and thank you to all those who have contributed to this publication.*

2025 was an interesting year for the South Augusta Football Club. We appointed a new A Grade coach, new president, started a new football committee, got an ex AFL Player to come and play for us, started utilising a drinks van and BBQ at all home games throughout the year, had a few on field incidents that created some angst, some great nights up the club and some very quiet nights, it was very up and down.

It was in many ways, a year where we tried to implement some changes and tried to improve upon things that we have done in the past. All the things we have tried to implement are aiming to keep the club going strong and remain viable in the current climate, which is a difficult task.

The footy side of things and finishing ladder positions were probably not as we were all hoping when the year started, especially in our senior grades, but there were lots of things that we can be proud of. As mentioned previously, we had multiple people doubling up for games each week to help the club out and try to help their teammates get some more wins, which is a huge effort. We blooded a heap of talented young kids in our senior sides, which will only benefit them in years to come.

We need everyone to stick together and continue building. The disappointing thing was some peoples lack of dedication and respect to their coaches. It seemed every time we played in Port Pirie, Adam or Stuey were running around at the last minute chasing additional players because others hadn't turned up, hadn't even let them know.

This needs to change! If we are to be a successful club on the field in the coming years, we need everybody on board and that needs to start with the players. It was great to see good numbers throughout our junior grades and the successful inclusion of additional girls teams to our club banner. Hopefully we can continue to build on this and we may even see a senior women's team in future years.

Thanks to all of the coaches, team managers, trainers, runners, coordinators etc for your dedication throughout the year. Thanks especially to outgoing B Grade coach Stuey Beaton on a stellar effort throughout not only this year but previous years. That coaching position is the hardest of all and you have done such a great job. Thanks mate.

The club has hosted or been a part of many successful events again this year, with none greater than the Footy Frenzy day. With Auskick through to A grade played on the same oval on the same day, it was awesome. The inclusion of Mitch Robinson and the show afterwards with him and Ricky Nixon was amazing. It was so great to see the crowd this game brought in and how much everyone enjoyed it! It was like the Central Oval games of old and something we should be striving to get back to. The Club's Red & White Ball, Day at the Races, Golf Day, netball and basketball after parties and other events we hosted were all great successes and something that the many volunteers who dedicate their time to, should be very proud of.

To all the people that have helped out in any way this year we thank you! From working in the kitchen, running water, cooking BBQ's, setting up for club shows, coaching, running, being part of Committees, there are an endless number of tasks that need to be done to make this club tick and we are so lucky to have the amazing people that we do. In saying that, we are going to need all the help we can going forward, so please if you have the opportunity, come and give us a hand, lighten the load and help this great club continue to be strong on and off the field for years to come.

Here's hoping for a bigger and better Season in 2026.

Thank you
Mark Horner

Firstly, thank you to all the volunteers and helpers throughout the season. Football season doesn't function without you. And our football club would be in a much worse state if it wasn't for some extremely dedicated and loyal volunteers.

I apologise as I am sure to miss some of the people, but just a couple I would like to highlight are:

Nicole McInnis as Head Trainer and every other hat that you wear throughout the year. It is much appreciated, all of the time you put in we would be genuinely stuffed without you.

Craig Ritter as Matchday Manager and everything else in between. It doesn't go unnoticed the amount of time and dedication you have shown this football club over a long period of time and continue to do so. **Thursday night tea crew.** Thanks for spending time helping to feed players and supporters alike. I am sure everyone that comes up for a meal on Thursdays appreciate it.

