SOUTH AUGUSTA

FOOTBALL CLUB

2004

PRESENTATION NIGHT

9 October, 2004

PRESIDENT'S REPORT 2004

Well another football season has passed and the warm weather is upon us. It will not be long and we will be preparing for Christmas, but just to tidy up a few loose ends and put the 2004 season behind us we must acknowledge a few people and their personal achievements.

Congratulations to everyone who participated in all grades this season you have given the spectators endless hours of enjoyment and created many a discussion or disagreement around the morning teal table on Monday's.

Congratulations to Gary Kernahan and his team for making the Grand Final, it was a marvellous achievement and although the result was not the one they would have liked it all looks good for the coming season.

To Hedley Richards well done you did not make the finals but the way the players conducted themselves when asked to play in the higher grade is a credit to them and shows that success is not far away.

Mark Mckell and the under 18's had a great season with being the best team throughout the year but falling victim to other teams being able to drop players back for the finals. And therefore missing out on winning the Grand Final.

To all the volunteers that have donated their time and effort either involved with football or in the everyday running of the club, thankyou and I hope your support will continue in the future.

To anyone I have missed I did not do it intentionally and I apologise.

To everyone on behalf of the Management Committee I wish you safe festive season and look forward to seeing you all again in the 2005 season.

Yours truly
Shane Kennedy
President SAFC

Coaches Reports 2004

UNDER 9'S

The season 2004 was a very successful year in terms of the teams development. This year we saw 40 future Bulldog players in the squad playing 11 games in all.

As I have previously stated there are no scores recorded or recognised in the under 9 format. HOWEVER the players will soon tell you that we won all our games for the year, the most pleasing and rewarding part of the season was to see not only great team play with handballs and shepherding etc but the discipline of the players in holding their positions when instructed to. This is a positive sign for their future in the higher grades by learning these skills it will make the transition to the next grade easier.

This year once again the season concluded with a very wet and cold Quorn Football Club Under 9's Carnival, I am very pleased to say that our players played very well as a team against some strong opposition, to win the first under 9's trophy for the club which is proudly displayed in the trophy cabinet at the club. The team played 5 games for the day without losing a game, with the highlight being beating last years winner Orroroo thank you to those parents who assisted on the day.

Now for the thankyou's to all those who umpired for the year THANK YOU, to all the people who helped at training thanks, a special thank you to Noogs Rozee he was there every week taking the little brigade which helped the young lads with a more 1 on 4 approach to teach them skills rather than the normal 1 on 40 at a normal training session.

Thanks to the Guernsey washers with a special mention to the Ortlepp family who did the majority of it, thanks also to the parents who helped give out and recover the Guernseys on game days, to all the parents and families who worked on the hotdog trailer during the year, this is a great fundraiser for the colts committee and makes playing football that much more affordable for everyone, a special mention to Ajaye Laube for all the times she assisted on the trailer.

A BIG THANKS TO THE BOY'S AND GIRL FOR THEIR EFFORTS DURING THE YEAR AND I WISH ALL OF THE PLAYERS GOING UP TO UNDER 11'S ALL THE BEST.

GO THE BULLDOGS

Kym Maule
Under 9's Coach

UNDER 11'S

TRAINING

The start of the preseason had begun with an average attendance of 13-18 players, there were several current players coming up from the U 9's side and several new players and 4 senior players from the 2003 side. The skill levels of most of the new players needed to be developed to a competitive standard for their season approaching.
The emphasis was mainly on fine tuning their ball skills, and team cooperation which involved the following:

- **Marking skills**
- **Handball skills**
- **Kicking skills**
- **Running and handballing in groups of 3, and 2**
- **Using their voice to call for the ball**
- **Shepparding skills**
- **Goal kicking skills**
- **Back up/ support skills**
- **Tackling skills**
-

Through out the season there was always parent support in various aspects. This included training sessions, game days, guernsey washing, hot dog trailer attendance, and presentation day.

GAME DAYS

The player's attendance on Saturday was up and down through out the season, which made it hard on some occasions to fill a side. This then involved the presence of several U/9 players at different stages, in which all played at a competent level for the U/11's league.

When deciding the placement of each player on the field, I would spread the senior and better skilled player's through out the oval. This strategy was to give support for the new and less skilled player's, and would slowly develop their skills and confidence at this stage. These also helped around the mid season as I was able to place the player in an appropriate position.

