Mark Kirkham

UNDER 13 RED

The 2002 football season for the Under 13s Red side was one that was difficult for our side mainly due to lack of numbers throughout the bulk of the season and only having 14 regular players. On the negative side, side of things, it saw our side having to struggle most weeks to be consistently competitive against bigger and physically stronger opposition sides, it also restricted opportunities to be given to some of the more developed players to be blooded at a higher level in the U15 side for next year. On the positive side it gave all players the opportunity to play a full game each week and also allowed the U11s to play at a higher level, it also allowed players to play in a few positions that they may not have if we had a full side. At times during the year, I am sure a few players and parents would have liked to walk away this season, it is a credit to all concerned that they stuck it out.

I was pleased with the development of our players throughout the season it was very rewarding to see some of our players who struggled early to show great improvement and progress as footballers as a coach this all you can ask. At times our side competed strongly against the opposition side and as those who came to the Derby's against South White, these games were very competitive and had exciting finishes but we seem to drop our level of competitiveness against sides such as West and Central and failed to beat either of these sides during the season, I am confident that if we had the same mental approach to these games as we did in the Derby games, we could have easily beaten both of these sides.

Thank you to all those who assisted us during the season, Graham Anderson for making sure we had drinks available at each break during the games, Brad Graham for goal umpiring, Mark Kirkham and Trevor Harbridge from the White side for their help at training, it was good at times to share training and join in together as one side, Phil Shillabeer for his assistance at training and also as an umpire when required, Christine Shillabeer for washing our football jumpers each week, special thanks to Rod Leith for his assistance and football knowledge and experience was a huge help to our side. I am sure all players would have been given advice or help one on one from Rod at some stage during the season and this can only go to help our players develop in the years to come. Congratulations to Choco and the Under 15 lads, they have all worked very hard as a team both on and off the field and fully deserve the rewards of an undefeated premiership team. Finally I would like to thank all our players, we have some very talented footballers within our ranks and I honestly believe there are a few players who haven't really started to show their full potential as of yet, I hope all those who played this season continue on next year.

Mark McKell

UNDER 15.

What a year **UNDEFEATED PREMIERS** they took all before them and never looked back, it was a pleasure to coach this group of young men. I would like to thank Craig Ritter for his help all year, Carah Laube for her help at training and games, Graham Anderson for his help at games.

When you have the results like we had it's hard to pick out one or two players, we used 28 players throughout the season concentrating on team play. Well done to Ricky Johnson, winner of the Murphy Medal, Mathew Grantham came in third, Craig Brady won the goal kicking award with 72 goals. There are some fine young footballers moving up to the Under 18s next year so the future looks good for the club.

All the Best

Robert (Choco) Laube

UNDER 18

Well another season has finished for the club and as the thirds coach you could look at the results and position on the ladder and you would probably not be happy, we started the season with 36 players but to the credit of the boys we finished with 28. Well done to Joe Hull for organising the boys in the earlier part of the year but due to family and work commitments, Joe had to vacate the coaching position and yours truly volunteered to step in for the remaining nine weeks. With a bit of discipline and hard work we went from being a team that just rolled up, to being very competitive, with the A's drop in form due to a few reasons it was a good time to promote the juniors, well done to those who stood up when they were called upon. I honestly believe I will not see these boys back in the Under 18s again even though they are eligible, Adam Grantham, Chris Heron, Richard Winton, Adam Di Paolo, Scott Treleaven, Chris Page and Ben Russ. I must also commend not only these players but also the other boys for putting their hand up week after week for the B's, also leaving us short for some games, well done to the trophy winners tonight it was very hard to decide with some very good players missing out, congratulations to all the other junior grades during the year.

P.S. Just remember if you want to participate in finals you have to do the hard work early.

Kelly Grantham

SECONDS

At the end of the minor round we finished third but once again our finals performance was very disappointing, I believe a discipline and committed efforts was needed by some players to get us over the line. To the players who gave myself and Brian Fox the commitment and passion we thank you very much. The Seconds became depleted during the year due to injuries to the League side, we played some games with up to 8 colts who had played U18's before hand, to the Colts who played Seconds this year, myself and Brer thank you.

Thanks to Brian Fox for his support and commitment during the year, also thanks to Kym Franks my Team Manager, Ricky Gill our Timekeeper, all the Runners I used, thank you. A big thank you to Val Waterworth and her staff, I would also like to thank Phil and Gary for their support and all the other people who gave me the advice and support. Thanks to all the new players who came to the club this year and to the regular players who gave support during the season. Congratulations to Michael Witchen on winning the Seconds Medal and to all trophy winners.

Trevor White

League

Season 2002 proved to be very disappointing result on the football field for the club, to finish 5th after coming so close last year was disheartening, however we did unearth some exciting youngsters who will feature heavily in the team over the next few seasons. Names like Chris Heron, Adam Grantham, Adam Di Paolo, Richard Winton, Scott Treleaven and Ben Russ along with others yet to play Senior football will be the future of the club. It is easy to make excuses for poor performances but for me there is none, I believe our Senior group needs to become more committed and focused on achieving success as a team rather than relying on individuals to get us out of jail when we are down. There comes a time when those individuals cannot do anymore than what is asked of them, that happen to us this season, too few prepared to go all the way i.e. dedication and commitment to the team. I see that as mine and other coaching staffs greatest challenge in the next season, we will require 21 players in the team prepared to fight for each other, the Guernsey and the club.

We had our ups and downs through the year, the big down was the loss of the ever popular Kent Voigt and our condolences go to the Voigt family and his wife, Lucy, he will never be forgotten.

I would like to thank Phil Shillabeer, Val Waterworth and all the other trainers and drink boys, the Football Committee and the Management Committee for their support during the season. Also the Club Captain, Anthony Anno for his continued outstanding leadership, he is a terrific role model for all of our younger players to look up to. Congratulations also to Kevin Harris who showed others how dedicated and committed you need to be if you want to be successful, of course there are others worthy of mention and they will know who they are, those who trained regularly and showed heart on the ground. To our supporters thanks for being there I'm confident we can turn our fortunes around and play finals football in 2003.