Drinks van & BBQ on the Hill. Thanks to everyone who participated in getting this off the ground. I think it did create more of an atmosphere at the games, hopefully it was a valuable contribution to the club's financial situation for the year. **To the people who offered to umpire** not only the field but also goal and boundary line. It is an enormous help to mainly Nicole who has to perform the SGLs job in arranging the umpires for our games. **Thanks to Bronte, Gilly and Stuey** for the season assisting at trainings and games. Whilst we didn't get a lot of results go our way, and it was a tough year at times, I hope your players thank you for your commitment, dedication and efforts in trying to help them this year. **Thank you to the footy committee** who worked hard to change a bit of the atmosphere on game day with some new ideas and in particular the Footy Frenzy Day which was well supported by all age groups, culminating in Mitch Robinson's performance for the A Grade. It was a great atmosphere and experience that was the envy of a lot of other clubs in the SGL.

On field we had a disappointing season overall with only the U15s representing the club in the finals. In fact we were the only club to not be represented on Grand Final day, that's not a good place to be in, and we should be striving to feature on Grand Final Day every year.

From the start of the season when 51 people showed up to the first preseason training to then finish the year with Stuey having to find 8 players the morning of the last minor round game, probably says a lot about where the club is currently at in terms of its playing stocks. I have said to the players that I'll be honest with them, and I honestly think our club is in a world of trouble. It would not surprise me if we struggle to field a B Grade side next year. I hope that I am wrong but given the lack of commitment by a lot of players, some of the team being shift workers, therefore unavailable every week and the use of veterans who have likely played their last season of football, I really do worry about the senior numbers moving forward.

I want to congratulate all those who win awards tonight and also to the players who made their senior debuts and reached milestones throughout the course of the season. Congratulations on these individual accolades.

I really hope this season is a humbling and learning experience for a lot of players. Humbling in terms of results and finishing at the bottom of the ladder. A learning experience because as a group there needs to be significant improvement in attitude, dedication and commitment to being a good team mate, a good player and ultimately a good team. We aren't that at the moment. But things can change quickly if everyone is willing to put in the work and not accept the season that we've just had.

We need to be a better club at embracing and welcoming new people, new families to our club. There is a common theme locally that this isn't a very welcoming place which is disappointing to hear. We need to do better.

"Culture is not what you write on the walls, culture is what people feel when they come in"

Everyone just expects the South Augusta Football Club to be there year after year. Because for 100+ years we always have been. Everyone thinks that Friday night teas will just happen because a cooking team is rostered on like it has always been.

Our existence in this competition is going to depend on how hard we are willing to work from this moment on. We have dwindling numbers in the junior grades compared to a lot of other local clubs, and our volunteers are the same people week after week, year after year.

We may be here now, but tomorrow is not guaranteed. Please do your bit to get involved no matter how big or how small the task maybe.

What if the South Augusta Football Club isn't here tomorrow?

Could you have done more to help?

Thank you
Adam Grantham

B Grade Season Review — Stuart Beaton

The year started off well, we had good numbers at training everyone was up and about we won our first game. But we struggled to get a full team on the park most weeks and the numbers at training dropped off.

But the boys went out and competed well most of the time being in the games but not able to get the wins. I need to say a big thank you to the juniors with some players playing 3 games some weeks to help us out.

It was a tough year but to everyone's credit we played each week showing guts and a good attitude usually undermanned but still pushing most teams.

If the boys commit to each other and the team I am sure they can turn things around.

I would say a massive thank you to everyone that helped out in any way. I won't name names in case I forget someone but you all know who you are.

There is a lot of amazing people helping the club and myself every week and for that I thank you all

Under 18 Season Review — Marcus Gill

2025 has been a season full of reward. Scoreboard results don't show the strides that the Under 18s (and Under 15s) have made.

Myself, Mark and Bronte believe these guys will soon be on the right end of results as their trajectory keeps going up!

This year we have seen a lot of players be rewarded with senior games for their hard work and on field performance. It's a credit to the lads for listening and wanting to become better!

I believe that we as a club are in an excellent and exciting position leading into the next few years with some of the talent we have coming through, as long as the lads keep working hard, don't take anything for granted, understand it is a team game and know that you can always become better.

Looking forward to see the guys grow in 2026!