When we were required to supply an umpire for our games, I had approached the senior (A/B) grade players of the club at the beginning of the U/11's season and developed a roster of players for the year. These consisted of Aaron Treloar, Kieron Keeler, Mathew McInnis, Michael Maloney, and Daniel Frick.

Darren Nam
Under 11's Coach

UNDER 13'S WHITE

South White won 7 of the 15 minor round games coming 4th on the premiership ladder. The majority of the team were of short stature and over the season they developed a game plan, playing to their strengths. They would try to keep the ball moving in the open and used accurate passing to bring the ball forward. This worked well against most teams. The team always played their best football when playing the South Red side, giving the red team a surprise each time they played. The team soon worked out that teamwork meant they all had to contribute to the best of their ability, resulting in the coach and assistants having difficulty selecting players for awards.

We also had a good result at the Corey medal vote (can't say it was a surprise because he played very well all season) with Jak Kerin gaining equal first points with Casey Whitaker.

I would also like to thank the supporters of the side, without whose help we couldn't play. Including:

The Umpires- Kym Maule, Rod Leith and Rob Rozee
Goal Umpire- Chris Maule
Time Keeper- Heather Kelly
Runners and Assistant Coaches- David Williams, Shaun Philis, Mark Shirley and Susan Magarey (also the jumper washer)

The team trophies went to:

Trophy	Recipient	Donated by
Best and Fairest:	Jak Kerin	Shane Grover Service Department
Runner Up:	Mitchell Hayes	Morrison's Hardware Port Augusta
Best Team Man:	Daniel Royals	The Chalmers Family
Most Consistent Player:	Daniel Noll	Brenda and Chris Maule
Most Courageous Player:	Greg Shirley	Leanne and Kym Maule
Most Valuable Player:	Jack Magarey	Kate Climpson and Nigel Stewart
Coach's Trophy:	Ben Collinson	Susan and Andrew Magarey

Also, South Augusta under 13's White team award donors are:

- **Curyers Jewellers**
- **Hungry Jack's**
- **Shane Grover Service Department**
- **Augusta Marine and Tackle**
- **Pizza Haven**
- **The Grantham Family**
- **South Augusta Football Club (Blues Brothers Voucher)**
- **Mc Donald's**
- **NRG Flinders**

Andrew Magarey
Under 13's White Coach

UNDER 13'S RED

There was about 45 players amongst the two U/13 teams and once again we split them up, both teams made the finals but the Red team was undefeated in the minor round and were expected to win the flag West had other ideas and beat us in the semi-final by 5 points and campaign because the coaches certainly did.

Positives out of the year were Casey Whitaker and Jak Kerin who tied for the Corey Medal with Dylan Culbertson 3rd also Dylan Woods kicking 42 goals and Dylan Culbertson 36 goals to lead the goal kicking. Our club had 9 players involved in SAPSASA football this year and also plenty of players went to Whyalla in the 12½ Combine game and to Prospect Oval for the mini-league game.
We hope to go one better next year.

Peter Trewartha
Under 13's South Red Coach

I would like to thank Peter Trewartha for the opportunity to be assistant coach, it has been a exciting year contributing to the development of a team with 24 u/13 boys (South Red) who I must congratulate for there commitment whilst attending training also during the games throughout the year.

All U/13 boys have furthered there football skills by using both sides of the body (handballing & kicking) and some good passages of play, our back line was tough holding many sides to low scores, also lesser skilled boys making good efforts when trying to win possessions in games all season.

South Augusta Colts U/13's had another successful year for the club with two sides, South Red finishing second, South White fourth with both sides each having a dual medal winners of the Corey Medal congratulations must go to Casey Whitaker (South Red) and Jak Kerin (South White). The U/13 Margaret Nobbs goal kicking trophy was also won by a South Red boy Mathew Woods. Well Done.

After dominating through the season our first final was disappointing going down in a hard slog with West by five points but to credit the boys fought back winning the preliminary final against Wolves Red booking a rematch with West.

It was a disappointing end to the season going down by seven points in the grand final with credit to the boys they never gave up in what was a tough final.

During the year South Red has been blessed having a number of parents helping out with various tasks without this help the boys sport would suffer well done field umpires and Clarrie Whitaker (Runner), Leonne Whitaker (Guernsey washing), Ricky Gill (Goal Umpire), Andrew Black (Timekeeper) and all those mothers who helped on the trailer and for the support towards the boys at games.

In my closing I wish all boys going up in higher grades the very best and hope to see you next season playing for our great club.

Wayne Cox
Under 13's South Red Assistant Coach

UNDER 15'S

It was the most competitive U/15 season for the past 4 years we managed to beat every team, but we didn't make the Grand Final. We had 3 players make the North Adelaide U/15 Country team Darren Shillabeer, Simon Brusnahan and Shane Woods, we also had 4 players make the North Adelaide U/14 Country team James Van Hoof, Brock Laube, Trevor Partridge and Kody Patterson.

I would like to thank the players for their efforts during the season also to Brad Gardham for goal umpiring and his time at training, Alan Morris for being the runner, Father Peter Gardiner for running water, Val Waterworth for taping the boys before the games and treatment during the week and Craig Ritter for being the manager and assistant coach, also to the people who donated money for the awards throughout the season.

Regards Choko
Robert Laube
Under 15's coach

UNDER 18'S

The 2004 football season for the Under 18's side was one rewarding and successful one for all concerned but unfortunately we down to Westies in the grand final.
During the season, we along with West were the two outstanding sides in the competition. Our lads only lost the two minor round games to West but we did defeat West having a 1-2 recorded against them leading into the finals. It was extremely pleasing to make the grand final again this season but losing grand finals aren't pleasing at all. Again we had no luck losing Abra with in the first 5 min, then Graham O'Brien rolled his ankle. The lads fort on never throwing in the towel, but with West at full strength it was always a hard ask for our guys and the rest is history.
On the season, it was very satisfying for me to see some players really develop throughout the course of the season. A number of players enjoyed enormous personal success by being selected in the A grade side, Ricky Johnson and Chris Heron continued their development playing most A grade games. Ricky played U/17's for North Adelaide while Chris missed a couple of A grade games through injury. Mathew Grantham was given a chance to play A grade early in the season and never looked back developing into one of the best defenders in our club. Daniel Dohnt also played A grade and shone, only a serious jaw injury which keep him on the side lines for 6 weeks keep him from winning a spot in the A grade grand final team which played Port. Chris Abrahamson was also in and out of the A grade side and looks the goods but through a lack of real commitment to want to play A grade football and loss of confidence he struggled to find a regular spot in the A grade side. Others who played extremely well in the U/18's where players such as Rohan Frick, Mark Wiseman, Graham O'Brien, Josh Richards and Damien and David Brady. Along with the return of Ben Russ, we will be looking at some of these players taking the extra step over the summer and putting pressure on the selectors to play A grade football next season.

I can't finish without thanking the fantastic team of people who helped and assisted the U/18's thought the season:

Val Waterworth for her huge efforts during the season at training and every game.
Nick Heron the team manager
The trainers in Father Pete, Wayne Cox, Erin McKell and Michael Heron who gave the U/18's great support throughout the season.
Suzi McKell for her induction into the football club world by washing our football jumpers each week.
Harry Waterworth and Phil Shillabeer our odds job men (part time team managers, trainer, and report advocate)
Andrew Frick our time keeper
Those who helped with the runners job throughout the season
Choco and the U/15 lads who helped us out when we were short of numbers.
A special thank you to my off sider Rod Leith, his help throughout the season was greatly appreciated by myself and I hope by the lads.

Congratulation to Kernas and the A squad for making the grand final this season. I realise it was very disappointing to lose a grand final but looking the positive side all senior grades at least equalled (U/18s) or improved on last seasons performance and that is surely a step in the right direction.
In closing I want to thank the Club for their ongoing support and wish everyone at South Augusta and all the best over the off season and season 2005.
Good luck and all the best to those lads who are leaving Port Augusta due to work, uni or other interests.

Mark McKell
Under 18's Coach

SECONDS

Firstly I must congratulate the junior teams who played off in the finals and to the Under 18s and League Team who also played off in the Grand Final this season.

To our guys, this season we had a real go at making the finals and had we beaten Central and Port inwhich we lost by a couple of points. We would also played finals footy this season. For those players who put in the effort to training each week and on match day week, thank you.

I would have to say this is the hardest grade to coach, there were times when a squad was selected and you weren't sure who would turn up on match day and how many players might be required to play A Grade.

I must thank those under 18 footballers who came up and played B grade this season.