SENIOR PLAYERS GAMES STATISTICS

2025

After a pre-season movement of players into and out of the club the 2025 season got underway without players Cohen Boscence, Kyle Aitken, Daniel Sumner, Aziel Stuart, Tyson Darley, Heath Green, Clayton Milera, Pat Fischer, Chris Heron, William Newberry and Matthew Webb.

The A Grade, B Grade and under 18s all finished 6th for the season, for what has been a challenging year for the senior coaches and staff.

We must thank A Grade Coach Adam Grantham, B Grade coach Stuart Beaton and U18 coach Marcus Gill on their hard work and dedication in getting their teams on the ground each week.

In the 2025 season Trent Ritter kicked the most goals in the A Grade with 24 goals. Caleb Ritter was mentioned in the best players an impressive 15 times during the year, Craig Shirley 8 times, Darcy Kildea 7 times and Trent Ritter 5 times.

We used a total of 90 players in both A Grade and B Grade in 2025 which is even higher than the 81 in 2024. Of the 28 players who played A Grade during the year only 4 have played over 100 A Grade games, and another 6 have played over 50 A Grade games which leaves 18 who have played less than 50 A Grade games.

A & B Debuts in 2025

Under 15's Season Review—Bronte Munzer

What a year it's been for the U15s South Augusta Football Club.

As coach, I couldn't be prouder of this group of young men who showed incredible grit, resilience, and team spirit throughout a tough but rewarding season.

Despite facing challenges with numbers most weeks – often fielding just 17 or 18 players and regularly calling up four lads from the U13s – the team never made excuses.

Every single player gave their all, week in and week out, and that commitment paid off with a well-earned spot in the preliminary final.

The boys played with heart and a real focus on team football all season, supporting each other both on and off the field. To fall just short in the prelim by only 6 points to Lions was heartbreaking, but the effort and determination shown in that game summed up what this team is all about. Every player played their role, and it was a true team performance – one that reflected our values of hard work, unity, and never giving up.

Individually, we had some outstanding performances. A massive congratulations to Leo McInnis who was awarded the U15 SGL Nobbs Best and Fairest with 23 votes – a fantastic achievement that reflects not only his skill but his consistency and leadership. Hot on his heels was Noah Kruger, finishing runner-up with 22 votes. Noah also took out the Leading Goal Scorer for the season with an impressive 55 goals, with Leo close behind again on 54. These two set the tone for the group and were instrumental in our success.

To all the players, parents, and support staff – thank you for sticking with us through a demanding season. To the U13s boys who stepped up each week – your contribution was invaluable. We may not have made it to the big dance, but the spirit, growth, and camaraderie this season has laid a strong foundation for the future.

Bring on next year.

Under 13's Season Review — Mathew Grantham

The Under-13s faced a tough season without a win, but the development across the squad was clear to see.

Skills, teamwork, and confidence all improved noticeably, and the players showed great spirit and determination throughout.

A solid foundation has been built for future success.

Under 11's Season Review — Paul Glass

The team showed great fight and determination throughout the entire year. My personal favourite moment as a coach was seeing the major improvement the team made.

Earlier in the year we lost to a strong Central side by 10 goals. Our last meeting against them we won by 1 point. It's a credit to the boys and girls to see what they can achieve when they put their mind to it!

Congratulations to Lachy Robinson in winning the best and fairest (and he is only a first year under 11!)

This team can go far if they stick together. Keep an eye out for them next year, they will be a scary team for any opponent to come up against!

Under 9's & Auskick Season Review — Jake Collins

The 2025 football season saw over 300 juniors register from Auskick to U13's and we were able to field teams in all 3 junior girls grades.

Throughout the season BBQ's were held at games at Chinnery and Central Oval and this raised valuable funds for the junior program subsidising costs for families.

A big thankyou to Rachael Webb and her team of helpers who cooked the BBQ, sold drinks and made cakes, etc to sell.