I must not forget to thank the experience players like: Jak, Hey Hey, Dex, Reynolds, Jibby, Trigger and Cuffe. Their voice, skill and football knowledge on the ground was an asset to the team. I urge any young player if you get the opportunity to play in a side with these guys, do it. Listen to them and take any advice they give you both on an off the field *"football related only"*, Hope you guys play on next season.

It was pleasing to see number of younger players getting the opportunity to play A Grade this season and knowing that they can only benefit by playing football at the next level.

I am confident that next year with a mix of experience and youth, we can go one step further and play finals footy. Once again a big thank you to those players who played in the B Grade Team this season.

In closing I would like to say thanks to the following people:

- **Harry Waterworth - Team Manager, I appreciated the work you do each week.**
- **Jak Waterworth - Assistant Coach and then player, thanks for your advice, support and input each week, much appreciated.**
- **Hey Hey - For his input into the team selection and words of advice.**
- **Trevor Harbridge - Runner, must have covered a few miles on the oval.**
- **Val Waterworth - Head Trainer, I appreciated the work you do each week.**
- **Coxy - Trainer, appreciate the work you do each week.**
- **Phillip Shillabeer - Organising training venues and footballs.**
- **Father Pete and all those who run the water to the players on match day, Thanks.**
- **Mark Shillabeer - For providing the runners and coaching staff with drinks - Cordial that is?**
- **Gary Kernahan - A Grade Coach, for his words of advice each week.**
- **Kim Franks - Football Operational Manager, great guy.**
- **Mark McKell - Under 18's Coach, for providing players when required.**
- **Timekeeper – Thanks.**
- **Trevor White - For preparing teas each week.**
- **Bus Drivers - For driving us to Port Pirie**
- **Bar Staff - For the cold beer.**
- **Margaret, Colin, Kelvin - And those who helped cook those lovely sausages and steak sandwiches each week, thank you.**

- **Club and Committee - For giving me the opportunity to coach the South Augusta B Grade Team.**
- **Sponsors - For their contribution to awards each week, appreciate your support.**
- **Supporters - We really appreciated the support given throughout the season, and words of advice to players from the other side of the ground, not that the players took much notice. Also your words of encouragement for putting the opposition teams off their game each week. Thank you**

LEAGUE

Season 2004 ended so close yet so far in the end it was a great effort by the players to make the grand final. Our finals wins against Sollies and Central were terrific cut throat final wins, unfortunately we didn't finish off on the big day against Ports even though with 10 minutes to go we were still a chance.

It should be noted that many of our younger players experienced senior finals football for the first time and acquitted themselves well that should be valuable to them and the club in the future. That group includes Adam Grantham, Mathew Grantham, Trevor Hanes, Ricky Johnson, Chris Heron, Todd Kernahan and Michael Curley, other youngsters with potential to become regular A Graders include Scott Treleaven, Aaron Herbert, Geoffrey Benfell, Chris Abrahamson, Daniel Dohnt and a host of other Under 18's.

It is hopeful that our senior leaders and players aged in their 20's will play again for the club and try to go all the way in 2005 that must be every ones priority. I would like to thank Chris Heritage who led the club well in his first season as captain, Chris had great support from older players Kevin Harris, Jason Waterworth, Jamie McTaggart and Terry Smith. The club will really need the likes of Mick Maloney, Bradley Amos, Brett Jones, Christian Reid, Brett Pascoe, Aaron Treloar, Ian Brown and Justin Digance plus a few others to take on the leadership role as we go ahead, Dwayne Crombie after a slow start due to injury proved what a valuable player he is leading into and during the finals series.

I would also like to thank Hedley Richards as B grade coach and Mark McKell as Under 18's coach both did great jobs in difficult circumstances. The Under 18's of course played in the grand final and is a great provider of senior footballers for our club, also thanks to our team manager Phil Shillabeer whose job is much appreciated, Val Waterworth, Wayne Cox and Peter Gardiner and other water boys a job well done. Jarrod Waterworth B grade player, selector and A grade runner was also a big help to myself during the season and in particular leading up to and including the finals, others include our timekeeper Clive Skinn, football managers Harry Waterworth and Kym Franks need to be congratulated on their tireless work they perform to get football sides on to the ground. A big thank you to Kym Maule and his band of helpers for the banners on grand final day, the cheer squad girls who performed well and helped kick off the Grand Final, thanks also to our great supporters the players love to hear you, congratulations also to all trophy winners who will be announced tonight.

Gary Kernahan