The Footy Frenzy held this year was very well received and next year we may look to get some further alignment with juniors and seniors with possibly 2 rounds where all South's junior and senior teams play on the same day. A big thankyou to coaches for this season, it won't be too long before we reach out to see your intentions for next season.

For anyone who wants to be more involved in the junior program we are always looking for people to help out, whether it's helping out coaching, washing guernseys or goal umpiring just reach out to Jake Collins or Mat Grantham.

Auskick: We had over 50 Auskickers participate in our program this season. There was a focus on play based learning at training trying to teach kids the basic skills but also protecting themselves when approaching the football. This was evident during games on Sundays with some really good teamwork and lots of fun.

Thankyou to Adam, Corey and Mark who coached teams we really can't ask for better people and handy footballers teaching the next generation of our club.

U9's: There were 28 U9's registered this year. We focused on skill development and understanding some new concepts such as front and square, switching the play and not crowding our forward line.

Thankyou to Shane Harvie, Anthony Smith and Corey Finlay who helped support by umpiring, setting up ovals and assisting at trainings and games

Quorn U9 Carnival: South's went 2-3 and all the kids had a really good day.
Best player for South was Wayde Finlay

AFLW Under 11's Report

South's Under 11's girls have had an amazing season playing in the girl's junior competition for 2025. The team had a large range of ages, with many daughters and granddaughters of senior players and past legends putting on the guernsey and having a go.

Even after a strong start, the girls' skills continued to develop through the year along with their confidence. Especially skills such as tackling, shepherding and hand balls. Their excitement and enthusiasm kept growing week after week bringing more girls out to have a go. The club ended up having 2 teams in this competition which all goes well for the future.

AFLW Under 14's Report

Under 14's made it to the Grand Final for the second year in a row but unfortunately the team went down by 1 point in a hard fought out grand final game against West Augusta. Brooklyn Taylor won the U14's League Best and Fairest and Best On Ground in the grand final. Despite the loss, it was unanimous that Brooklyn had a terrific game. Olivia McCallum was the league leading goal kicker in the U14's.

AFLW Under 17's Report

Under 17's finished 3rd going down to West Augusta in the preliminary final. Souths didn't have a 17's team last year so this was a huge achievement for the girls. Congratulations to Zara Lang who took out not only the U17's League Best and Fairest but also the league leading goal kicker. Our three AFLW team's recent end of season presentations marked the end of a great season in which our female numbers went from 31 last season to 57 this year. It also marked the culmination of our \$4,500 Power of her Grant which has greatly assisted us in achieving the success that 2025 has been.

Best and Fairest: Zara Lang

Runner Up Best and Fairest: Brooklyn Taylor and Peppa White

Most Consistent: Paige Butler

Most Courageous: Brooke Vater

Best First Year: Acacia Donald, Olivia McCallum, Ruby Haywood and Maisie McCallum

Coaches Trophy: Leilani Robertson

Catering Statistics

Souths have an amazing group of volunteers who make themselves available throughout the year to help with, Thursday night, Friday night, after game meals and catering requests. An astonishing number of meals have been served!!!

6006 meals served = average of 115 meals a week!!!

Add to this the number of meals served for Christmas shows, graduations, wakes, school events, Business PA dinner, NAIDOC Ball, and you become aware of the enormity of the effort by the volunteers.

1731 meals served in catering events

Thank You!!

Many thanks to the Committees who have worked so hard over the football season together with trainers, coaches, team managers and guernsey cleaners.

Thank you to the sponsors who contributed to the club and supported both the senior, junior and AFLW teams in 2025.

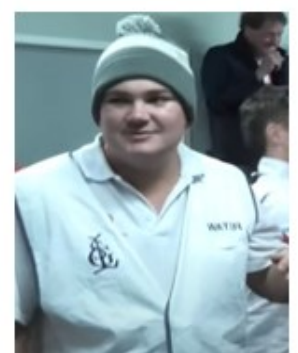

Get on board and support your club in 2026
